Declutter Your Photo Life Adam Pratt,2022-05-23

Turn your photo chaos into precious memories to be enjoyed and shared!

Now more than ever, we hold our photo collections dear. They are often some of our most prized possessions. Wouldn’t it be great to finally have all your photos organized, safe, accessible, findable, and shareable? With *Declutter Your Photo Life* by your side, you have just what you need to achieve photo bliss.

Photographers and family historians understand the immense power that photographs have to convey meaning, emotion, and memory. We cherish both old film photos that were handed down by previous generations and our latest digital photos captured on the newest smartphone. But when those priceless memories are unorganized and scattered every which way—on a smartphone, on a laptop, on memory cards and flash drives, on two or three photo sharing websites, in photo albums, and in shoeboxes in the attic—the dominant feeling quickly goes from “overjoyed” to “overwhelmed.” What a mess!

Whether you’re a professional photographer, a casual shooter, or the designated family historian, *Declutter Your Photo Life* will help you organize and enjoy your photos once again. In this book, professional photo organizer, photographer, and author Adam Pratt teaches you his straightforward step-by-step workflow that will have you taking complete control and creating a calming order out of your photo chaos. And once you’ve mastered Adam’s system—Gather, Preserve, Organize, Share, Maintain—you’ll have all the tools you need to keep your photo treasure organized as you move forward.

Digital Shoebox Sarah Bay Williams,2009-09-25 Most people are awash in digital photos—some taken, some received—stuffed here and there in random folders and albums across a hard drive. In The Digital Shoebox, Sarah Bay Williams, creator of the image archiving system used by the Academy Awards®, shares her foolproof method for effectively organizing, finding, and sharing photos so you never lose track of your most precious memories. Unlike many books on digital photography that are driven by software, The Digital Shoebox teaches readers an easy-to-remember and easy-to-repeat system that doesn't feel like homework or require learning lots of complicated software applications. Part 1 of the book guides readers through the seven most important steps for organizing photos; Part 2 is packed with tips on ways to enjoy and share those photos. Each chapter closes with some slightly more advanced information, should readers want to get technical. Based on the author's experience as photography coordinator for the Academy of Motion Picture Arts and Sciences, and as someone who simply loves taking photos, The Digital Shoebox is the first concise and user-centered guide solely dedicated to organizing a personal digital photography collection. Takes a fun and easy-to-implement approach to asset management, featuring a friendly writing style and charming illustrations Teaches the seven key steps needed to help users keep photos organized, available, and safe Includes a Beyond the Box section at the end of each chapter for more advanced readers who want to move beyond the basics

How to Archive Family Photos Denise May Levenick,2015-04-24 Organize and enjoy your family's memories! You've captured countless cherished family photos of babies' first steps, graduations, weddings, holidays, vacations, and priceless everyday moments on your smartphone or digital camera. Perhaps you've inherited a collection of heirloom family photographs, too. But now what? How to Archive Family Photos is a practical how-to guide for organizing your growing digital photo collection, digitizing and preserving heirloom family photos, and sharing your treasured photos. In this book, you'll find: • Simple strategies to get your photos out of a smartphone or camera and into a safe storage space • Easy methods to organize and back up your digital photos, including file-naming and tagging hints • Achievable steps to digitize and preserve heirloom family photos • Step-by-step workflows illustrating common photo organizing and digitizing scenarios • Checklists for setting up your own photo organization system • 25 photo projects to preserve, share, and enjoy your family photos Whether you have boxes full of tintypes and black-and-white photographs, an ever-growing collection of digital photos, or a combination of the two, this book will help you rescue your images from the depths of hard drives and memory cards (or from the backs of closets) so that you can organize and preserve your family photo collection for future generations.

The Pixologist's Guide to Organizing and Preserving Your Family Photos Mollie Bartelt,2018-11 Organize your family photos once and for all. Are you ready to tackle those old boxes, envelopes, and albums of photos, but need a plan of attack? Once the photos are organized, then what? Following the user-friendly system developed by photo organizers and pixologists Mollie Bartelt and Ann Matuszak, you can sort those photos, remove duplicates, and organize them in a way that makes them easy to find when necessary. Then scan to preserve those photos and combine print photo scans with digital photos from your phone and other systems to keep them safe should disaster strike. Soon you'll be able to pass on your family stories, traditions, and values to future generations.

Thousands of Images, Now What? Mike Hagen,2012-03-09 Tackle the challenges of digital photo file management! If you find yourself with more digital photos than you know what to do with or at a loss as to how to begin organizing them all, then Digital Asset Management (DAM) is your solution. This incredibly helpful book answers such common questions as: how should I manage the sheer volume of images? How can I make sure my pictures are safely backed-up? How can I efficiently categorize my images so that I can quickly find the one I'm seeking? He walks you through the steps necessary to successfully maintain an orderly archiving system so that you can quickly store, save, and retrieve your images. Digital Asset Management (DAM) helps you organize, save, and back-up your digital photos Explains how to efficiently and effectively create an intuitive filing system that is right for you Answers frequently asked questions regarding storing, saving, and retrieving images Encourages you to create a successful digital photo archive that, once created, will be easy to maintain and use Say so long to your days of being a digital photo pack rat when you put this easy-to-understand, helpful book to use!

The Home Edit Clea Shearer,Joanna Teplin,2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

What's a Picture Worth? James A. White,2015-02-09 How many digital photos do you have jumbled on your computer? A picture is worth a thousand words, but if you're not managing your photos, they're just wasting space on your computer hard drive. Or worse yet, you risk losing those priceless photos forever. What's a Picture Worth? is a user-friendly guide to help walk you through how to organize, rename, and tag your photos so you can find any photo in mere seconds. You'll learn to leverage free software to fix a so-so photo and turn it into one that really pops. The author will show you the best method to back up your photos and how to share and collaborate on those memories so they're not gathering dust in your computer. Plus, you'll gain useful tips on taking better pictures and scanning old photos. With over 15 years in the computer industry, Jim White knows the important balance of taking something technical and making it less complicated for the everyday computer user. He loves to learn the intricacies of how things work and then find ways to make them easier for everyone to understand. With thousands of his own photos, Jim has perfected ways to organize, fix, and share his photos and now wants to pass that knowledge onto you!
