

Obama

Anthony Neal

A Promised Land Barack Obama, 2020-11-17 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy – and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of hope and change, and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in *A Promised Land* is the former president's candour' David Olusoga, Observer

The Word Collector Peter H. Reynolds, 2018-01-30 From the beloved bestselling creator of *The Dot* and our own *Happy Dreamer* comes an inspiring story about the transformative and profound power of words. Some people collect stamps. Some people collect coins. Some people collect art. And Jerome? Jerome collected words . . . In this extraordinary new tale from Peter H. Reynolds, Jerome discovers the magic of the words all around him -- short and sweet words, two-syllable treats, and multisyllable words that sound like little songs. Words that connect, transform, and empower. From the creator of *The Dot* and *Happy Dreamer* comes a celebration of finding your own words -- and the impact you can have when you share them with the world.

Things We Lost to the Water Eric Nguyen, 2022-04-26 A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain connected to one another as their lives are inextricably reshaped. This stunning debut is vast in scale and ambition, while luscious and inviting ... in its intimacy" (The New York Times Book Review). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will

grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them.

I Heart Obama Erin Aubry Kaplan, 2016-02-09 In his nearly two terms as president, Barack Obama has solidified his status as something black people haven't had for fifty years: a folk hero. The 1960s delivered Malcolm X and Martin Luther King, forever twinned as larger-than-life outsiders and truth tellers who took on racism and died in the process. Obama is different: Not an outsider but president, head of the most powerful state in the world; a centrist Democrat, not the face of a movement. Yet he is every bit a folk hero, doing battle with the beast of a system created to keep people like him on the margins. He is unique among presidents and entirely unique among black people, who never expected to have a president so soon. In *I Heart Obama*, journalist Erin Aubry Kaplan offers an unapologetic appreciation of our highest-ranking First and what he means to black Americans. In the process, she explores the critiques of those in the black community who charge that he has not done enough, been present enough, been black enough to motivate real change in America. Racial antipathy cloaked as political antipathy has been the major conflict in Obama's presidency. His impossible task as an individual and as a president is nothing less than this: to reform the entire racist culture of the country he leads. Black people know he can't do it, but will support his effort anyway, as they have supported the efforts of many others. Obama's is a noble and singular story we will tell for generations. *I Heart Obama* looks at the story so far.

Obama: An Intimate Portrait Pete Souza, 2017-11-07 Relive the extraordinary Presidency of Barack Obama through White House photographer Pete Souza's behind-the-scenes images and stories in this #1 New York Times bestseller -- with a foreword from the President himself. During Barack Obama's two terms, Pete Souza was with the President during more crucial moments than anyone else -- and he photographed them all. Souza captured nearly two million photographs of President Obama, in moments highly classified and disarmingly candid. *Obama: An Intimate Portrait* reproduces more than 300 of Souza's most iconic photographs with fine-art print quality in an oversize collectible format. Together they document the most consequential hours of the Presidency -- including the historic image of President Obama and his advisors in the Situation Room during the bin Laden mission -- alongside unguarded moments with the President's family, his encounters with children, interactions with world leaders and cultural figures, and more. Souza's photographs, with the behind-the-scenes captions and stories that accompany them, communicate the pace and power of our nation's highest office. They also reveal the spirit of the extraordinary man who became our President. We see President Obama lead our nation through monumental challenges, comfort us in calamity and loss, share in hard-won victories, and set a singular example to be kind and be useful, as he would instruct his daughters. This book puts you in the White House with President Obama, and is a treasured record of a landmark era in American history.

Barack Obama David Maraniss, 2012-06-19 The groundbreaking multigenerational biography, a richly textured account of President Obama and the forces that shaped him and sustain him, from Pulitzer Prize-winning reporter, political commentator, and acclaimed biographer David Maraniss. In *Barack Obama: The Story*, David Maraniss has written a deeply reported generational biography

teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of Obama's white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. Barack Obama: The Story chronicles as never before the forces that shaped the first black president of the United States and explains why he thinks and acts as he does. Much like the author's classic study of Bill Clinton, *First in His Class*, this promises to become a seminal book that will redefine a president.

The Black Presidency Michael Eric Dyson, 2016-02-02 A provocative and lively examination of the meaning of America's first black presidency, by the New York Times bestselling author of *Tears We Cannot Stop*. Michael Eric Dyson explores the powerful, surprising way the politics of race have shaped Barack Obama's identity and groundbreaking presidency. How has President Obama dealt publicly with race—as the national traumas of Tamir Rice, Trayvon Martin, Michael Brown, Eric Garner, Freddie Gray, and Walter Scott have played out during his tenure? What can we learn from Obama's major race speeches about his approach to racial conflict and the black criticism it provokes? Dyson explores whether Obama's use of his own biracialism as a radiant symbol has been driven by the president's desire to avoid a painful moral reckoning on race. And he sheds light on identity issues within the black power structure, telling the fascinating story of how Obama has spurned traditional black power brokers, significantly reducing their leverage. President Obama's own voice—from an Oval Office interview granted to Dyson for this book—along with those of Eric Holder, Al Sharpton, Jesse Jackson, Andrew Young, and Maxine Waters, among others, add unique depth to this profound tour of the nation's first black presidency. “Dyson proves...that he is without peer when it comes to contextualizing race in twenty-first-century America... A must-read for anyone who wants to better understand America's racial past, present, and future.”—Gilbert King, author of the Pulitzer Prize-winning *Devil in the Grove* “No one understands the American dilemma of race—and Barack Obama's confounding and yet wondrous grappling with it—better than [Dyson.]”—Douglas Blackmon, author of the Pulitzer Prize-winning *Slavery by Another Name*

Rising Star David Garrow, 2017-05-09 New York Times Bestseller *Rising Star* is the definitive account of Barack Obama's formative years that made him the man who became the forty-fourth president of the United States—from the Pulitzer Prize-winning author of *Bearing the Cross* Barack Obama's speech at the 2004 Democratic National Convention instantly catapulted him into the national spotlight and led to his election four years later as America's first African-American president. In this penetrating biography, David J. Garrow delivers an epic work about the life of Barack Obama, creating a rich tapestry of a life little understood, until now. *Rising Star: The Making of Barack Obama* captivantly describes Barack Obama's tumultuous upbringing as a young black man attending an almost-all-white, elite private school in Honolulu while being raised almost exclusively by his white grandparents. After recounting Obama's college years in California and New York, Garrow charts Obama's time as a Chicago community organizer, working in some of the city's roughest neighborhoods; his years at the top of his Harvard Law School class; and his return to Chicago, where Obama honed his skills as a hard-knuckled politician, first in the state legislature and then as a candidate for the United States Senate. Detailing a scintillating, behind-the-scenes account of Obama's 2004 speech, a moment that labeled him the Democratic

Party's rising star, Garrow also chronicles Obama's four years in the Senate, weighing his stands on various issues against positions he had taken years earlier, and recounts his thrilling run for the White House in 2008. In *Rising Star*, David J. Garrow has created a vivid portrait that reveals not only the people and forces that shaped the future president but also the ways in which he used those influences to serve his larger aspirations. This is a gripping read about a young man born into uncommon family circumstances, whose faith in his own talents came face-to-face with fantastic ambitions and a desire to do good in the world. Most important, *Rising Star* is an extraordinary work of biography—tremendous in its research and storytelling, and brilliant in its analysis of the all-too-human struggles of one of the most fascinating politicians of our time.

Barack Obama Beatrice Gormley, 2015-09-08 Learn all about the life of the 44th President of the United States in this updated biography of Barack Obama, specially written for a younger audience. University Professor. Nobel Peace Prize Winner. First African American President of the United States. President Obama was born on August 4, 1961, in Honolulu, Hawaii. With relatives in Kenya, Ireland, Indonesia, and Kansas, President Obama has referred to his family as “a mini-United Nations.” He attended college on both coasts, first at Occidental in California, then at Columbia in New York City. After graduating from Harvard Law School, he practiced and taught law in Chicago. In 2005 Barack started his political career when he became the senator for Illinois. President Obama was inaugurated on January 20, 2009. His many efforts in the first 100 days of his presidency earned him a Nobel Peace Prize and, in 2012, he was reelected for a second term. Originally published in 2012, this revised biography of the 44th President of the United States includes eight pages of photos as well as a timeline and index.

The Presidency of Barack Obama Julian Zelizer, 2018-03-13 An original and engaging account of the Obama years from a group of leading political historians Barack Obama's election as the first African American president seemed to usher in a new era, and he took office in 2009 with great expectations. But by his second term, Republicans controlled Congress, and, after the 2016 presidential election, Obama's legacy and the health of the Democratic Party itself appeared in doubt. In *The Presidency of Barack Obama*, Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context. These writers offer strikingly original assessments of the big issues that shaped the Obama years, including the conservative backlash, race, the financial crisis, health care, crime, drugs, counterterrorism, Iraq and Afghanistan, the environment, immigration, education, gay rights, and urban policy. Together, these essays suggest that Obama's central paradox is that, despite effective policymaking, he failed to receive credit for his many achievements and wasn't a party builder. Provocatively, they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter-tide as it grew stronger. Engaging and deeply informed, *The Presidency of Barack Obama* is a must-read for anyone who wants to better understand Obama and the uncertain aftermath of his presidency. Contributors include Sarah Coleman, Jacob Dlamini, Gary Gerstle, Risa Goluboff, Meg Jacobs, Peniel Joseph, Michael Kazin, Matthew Lassiter, Kathryn Olmsted, Eric Rauchway, Richard Schragger, Paul Starr, Timothy Stewart-Winter, Thomas Sugrue, Jeremi Suri, Julian Zelizer, and Jonathan Zimmerman.

Empire's New Clothes Paul Street, 2015-12-03 As Obama nears the middle of his first-term as president Paul Street assesses his performance against the expectations of his supporters. While mainstream journalists have noted discrepancies between Obama's original vision and reality, Paul Street uniquely measures Obama's record against the expectations of the truly progressive agenda many of his supporters expected him to follow. Taken together, the list of Obama's weakened policies is startling: his business-friendly measures with the economy, the lack of support for the growing mass

of unemployed and poor, the dilution of his health reform agenda, the passage of a record-setting Pentagon budget, and escalation of US military violence in Afghanistan, Pakistan, Yemen, and Somalia. Street's account reveals these and many other indications of how deeply beholden Obama is to existing dominant domestic and global hierarchies and doctrines.

The Secret Life of Barack Hussein Obama Mondo Frazier, 2012-10-02 Journalist Frazier tells the hidden story of the President, divulging little-known details of President Barack Obama's past. Frazier exposes unexplained details and answers. This illuminating work is the unrevealed story of the President--the one readers won't get from their morning paper.

The Black President Claude A. Clegg III, 2021-10-12 With lively prose and sensitivity to context, this book offers a sweeping, authoritative history of the Obama presidency, focusing particularly on its impact and meaning vis-à-vis African Americans. This interpretative account captures the America that made Obama's White House years possible, while at the same time rendering the America that resolutely resisted the idea of a Black chief executive, thus making conceivable the ascent of his most unlikely of successors--

Obama's Legacy - Yes We Can, Yes We Did Barack Obama, White House, U.S. Government, 2023-12-11 During his years in office, from 2009 to 2017, Barack Obama signed more landmark legislation than any Democratic president since Lyndon Baines Johnson. This collection presents the legacy of Barack Obama through his presidential work and the legislation of his administration. The edition honors his achievements, the determined efforts despite the resistance and his long lasting influence: Table of Contents: Inaugural Speeches First Inaugural Address (2009) Second Inaugural Address (2013) Main Accomplishments Health Care Climate and Energy American Leadership Economic Progress Equality & Social Progress Executive Orders Presidential Records Review and Disposition of Individuals Detained at the Guantanamo Bay Naval Base and Closure of Detention Facilities Review of Detention Policy Options Ensuring Enforcement and Implementation of Abortion Restrictions in the Patient Protection and Affordable Care Act Strengthening Protections Against Trafficking in Persons in Federal Contracts Fair Pay and Safe Workplaces Planning for Federal Sustainability in the Next Decade Implementing the National HIV/AIDS Strategy for the United States for 2015-2020 Delegation of Certain Authorities and Assignment of Certain Functions Under the Trade Preferences Extension Act of 2015 Amendment to Executive Order 13673 Developing an Integrated Global Engagement Center To Support Government-wide Counterterrorism Communications Activities Directed Abroad and Revoking Executive Order 13584 International Agreements & Treaties New START Paris Agreement Farwell Address

The Oral Presidency of Barack Obama Anthony Neal, 2018-03-02 The Oral Presidency of Barack Obama is an examination of Barack Obama's signature weapon of his presidency: his speeches. This book provides the social and cultural context that made the content of his speeches timeless./span

Barack Obama and the Politics of Change Stanley A. Renshon, 2012-03-15 Applies psychoanalytic theory to Obama's personality and behavior during his first two years as president, examining how his childhood experiences affected his political ideology, leadership style, and quest for redemption in his political life.

Debating the Obama Presidency Steven E. Schier, 2016-09-22 This is the first book to present both the arguments for and against Barack Obama's presidency and its policies. In it, prominent political scientists and Washington think tank scholars address Obama's domestic, economic and foreign policies and his political legacy. Contrasting perspectives assess the consequences of the large aspirations of the Obama presidency and the political and policy challenges Obama encountered in the pursuit of those aspirations. Barack Obama's project in the White House involved installing lasting changes in national policy and politics. Institutionally, the Obama administration sought to preserve control of Congress through maintenance of reliable

partisan Democratic majorities, and enhance influence over the federal courts through a steady stream of liberal judicial appointees. The administration sought increased autonomy over the executive branch by a reorganizations spawned by a national economic crisis and an ambitious domestic policy agenda. Politically, the Obama administration sought the entrenchment of consistent Democratic electoral majorities. Such large ambitions have generated enduring controversies surrounding his presidency, controversies that receive a full airing and debate in this volume. Contributions by Alan I. Abramowitz, Emory University; Andrew E. Busch, Claremont McKenna College; Peter Juul, Center for American Progress; Lawrence Korb, Center for American Progress; William G. Mayer, Northeastern University; Ruth O'Brien, City University of New York Graduate Center; John J. Pitney Jr., Claremont McKenna College; Danielle Pletka, American Enterprise Institute; Daniel E. Ponder, Drury University; Steven E. Schier, Carleton College; Raymond Tatalovich, Loyola University Chicago; and John Kenneth White, Catholic University of America.

Barack Obama in Hawai'i and Indonesia Dinesh Sharma, 2011-09-22

Distinguishing itself from the mass of political biographies of Barack Obama, this first interdisciplinary study of Obama's Indonesian and Hawai'ian years examines their effect on his adult character, political identity, and global world-view. The first 18 years of President Obama's life, from his birth in 1961 to his departure for college in 1979, were spent in Hawai'i and Indonesia. These years fundamentally shaped the traits for which the adult Obama is noted—his protean identity, his nuanced appreciation of multiple views of the same object, his cosmopolitan breadth of view, and his self-rooted outpost patriotism. *Barack Obama in Hawai'i and Indonesia: The Making of a Global President* is the first study to examine, in fascinating detail, how his early years impacted this unique leader. Existing biographies of President Obama are primarily political treatments. Here, cross-cultural psychologist and marketing consultant Dinesh Sharma explores the connections between Obama's early upbringing and his adult views of civil society, secular Islam, and globalization. The book draws on the author's on-the-ground research and extensive first-hand interviews in Jakarta; Honolulu; New York; Washington, DC; and Chicago to evaluate the multicultural inputs to Obama's character and the ways in which they prepared him to meet the challenges of world leadership in the 21st century.

National Geographic Readers: Barack Obama Caroline Crosson

Gilpin, 2014-08-05 What biography series is complete without a title on the current U.S. President: Barack Obama? The election of an African American president was truly a monumental day in American history. His legacy will live on as a barrier-breaker and a pioneer. Learn all about our 44th President in this fascinating leveled reader.

Obama Introduction

In the digital age, access to information has become easier than ever before. The ability to download Obama has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Obama has opened up a world of possibilities. Downloading Obama provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Obama has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Obama. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Obama.

Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Obama, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Obama has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Obama Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most

eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Obama is one of the best book in our library for free trial. We provide copy of Obama in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Obama. Where to download Obama online for free? Are you looking for Obama PDF? This is definitely going to save you time and cash in something you should think about.
