Running with the Pack Mark Rowland, 2021-11-15 “Most of the serious thinking I have done over the past twenty years has been done while running,” says philosophy professor Mark Rowlands, who has run for most of his life. And for him, running and philosophizing, are inextricably connected. In *Running with the Pack*, he reveals the most significant runs of his life—from the entire day he spent running as a boy in Wales, to the runs along French beaches and up Irish mountains with his beloved wolf, Brenin, and through Florida swamps with his husky-mix, Nina. Intertwined with this honest, passionate and witty memoir are the fascinating meditations that those runs triggered, from mortality, midlife, and the meaning of life. A highly original and moving book that will make the philosophically inclined want to run, and those who love running become intoxicated by the beauty of philosophy.

The Pack Lisi Harrison, 2021-06-01 A pack of best friends navigate first crushes, new friendships and more at their school for girls with animal powers! Don't be fooled. . . . Charm House isn't like any other charm school. Charm stands for Center for Human-Animal Reform and Manners. Every girl who boards there has an animal light inside her that is wild and needs to be tamed. New girl Sadie just wants to stay out of trouble and blend in. When she learns she has the fiercest animal light of all, she is invited to join the group of girls known as the Pack, led by Lindsey, the school's queen of the jungle. Soon Sadie is consumed by social drama and her secret feelings for an off-limits private-school boy. Charm House is supposed to protect them, but danger looms when someone starts to threaten the girls. Is the school in jeopardy—or is someone trying to tear the Pack apart? Girls with secret kick-butt animal powers? Yes please. This story is fast paced, hilarious, and wildly fun.”—Melissa de la Cruz, New York Times bestselling author of *The Descendants*

Most of the time, Noble, Argus, Harlan and Tora are like any other teenagers. Prowling the halls of their high school in search of new crushes and true friendships, all while trying to keep up their grades. Except these teens are anything but ordinary... Discovered as wolf cubs in the wilderness of Redstone Forest, the pack knows their adoptive parents are the only humans they can trust with their shape-shifting secret. So whenever the siblings want to wolf around, they race to the forest to run—and relish their special bond. Until the terrible day a TV crew films their shocking transformation—and Tora is captured by a scientist determined to reveal her supernatural abilities to the world. Now the brothers will do anything to get their sister back. Even if it means taking their powers to a whole new level by becoming werewolves for the very first time--something their parents warned them never to attempt. But once the teens go to the dark side, will they ever make it back to the only life they've ever known? Praise for *Wolf Pack* "A well-plotted story. The plot moves quickly enough to hold interest and may appeal to reluctant readers." — School Library Journal "WOLF PACK is a thrilling ride from start to finish." — Canadian Children's Book News "[A] great book to recommend to reluctant readers. ... The Four-Pack Revolution Chael Sonnen, Ryan Parsons, 2017-12-26 Not everyone can achieve a six-pack like a fitness magazine cover model, but anyone can achieve a four-pack. By adjusting your expectations to attainable and healthy goals, you can achieve long-term and lasting fitness. Written by famed MMA fighter Chael Sonnen and MMA sports performance expert Ryan Parsons, The Four-Pack Revolution uses the latest

science and motivational exercises to guide you on a journey toward a healthier and—just as importantly—more sustainable weight-loss program. Instead of a simplistic or one-concept gimmicky diet, The Four-Pack Revolution presents a total-life approach for attainable goals by:

- Debunking the myths and revealing the science of weight loss
- Arguing that “system resets” or breaking your diet can actually have health benefits
- Presenting how to manage key hormones through diet
- Designing intense, 10-minute workouts that are more effective than more time-consuming cardio workouts
- Illustrating the healthy ratio of carbs, fat, protein and how to practice portion control
- Sharing tips for maintaining a plan even while eating out
- Providing a shopping list for a four-week meal plan

With The Four-Pack Revolution, you can achieve a four-pack—while still enjoying life.
