Shahnameh Firdawsī,2006 A new translation of the late-tenth-century Persian epic follows its story of pre-Islamic Iran's mythic time of Creation through the seventh-century Arab invasion, tracing ancient Persia's incorporation into an expanding Islamic empire. 15,000 first printing.

The Epic of Kings, Hero Tales of Ancient Persia Firdausi,2021-11-16 The Epic of Kings, Hero Tales of Ancient Persia Firdausi - The Epic of Kings, Hero Tales of Ancient Persia (The Shahnameh) is an epic poem by the Persian poet Firdausi, written between 966 and 1010 AD. Telling the past of the Persian empire, using a mix of the mythical and historical, it is regarded as a literary masterpiece. Not only important to the Persian culture, it is also important to modern day followers of the Zoroastrianism religion. It is said that the poem was Firdausi's efforts to preserve the memory of Persia's golden days, following the fall of the Sassanid empire. The poem contains, among others, mentions of the romance of Zal and Rudba, Alexander the Great, the wars with Afrsyb, and the romance of Bijan and Manijeh.

Persian Gardens & Garden Pavilions Donald N. Wilber,1994-06-15 This Persian gardening book showcases classic gardens and pavilions and presents gardening advice for the aspiring amateur landscaper looking to add an Eastern flair to his or her yard. The garden has always had a special meaning for Persian (Iran). The Persian garden, with its flowing pools, fountains, waterways, rows of tall trees, rich arrays of fruit trees and flowers, and cool pavilions, has represented an image of paradise. Persian Gardens & Garden Pavilions is both a comprehensive survey and an appreciation of this Persian tradition of gardens and garden pavilions. The text traces the historical development of Persian gardens, describes their basic features, presents existing examples, and discusses the literature and tradition behind them. The 119 illustrations include detailed plans and photographs of surviving gardens and their pavilions made on the spot, as well as a comprehensive collection of paintings, lithographs, and drawings of the nineteenth century executed both by Persian artists and by European travelers and emissaries of the period. The author points out, the gardeners who read this book should come across many details and ideas that can be incorporated into their own kinds of gardens.

Persian Women & Their Ways Clara Colliver Hammond Rice,1923

A Letter to Intellectuals Ahmad Nosrati,2004-03 After an intensive review of political history involving the relations of Iran with the West and with Russia during the period between the French Revolution and the present, it became apparent to me that at the expense of an always strategically important Iranian nation, these global entities were always shaping their policies so as to benefit themselves at the expense of the welfare of the Iranian people. I felt that there was always something shamefully amiss in the dealings of the Western powers and of Russia with our country (that was derived from a once majestic and imperial Persian empire), and that the outcome of such international diplomacy was invariable injurious and detrimental to the integrity of our rich Motherland. While recording my analysis of certain imbalanced circumstances, I sought for a solution to these inequities. I arrived at an answer that I have chosen to term, the Iranian Great Revolution, which depends chiefly upon the careful and thoughtful construction of a new constitution by devoted intellectuals - Iranians and multi-nationals - from all over the world. Such individuals would apply their specialized expertise to the creation of a comprehensive document guaranteeing absolute justice and fairness to all subscribers, and it would not allow for any social or religious abuse to take place. Equality in all relationships - domestic and global - is to be the theme of this writ, and its institution will be the elective choice of the Iranian people. A challenge to all Intellectuals to organize and to achieve this constitutional process is my design.

The Persian Sufis Cyprian Rice,2017-07-28 The author was first introduced to Persian studies when, as a ‘Student Interpreter’ in the Levant Consular Service, he studied Arabic, Persian and Turkish. He realized the value of Persian thought in any attempt to draw East and West together. This book, first published in 1964, is the product of many years of close and constant contact with many Persian writers and academics.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. The Persian Book of Kings B W Robinson,B. W. Robinson,2013-12-16 The Shahnama, written in the tenth century by Firdawsi, is the national epic poem of Persia. It chronicles at great length (nine volumes in the full English translation, currently out of print) the reigns and deeds of the earliest Persian kings, over fifty of them, in four dynasties - the Pishdadians, Kayanians, Ashkanians, and Sasanians. This book, illustrated with early Persian paintings which depict the deeds described, presents in easily accessible language a summary and re-telling of the Shahnama. It covers the entire epic in one volume, includes an introduction, together with lists of kings and dynasties, and thereby provides a concise overview of, and introduction to, this key work.

The Blindfold Horse Shusha Guppy,2004-06-18 In this eloquent memoir, Shusha Guppy recreates the lost world of her childhood in Tehran before the oil boom and the eventual overthrow of the Shah. Long before the momentous Iranian Revolution of 1979, which placed the country under strict religious rule, Shusha Guppy grew up in a Persia delicately balanced between traditional Islamic society and the transforming forces of westernisation. Guppy's magical tales about relatives and friends, music and drama, religious holidays and celebrations are interwoven with myth and legend, poetry and anecdote and provide a rare and optimistic portrayal of Iran; quite at odds with prevailing views of the country today. Through these glimpses of everyday life she makes subtle yet astute social and political observations at a significant time in Iran's history, when the country was caught between the oppressive but stable disciplines of the past and the unsettling freedoms of the future. This is an enlightening and moving testimony of a vanished world: a story as vibrant as Iran itself.
