Parenting Generation Screen Jonathan McKee,2021-08 How do you keep your kids safe in a digital world? Maybe your kids are like so many others these days-too often glued to their smartphones, social media, and streaming entertainment-and you're worried. Or maybe you're wondering how to avoid digital overload. You definitely want your kids to use devices wisely...but how do you -teach them to do that? Many parents wonder: At what age should I buy my kid a phone? How long should I allow my kid to play video games each day? How can I keep my kids safe with the screens they already have? At what age should I allow my kids on social media? What if my teen insists on having their device in their bedroom at night? *Parenting Generation Screen* will not only equip you to set practical screen limits for your kids but also show you how to engage in meaningful conversations with your kids so they learn to be wise in the digital world. Jonathan's expert advice draws upon more than twenty years of working with teenagers and writing about the influence of digital media as well as his experiences in raising three kids (with plenty of devices!). Book jacket.

Rewire Your Heart David Bowden,2018-10-30 Bible teacher and acclaimed spoken-word artist David Bowden reveals the secret to winning the battle with sin. Many Christians believe the only way to fight sin is to grit our teeth, strengthen our resolve, and rise above the onslaught of temptation. But in reality, we have a far better weapon in our struggle with sin than the will-power mantras associated with diet and exercise. This weapon is not saying no to sin but saying yes to God. In *Rewire Your Heart*, David Bowden helps us discover God's plan to overcoming sin by rewiring our desires with the Gospel. When we invite the Holy Spirit to transform our underlying affections with the good news of Jesus, we begin to break free from the patterns of sin, guilt, and determination, and discover the richer fulfillment found in joyfully obeying God's commands.

The Other Sex Work Nora Winter, Morgaine Struve, 2021-08-11 Diese Arbeit ist eine Fallstudienanalyse des zeitgenössischen feministischen akademischen Pornografie-Diskurses. Anhand zweier wissenschaftlicher Artikel werden zwei konkurrierende Diskurse identifiziert und mittels konstruktivistischer Grounded Theory und Diskursanalyse untersucht. Der Clash der Diskurse wird erstens auf sich verändernde Normen zur Sexualität zurückgeführt: Ältere Generationen haben die meisten Machtpositionen innerhalb der Wissenschaft inne und meist restriktive Ansichten darüber, was akzeptable Sexualitäten sind. Zweitens entziehen sich aktuelle Forschungskonventionen innerhalb der Geistes- und Sozialwissenschaften einfachen Erklärungen. Forschende müssen sich diesen Konventionen oder den Sexualitätsnormen anpassen.

Dealing with the rage of power blockers Dr. D. K. Olukoya, 2019-02-06 Powerlessness is the bane of the modern day Church as well as believers. Without the power of God, doing exploits will be difficult, resisting the devil will be hard and reigning in life as well as manifesting the glory of God will be a mirage. This highly anointed book shows you how you can move from powerlessness to the realm of power explosion. It is loaded with winning principles that will terminate the activities of power blockers in your life and turn you to an unstoppable power generator. It is the book your destiny has been waiting for!

Kids' Club Letters Georgia A. DeGangi, Marc A. Nemiroff, 2009-08-26 Kids' Club Letters provides an innovative approach to group psychotherapy for school-aged children who experience a range of social and emotional problems. A narrative therapy approach is adapted, taking the form of letters written by the therapist in the voice of a child who is asking for advice about interpersonal or emotional problems. The child in the letter is asking for guidance from the participants in the group. These letters were devised and written for the purpose of structuring responses in group psychotherapy, allowing the participants to address relevant issues for them individually and at the group level. The children in the groups had previously experienced difficulty discussing these issues spontaneously. Hence the 'Dear Group' letter format was born. The children did not know that the therapist had written the letters.

Integrity Is a Lost Art ,

Apprentice to Jesus CRIS ROGERS, 2020-11-19 Discipleship is central to a life of faith – and the Bible model of discipleship is more like apprenticeship than simply learning. This book is designed to help you not simply learn about what Jesus knew, but become more like Jesus by doing what he did. At the heart of this resource is a self-assessment process, called the 'Disciple-Making Tool', which helps you discern your 'shape' as a disciple: whether your strengths lie particularly in your hands, in contributing, creating and leading; in your heart, in loving, appreciating and belonging; or in your head, in knowing, thinking and understanding. Though many disciples can be overdeveloped in one area and underdeveloped in another, Jesus invites us to grow in all three areas in developing towards Christian maturity. These daily readings – which include Bible passages, reflections, exercises and prayer - will help you journey step by step in your spiritual formation for the sake of reaching the world.

Summary of Gary Wilson's Your Brain on Porn Everest Media, 2022-05-27T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The human mind is shaped by the intersection of two powerful forces: biology and culture. The brain is a highly flexible organ, but it is also an accident of evolution with numerous constraints. The written word has profoundly changed how we think, but literacy does not emerge spontaneously from human sociability. #2 Pornography is a great example of how digital technology allows us to withdraw from ordinary interaction. It is a phenomenon that has grown exponentially in the last decade, even though it has remained largely invisible and

undetected by society. #3 The threat that internet pornography poses can be traced to the effects it has on the reward circuitry of the brain. This reward circuitry comprises a complex system that learns and changes with experience. It is sensitive to many different sorts of rewards. #4 The ventral striatum is also activated by rewards that depend on social context. For instance, stimuli that signal financial gains and increase in social status also activate the ventral striatum.

Growing Up with Risk Thom, Betsy, Sales, Rosemary, Jenny J. Pearce, 2007-05-16 This book provides a critical analysis of ways in which risk assessment and management are defined and applied in policy, theory and practice in relation to children and young people. It explores the complexities of balancing responsibility for protecting the young with the benefits of risk-taking and the need to allow experimentation.

Man Up and Own It (Paperback) Neal Hayes,

Clean Douglas Weiss, 2013 Clean also offers a unique theological perspective on the true nature of this battle. The enemy of our souls uses sexual addiction as a distraction to keep believers from pursuing their God-given purpose. However, as Dr. Weiss pulls back the curtain on this charade, men will discover the power of God's love to restore their souls and reclaim their lives.

The Right to Sex Amia Srinivasan, 2021-09-21 "Laser-cut writing and a stunning intellect. If only every writer made this much beautiful sense." —Lisa Taddeo, author of *Three Women* "Amia Srinivasan is an unparalleled and extraordinary writer—no one X-rays an argument, a desire, a contradiction, a defense mechanism quite like her. In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles, *The Right to Sex* is a bracing revivification of a crucial lineage in feminist writing: Srinivasan is daring, compassionate, and in relentless search of a new frame." —Jia Tolentino, author of *Trick Mirror: Reflections on Self Delusion* Thrilling, sharp, and deeply humane, philosopher Amia Srinivasan's *The Right to Sex: Feminism in the Twenty-First Century* upends the way we discuss—or avoid discussing—the problems and politics of sex. How should we think about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. How should we talk about sex? Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity—its deep ambivalences, its relationship to gender, class, race and power—we need to move beyond yes and no, wanted and unwanted. We do not know the future of sex—but perhaps we could imagine it. Amia Srinivasan's stunning debut helps us do just that. She traces the meaning of sex in our world, animated by the hope of a different world. She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon. She discusses a range of fraught relationships—between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, students and teachers, pleasure and power, capitalism and liberation. *The Right to Sex: Feminism in the Twenty-First Century* is a provocation and a promise, transforming many of our most urgent political debates and asking what it might mean to be free.

Politicizing Rape and Pornography Trine Rogg Korsvik, 2020-10-24 This book examines how feminist movements in Norway and France have politicized rape, pornography and sexual exploitation of women from the 1970s to the present. Through a cross-national comparison, it provides insights into why the fight against rape became top priority for French feminists in the 1970s; what kind of strategies the feminist movements used when politicizing sex and violence; who the opponents of the feminist mobilizations were, and who the allies were; as well as what the feminist movements achieved and what the costs of the battles were. This book provides historical context for contemporary and contentious debates about the

tension between feminism and sexual freedom, about sexual liberation and abuse, and about the limits of freedom of expression. This text is relevant for students in history, sociology, health, political science, comparative politics and interdisciplinary gender studies. It is also relevant for researchers and activists who are concerned with the history of feminism, feminist politics and sexual politics.

Lost Dogs Lucie Pagé, 2023-04-01 In this darkly funny debut from Lucie Pagé, characters collide in unexpected ways as they search to create meaning in their lives. A university English sessional teacher searches for his missing blind pit bull, not entirely aware that his relationship is coming unraveled. Katherine, his girlfriend, pays far more attention to her walk-on role in an alternative theatre production. Fourteen-year-old Becca struggles to get her mother's attention, while her mother provides calorie-wise snacking and fashion advice and dates Becca's psychologist. Karl fails to control his embarrassing and shameful bad habit at his dead-end telemarketing job. Pagé weaves together narratives that speak of people adrift in the conflicting tides of the first decades of the twenty-first century in a novel that echoes the works of Lynda Barry.

Sex Addiction Paula Hall, 2019-02-04 *Sex Addiction: A Guide for Couples and Those Who Help Them* is a practical book that provides empathic support, guidance, information and pragmatic strategies for couples who want to survive sex and porn addiction - whether that's together, or apart. Sex and porn addiction devastates couple relationships, and unlike the impact of infidelity, there is no 'before' to get back to and no 'after'. This book adopts the metaphor of a boat, presenting addiction as the tidal wave that devastates the relationship, leaving both crew members fighting for survival. There's guidance to ensure each partner makes it safely back to shore and advice on surveying the damage to your relationship and deciding if you want to save it and set sail again. You'll find practical advice for both the partner and the addicted partner, including first-hand accounts of couples that have already undertaken the journey. There are exercises to do alone, and many to share together, to help you understand what's happened, consider your future, and if you choose to stay together, begin the task of rebuilding trust and intimacy. *Sex Addiction* is not only a practical guide for couples, but also for the therapists who support them. This book will be a companion to Paula Hall's previous books on sex addiction and builds on the already known frameworks and models used, but it is also written to stand alone.
