*Advanced Photoshop Elements 6 for Digital Photographers* Philip Andrews,2009-10-27 Think you've exhausted all of the possibilities in Adobe's awesome Photoshop Elements software? Think again. In this fully updated essential guide, Philip Andrews delves deeper into the software than ever before with advanced tips, tricks, and techniques to help the experienced Elements user take their skills to the next level. Move beyond the basics and learn how to work with raw files. Create stunning panoramas without breaking the bank on a pano camera using the Elements Photomerge technology. Create professional-quality multimedia projects in no time. Using easy-to-follow step-by-step instructions as well as full color, inspirational images to demonstrate techniques, Philip shows you how to do all this and more in Advanced Photoshop Elements 6 for Digital Photographers. Don't fall behind the learning curve - instead, let Philip show you how to get one step ahead!

*Advanced Photoshop Elements 4.0 for Digital Photographers* Philip Andrews,2013-10-28 Once you have mastered the basics, this is the book to further develop your skills to get professional results with this affordable software. Under Philip's expert guidance you will be taken to the next level, far beyond Element's basic concepts and skills so you can achieve the optimum results from this powerful package. Philip includes details on how to push Elements to its limits as well as how to manage the digital workflow in general, covering scanner and camera capture techniques, advanced image changes, how to produce darkroom techniques digitally, as well as graphics capabilities and explaining how they all fit together. You will learn how to fix common scanning problems; make the most of dodging and burning-in techniques; adjust images for changes in color balance; set up a color managed workflow and much, much more!

**Advanced Photoshop Elements 7 for Digital Photographers** Philip Andrews,2013-09-05 This essential guide for intermediate/advanced photographers has now been fully updated for Elements 7. Bestselling author and Elements guru Philip Andrews turns his expansive knowledge to this powerful application, delivering, once again, a practical approach in a crystal-clear writing style. For the advanced Elements user, this book offers a standalone guide to advancing knowledge of the software. For those with a little less experience, it works seamlessly in conjunction with Philip's other Elements guide: Adobe Photoshop Elements 7: A visual introduction to digital photography. Philip expands on the solid foundation delivered by that title to deliver a master-guide that shows you just how powerful this deceptively simple software package can be. Throughout the book, Philip takes a pro's approach, emphasising a streamlined, non-destructive workflow. Diverse chapters cover the entire spectrum of photographic potential offered by the software, including key areas such as: darkroom techniques, advanced selection techniques, professional retouching, photo restoration, panoramas, collages, RAW processing and printing. Additionally, the content is supplemented by extra great learning tools available on a brand new website including; downloadable resources, and Elements vodcasts. Essential reading for all photographers using Elements 7.

*Advanced Photoshop Elements 5.0 for Digital Photographers* Philip Andrews,2006-12-18 The only advanced level guide aimed at serious Photoshop Elements users wanting to take their skills to the next level!
