Administrative Law Steven J. Cann,2005-08-11 In this new edition, author Steven J. Cann once again enlivens the topic of United States administrative law through the use of recent and classic legal cases to make it accessible and interesting to students. Administrative Law, Fourth Edition is an engaging casebook that presents a unique problem-solving framework that contrasts democracy with the administrative state. This novel approach places the often complex subject matter of U.S. administrative law into a more comprehensible context. The Fourth Edition has been completely updated and revised and includes many new cases to reflect changes in the law since the year 2000.
