Three Lines in a Circle Michael G. Long, 2021-08-31 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, *Three Lines in a Circle* offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

There Was a Cold Lady Who Swallowed Some Snow! Lucille Colandro, 2012-11-01 Here's the newest twist on the familiar tale of *There Was an Old Lady Who Swallowed A Fly*. There was a cold lady who swallowed some snow. I don't know why she swallowed some snow. Perhaps you know. This time, the old lady is swallowing everything from snow to a pipe, some coal, a hat, and more! With rollicking, rhyming text and funny illustrations, this lively version will appeal to young readers with every turn of the page. And this time, there's a surprise at the end no reader will be able to guess!

Reading-literature Harriette Taylor Treadwell, Margaret Free, 2012 Introduces fables and fairy stories and continues folk tales and simple poems. The material is organized: a group of fables, several groups of folk and fairy stories, a group of Mother Goose, of Rossetti, of Stevenson, and so on; so that the child may get a body, not a mere bit, of one kind of material before passing to another. Thus from the first he is trained to associate related literature and to organize what he reads.--Publishers description.

My Name Is Why Lemn Sissay, 2019-08-29 THE NUMBER ONE SUNDAY TIMES BESTSELLER INDIE BOOK AWARDS NON-FICTION WINNER 'EXTRAORDINARY' The Times, 'BEAUTIFUL' Dolly Alderton, 'SHATTERING' Observer, 'INCREDIBLE' Benjamin Zephaniah, 'UNPUTDOWNABLE' Sunday Times, 'ASTOUNDING' Matt Haig 'POWERFUL' Elif Shafak At the age of seventeen, after a childhood in a foster family followed by six years in care homes, Norman Greenwood was given his birth certificate. He learned that his real name was not Norman. It was Lemn Sissay. He was British and Ethiopian. And he learned that his mother had been pleading for his safe return to her since his birth. This is Lemn's story: a story of neglect and determination, misfortune and hope, cruelty and triumph. Sissay reflects on his childhood, self-expression and Britishness, and in doing so explores the institutional care system, race, family and the meaning of home. Written with all the lyricism and power you would expect from one of the nation's best-loved poets, this moving, frank and timely memoir is the result of a life spent asking questions, and a celebration of the redemptive power of creativity.

Free Voluntary Reading Stephen D. Krashen, 2011-05-18 An eye-opening look at the latest research findings about the success of free voluntary reading in developing high levels of literacy. Free voluntary reading looks better and more powerful than ever. Stephen D. Krashen, PhD, is an advocate for free voluntary reading in schools and has published many journal articles on the subject. *Free Voluntary Reading: Power 2010* collects the last ten years of his extensive work and reconsiders all aspects of this important debate in light of the latest findings. The book provides an accessible examination of topics, such as free voluntary reading's value in language and literary acquisition domestically and worldwide, recent developments in support of free voluntary reading, whether rewards-based programs benefit the development of lifelong reading, the value of phonics in reading instruction, and trends in literacy in the United States.

Reading-Literature Harriette Taylor Treadwell, Margaret Free, 2011-04-01 The Primer is the first book in the Reading-Literature Series by Harriette Treadwell and Margaret Free. Ten delightful folk tales written in a simple style allow children to read the story for themselves. Free and Treadwell saw folktales as the ideal story form to teach reading. The Primer challenges the notion that learning to read has to be a matter of word repetition and phonics drill. The Primer is a republication of the 1910 edition by Living Books Press. Care has been taken to faithfully reproduce the type and illustrations of the original. Includes guidelines for phonics instruction and vocabulary building.

The Idea of Being Free Gina Luria Walker, 2005-12-09 Mary Hays (1759-1843) is often best remembered for her early revolutionary novels *The Memoirs of Emma Courtney* and *The Victim of Prejudice*. In this collection, however, Gina Luria Walker reveals the extraordinary range of Hays's oeuvre. The selections are mainly from Hays's non-fiction writings, including letters, life-writing, political commentary, and essays. The extracts demonstrate her importance as an advanced and innovative thinker, philosophical commentator, and writer of deliberately experimental fiction. This Broadview edition includes a critical introduction and full annotation. Texts by numerous other writers are interleaved chronologically with Hays's writings to illustrate her idiosyncratic intellectual genealogy, how her understanding modulated over time, and the multiple ways in which she influenced

and was influenced by the most significant issues and figures of her age.
