**Steven Henry Madoff**

**Pop** Gordon Korman, 2013-02-01 Gordon Korman's acclaimed and timely YA novel explores the dangerous side of high school contact sports. Marcus is new in town and is hoping to make the championship high school football team, but it seems like a closed club, run by current star quarterback Troy. One day, while tossing the ball around in a park one day, Marcus meets Charlie, a man in his fifties who can play football like an old pro, which is exactly what he happens to be — a former NFL player and local celebrity. Charlie has boundless energy and coaches Marcus on his fear of being tackled, but as Marcus becomes more involved in this friendship with Charlie, it becomes painfully obvious to him, through the simplicity of Charlie's thoughts, that the long-term effects of the violent plays he suffered during his football glory days have taken their toll on Charlie. With wit and sensitivity, Gordon Korman tackles truths about high school sports, while delivering a poignant story about an unlikely friendship.

**Pop Music and the Press** Steve Jones, 2002 Since the 1950s, writing about popular music has become a staple of popular culture. Rolling Stone, Vibe, and The Source as well as music columns in major newspapers target consumers who take their music seriously. Rapidly proliferating fanzines, websites, and internet discussion groups enable virtually anyone to engage in popular music criticism. Until now, however, no one has tackled popular music criticism as a genre of journalism with a particular history and evolution. Pop Music and the Press looks at the major publications and journalists who have shaped this criticism, influencing the public's ideas about the music's significance and quality. The contributors to the volume include academics and journalists; several wear

both hats, and some are musicians as well. Their essays illuminate the complex relationships of the music industry, print media, critical practice, and rock culture. (And they repeatedly dispel the notion that being a journalist is the next best thing to being a rock star.) Author note: Steve Jones is Professor of Communication at the University of Illinois, Chicago. Among his books are *CyberSociety: Computer-Mediated Communication and Community* (editor) and *Rock Formation: Popular Music, Technology, and Mass Communication*.

**Switched on Pop** Nate Sloan, Charlie Harding, 2019-12-13 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a

single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to shake it like a Polaroid picture, or Luis Fonsi and Daddy Yankee create harmonic ambiguity in Despacito that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

*American Pop Art* Lawrence Alloway, Whitney Museum of American Art, 1974 Catalog of the exhibition: p. viii-xii. Bibliography: p. 133-140. Based on an exhibition organized for and shown at the Whitney Museum of American Art, April 16. 1974, with support from the National Endowment for the Arts.

*Soda Pop Head* Julia Cook, 2011-09-01 There goes Lester. Watch him fester. His ears start to fizz. He gets mad as a griz. His face turns red. He's a Soda Pop Head. You just never know when Lester will blow. His cap will go flying. If it hits you, you'll be crying, so you'd better stay away from Lester today! His real name is Lester, but everyone calls him Soda Pop Head. Most of the time he's pretty happy, but when things seem to be unfair his ears get hot, his face turns red and he blows his top! Lester's dad comes to his rescue by teaching him a few techniques to loosen the top and cool down before his fizz takes control. Soda Pop Head will help your child control his/her anger while helping them

manage stress. It's a must for the home or classroom.

Indigenous Pop Jeff Berglund, Jan Johnson, Kimberli Lee, 2016-03-10 This book is an interdisciplinary discussion of popular music performed and created by American Indian musicians, providing an important window into history, politics, and tribal communities as it simultaneously complements literary, historiographic, anthropological, and sociological discussions of Native culture--Provided by publisher.

The Story of Pop Editors of Caterpillar Books, 2020-07-28 Dust off your mic and learn all about the history of pop music in this adorable board book! **POP!** Sam Horn, 2006-09-05 Why do some ideas break out and others fade away? What causes people to become so excited about a product that they can't wait to tell their friends? How can an idea be communicated so that it catches fire in people's imaginations? Popular author, consultant, and workshop leader Sam Horn identifies what makes an idea, message, or product break out, and presents a simple and proven process?POP! (Purposeful, Original, Pithy)?to create one-of-a-kind ideas, products, and messages that pop through the noise, off the shelf, and into consumers' imaginations.

**Toot and Pop (Read Aloud)** Sebastien Braun, 2013-11-07 The first title in our exciting new vehicle range - perfect for pre-school boys everywhere! Splash into adventure at the harbour with Toot and Pop: two appealing new characters from Sebastien Braun.

**The History of Pop** Ben Hubbard, 2009 Find out how pop music began, who was the world's first pop star, and the different styles of pop music.

**Hop on Pop** Dr. Seuss, 2015-04-14 A sturdy board-book edition of Dr. Seuss's Hop on Pop, now available in a larger size perfect for babies and toddlers! This abridged version of the classic Beginner Book Hop on Pop introduces the youngest readers to the wonderful

world of Seussian wordplay. See RED and NED and TED and ED in BED. And giggle as PAT sits on a HAT and a CAT and a BAT . . . and almost on a cactus! (NO PAT NO, don't sit on that.) A perfect gift for baby showers, birthdays, and happy occasions of all kinds, it is also a great way to show Pop some love on Father's Day!

**Pop Music** Julia Winterson, Peter Nickol, Toby Bricheno, 2003

**Art Into Pop** Simon Frith, Howard Horne, 2016-04-14 This book, first published in 1987, tells the intriguing and culturally complex story of the art school influence on postwar British popular music. Following Romantic attitudes from life class to recording studio, it focuses on two key moments – the early 1960s, when art students like John Lennon and Eric Clapton begin to play their own versions of American rock and blues and inflected youth music with Bohemian dreams, and the late 1970s, when punk musicians emerged from design courses and fashion departments to disrupt what were, by then, art-rock routines. Sixties rock Bohemians and seventies pop Situationists were, in their different ways, trying to solve the art students' perennial problem – how to make a living from their art. Art Into Pop shows how this problem has been shaped by the history of British art education, from its nineteenth-century origins to current arguments about 'pure' and 'applied' training. In their simultaneous pursuit of authenticity and artifice, art school musicians exemplify the postmodern condition, the collapse of any distinction between 'high' and 'low' culture, the confusions of personal and commercial creativity. And so high pop theorists rub shoulders here with low pop practitioners, experimental musicians debate avant-garde ideas with corporate packagers, and artistic integrity becomes a matter of making oneself up.

Pop Art Steven Henry Madoff, 1997-11-15 *Pop Art: A Critical History* chronicles one of the most controversial art movements of the century. The anthology draws from a great range of sources, from the leading art magazines and art historical journals to newspapers and news magazines such as the New York Times, Life, and Newsweek. What emerges from this rich cross-section of critical and journalistic commentary is a fascinating view of the tumultuous rise of Pop art and its establishment as a major force in contemporary art. A broad selection of articles traces the emergence of the movement itself in England and America, as seen through the eyes of the working critics of the day. The focus then narrows to present in-depth writings on the four major Pop artists: Roy Lichtenstein, Claes Oldenburg, James Rosenquist, and Andy Warhol, along with an examination of many other artists involved in the movement. From reviews of the very first shows of many of these artists to interviews with them, to news stories about their collectors and their lifestyles, *Pop Art: A Critical History* represents the most complete and coherent record of Pop art yet published. The book concludes with an invaluable chronology of the major '60s exhibitions by Pop artists. Among the contributors are Lawrence Alloway, John Coplans, Donald Judd, Max Kozloff, Gerald Nordland, Peter Plagens, Barbara Rose, Robert Rosenblum, John Russell, Gene Swenson, and Sidney Tillim.

*Pop Goes the Decade* Kevin L. Ferguson, 2019-09-03 Popular culture in the 1990s often primarily reflected millennial catastrophic anxieties. The world was tightening, speeding up, and becoming more dangerous and dangerously connected. Surely it was only a matter of time before it all came crashing down. *Pop Goes the Decade: The Nineties* explains the American 1990s for all readers. The book strives to be widely representative of 1990s

culture, including the more obvious nostalgic versions of the decade as well as focused discussions of representations of minority populations during the decade that are often overlooked. This book covers a wide variety of topics to show the decade in its richness: music, television, film, literature, sports, technology, and more. It includes an introductory timeline and background section, followed by a lengthy Exploring Popular Culture section, and concludes with a brief series of essays further contextualizing the controversial and influential aspects of the decade. This organization allows readers both a wide exposure to the variety of experiences from the decade as well as a more focused approach to aspects of the 1990s that are still resonant today.

American Pop Arie Kaplan, 2017-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Throbbing disco beats boom at the club. Crowds move to the lively beat of dance pop hits. Fans scream and cheer for teen idols. These are the sounds of pop. After Elvis hit the scene in the 1950s, a distinct youth taste in popular music began to emerge. The sound of pop music has varied greatly in the decades since Elvis, ranging from rock to disco to boy bands to dance pop. But all pop music is defined by catchy melodies and a broad appeal to teens. Find out how it all began. Learn about MTV's role in shaping pop music. Discover the stories of bubblegum pop groups, family bands, dance-pop idols, and disco sensations. And read more about legends such as Paul Anka, Madonna, the Jackson Five, and Katy Perry.

*The Album [4 volumes]* James E. Perone, 2012-10-17 This four-volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years,

from the well-known and mainstream to the quirky and offbeat. *The Album: A Guide to Pop Music's Most Provocative, Influential, and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R&B, hip hop, country, and alternative genres, including artists such as 2Pac, Carole King, James Brown, The Beatles, and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers, as well as descriptions of particular music industry topics pertaining to the development of the album over this 50-year period. Due to its examination of a broad time frame and wide range of musical styles, and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests.
