Read My Pins Madeleine Albright, 2009-09-29 "Jewelry isn't ordinarily a tool of political persuasion, but in this beautiful book, Madeleine Albright, American ambassador to the United Nations and then the nation's first female secretary of state, tells the compelling story of how these small objects became part of her 'personal diplomatic arsenal.'" – The Chicago Tribune From New York Times bestselling author and former secretary of state Madeleine Albright, *Read My Pins* is a story and celebration of how one woman's jewelry collection was used to make diplomatic history. Part illustrated memoir, part social history, *Read My Pins* provides an intimate look at Albright's life through the brooches she wore. Her collection is both international and democratic—dime-store pins share pride of place with designer creations and family heirlooms. Included are the antique eagle purchased to celebrate Albright's appointment as secretary of state, the zebra pin she wore when meeting Nelson Mandela, and the Valentine's Day heart forged by Albright's five-year-old daughter. *Read My Pins* features more than 200 photographs, along with compelling and often humorous stories about jewelry, global politics, and the life of one of America's most accomplished and fascinating diplomats.

Pin Action Gianmarc Manzione, 2014-11-04 Most of us think of bowling as a sport in quotation marks, and bowling alleys are places with disco balls, matching shirts, and funny shoes. But in the 1960s, New York City was the center of action bowling, a form of high-stakes gambling in which

bowlers—often teenagers—faced off for thousands of dollars every night. When money like that is changing hands, you can bet the pressure is on (and the balls are rigged), and losses come with dire consequences. But for a few kids, the world of action bowling would turn out to be a ticket off the mean streets and onto the Professional Bowlers Association Tour. For Ernie Schlegel, it would be a chance to shed his hustler ways and become a bonafide champion. For the more than 100 million bowlers worldwide and for fans of timeless sports histories, *Pin Action* captures the underbelly of 1960s and '70s New York and tells the true story of how the most notorious action bowler of all time became a Hall of Famer. Set in the gritty, flashy, lost world of action bowling, Gianmarc Manzione tells an epic tale filled with seedy characters, uproarious eccentricities, improbable twists of fate, and a rags-to-riches narrative so crazy it has to be true.

The Diamond Pin Carolyn Wells, 2022-07-20 She looked at her aunt in amazement, for Mrs. Pell was a millionaire; then, thinking better of her impulse to voice an indignant protest, Iris got into the car. Immediately, she saw a dollar bill on the seat beside her and she knew that was for the

contribution plate, and the penny was a joke of her aunt's. For Ursula Pell had a queer twist in her fertile old brain that made her enjoy the temporary discomfiture of her friends, whenever she was able to bring it about. To see anyone chagrined, nonplused, or made suddenly to feel ridiculous, was to Mrs. Pell an occasion of sheer delight. To do her justice, her whimsical tricks usually ended in the gratification of the victim in some way, as now, when Iris, thinking her aunt had given her a penny for the collection, found the dollar ready for that worthy cause. But such things are irritating, and were particularly so to Iris Clyde, whose sense of humor was of a different trend. In fact, Iris' whole nature was different from her aunt's, and therein lay most of the difficulties of their living together. For there were difficulties. The erratic, emphatic, dogmatic old lady could not sympathize with the high-strung, high-spirited young girl, and as a result there was more friction than should be in any well-regulated family. And Mrs. Pell had a decided penchant for practical jokes—than which there is nothing more abominable. But members of Mrs. Pell's household put up with these because if they didn't they automatically ceased to be members of Mrs. Pell's household.
