How to Write a PhD in Biological Sciences John Measey,2021-11-29 You don't have to be a genius to write a PhD. Of course, it will always involve a lot of hard work and dedication, but the process of writing is a whole lot easier if you understand the basic ground rules. This book is a guide through the dos and don'ts of writing a PhD. It will be your companion from the point when you decide to do a PhD, providing practical guidance to getting started, all the way through the nuts and bolts of the writing and editing process. It will also help you to get – and stay – in the right mental framework and establish good habits from the beginning, putting you in a commanding position later on. Examples are tailored to the biological sciences, offering a unique reference for PhD students in these disciplines. Embarking on a PhD doesn't need to be daunting, even if it's your first experience working within academia. Each short section focuses on writing – considered by many to be the most difficult aspect of a PhD – and delves into a practical detail of one aspect, from the title to the supplementary material. Whether you're a student just starting your studies, an early career researcher or a supervisor struggling to cope, the book provides the insider information you need to get ahead.

Heir of Fire Sarah J. Maas,2014-09-02 The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life-and her future-forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny-and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

Global Trends 2040 National Intelligence Council,2021-03 The ongoing COVID-19 pandemic marks the most significant, singular global disruption since World War II, with health, economic, political, and security implications that will ripple for years to come. -Global Trends 2040 (2021)

Global Trends 2040-A More Contested World (2021), released by the US National Intelligence Council, is the latest report in its series of reports starting in 1997 about megatrends and the world's future. This report, strongly influenced by the COVID-19 pandemic, paints a bleak picture of the future and describes a contested, fragmented and turbulent world. It specifically discusses the four main trends that will shape tomorrow's world: – Demographics-by 2040, 1.4 billion people will be added mostly in Africa and South Asia. – Economics-increased government debt and concentrated economic power will escalate problems for the poor and middleclass. – Climate-a hotter world will increase water, food, and health insecurity. – Technology-the emergence of new technologies could both solve and cause problems for human life. Students of trends, policymakers, entrepreneurs, academics, journalists and anyone eager for a glimpse into the next decades, will find this report, with colored graphs, essential reading.

The Brothers Karamazov Fyodor Dostoyevsky,2016-03-24 The Brothers Karamazov, also translated as The Karamazov Brothers, is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.
