Golden Girl - The Autobiography of the Greatest Ever Ladies' Darts Player Trina Gulliver,2008-01-07 Trina Gulliver is indisputably the finest ladies' darts player in the world. With an amazing seven consecutive Lakeside Ladies' World Championship titles under her belt, this inspirational woman can lay claim to being the most phenomenal player of all time. But it hasn't always been a victorious check-outs for this Warwickshire girl. Qualifying as a joiner at the age of nineteen, Trina soon set up her own business and had her first taste of making it in what has traditionally been a man's world. Her calm head, keen eye and steady hand proved to be useful skills in this trade - and would prove priceless when stepped up to the oche as a professional player. Always a lover of the game, Trina held her first 'arrow' at the age of two, and after some success later in the Warwickshire County side she went full-time as a professional player. Without any sponsorship in her first year, she struggled to make ends meet as she drove all over Europe to play. But her determination to get to the top saw her make it to number ten in the world, and she finally hit the bullseye in the form of a sponsor. Twelve months later she was number one - where she remains to this day. Fiercely passionate about her sport, Trina has long been an outspoken critic of the prize money in the women's game compared to the men's, and has done sterling work in helping to raise the profile of the ladies' game. Professional to the core, Trina works as hard as the top male players on her game, and is a role model to women in the sport. Golden Girl is the story of a woman whose talent, grit and determination saw her realise her dream. Heart-warming and inspirational, this book will appeal to darts lovers and anyone interested in a story of success against the odds.

Slinging Arrows Wayne Mardle,2021-05-20 'Extremely funny' - Guardian Booze, Bullseyes and (more) Booze Humanity has come a long way in the 500,000 years since Neanderthal man first started chucking spears around. Or has it? In his blisteringly funny new book, former professional player Wayne Mardle, whose crowd-pleasing antics were even more lively off stage than they were on, blows the lid off one of the UK's biggest televised sports. Known in darts circles as Hawaii 501 on account of his colourful Hawaiian shirts (yours for just forty-five quid - he's got a garage full of them) Mardle remains one of the planet's most recognisable players, having performed on the world stage during a professional career that saw him play all the greats and, quite frankly, lose to most of them. In this witty (frequently), honest (largely), and poignant (twice) guide to life both on and off the oche, Mardle delivers world-class advice - such as why you shouldn't go on a two-day Vegas booze bender before a major PDC final, or how to avoid going live on European TV with a string of expletives so outrageous that clips are still replayed, years later, on Belgian telly. Some are lessons Mardle learned the hard way; others, like why it's best to avoid being sued by a well-known biscuit manufacturer, are gleaned from green-room gossip spanning decades.

Old Stoneface - My Autobiography John Lowe, 2009-06-08 Since the age of twenty-one, darts has been my life - and what a life! 'John Lowe is one of Britain's greatest ever darts champions. Unruffled on the oche, even in the face of the greatest challenges, 'Old Stoneface', as John is known, became an indomitable force in the darts world. With every major darts accolade under his belt, his name has gone down in the history of the game. It was fate that kick-started John's career in the sport when, one evening, he was asked to take someone's place during a match. Had it not been for this, John would have followed his father down the mine and led quite a different life. In this fascinating book, John speaks candidly of his two marriages, the glamour and the strain brought about by jetting around the world to play in tournaments, as well as tales from all the major matches and what he really thinks about his big-name opponents. A must-read for any sports fan.' 'A must-read for darts fans' - Sid Waddell 'Priceless stuff.' - Andrew Baker, *Daily Telegraph* 'John lifts the lid off darts...something that no other darts player has dared to do thus far.' - *Darts World* magazine

A Psychoanalytic Exploration On Sameness and Otherness Anne-Marie Schlösser, 2019-12-06 In dialogue with the most famous myth for the origin of different languages – The Tower of Babel – *A Psychoanalytic Exploration on Sameness and Otherness: Beyond Babel?* provides a series of timely reflections on the themes of sameness and otherness from a contemporary psychoanalytic perspective. How are we dealing with communication and its difficulties, the confusion of tongues and loss of common ground within a European context today? Can we move beyond Babel? Confusion and feared loss of shared values and identity are a major part of the daily work of psychoanalytic psychotherapists. Bringing together an international range of psychoanalytic practitioners and researchers, the book is divided into six parts and covers an array of resonant topics, including: language and translation; cultural identity; families and children; the cyber world; the psychotherapeutic process; and migration. Whereas the quest for unity, which underpins the myth of Babel, leads to mystification, simplification, and the exclusion of people or things, multilingual communities necessitate mutual understanding through dialogue. This book examines those factors that further or threaten communication, aiming not to reduce, but to gain complexity. It suggests that diversification enriches communication and that, by relating to others, we can create something new. As opposed to cultural and linguistic homogeneity, Babel is not only a metaphor for mangled communication, alienation, and

distraction, it is also about the acceptance or rejection of differences between self and other. This book will be of great interest to psychoanalytic psychotherapists and researchers from a wide variety of backgrounds.
