The quotes in John Wayne Speaks are at once inspirational, humorous, touching, and revealing. But John Wayne Speaks is more than just a collection of the actor's movie lines. Orwoll has researched and written an in-depth introduction to Wayne's film career to put the quotes in a broader context. Movie-lovers will also appreciate the author's opinionated capsule reviews and production notes from Wayne's complete filmography. We Tell Ourselves Stories in Order to Live Joan Didion,2006-10-17 From the bestselling, award-winning author of The Year of Magical Thinking and Let Me Tell You What I Mean, this collection includes seven books in one volume: the full texts of Slouching Towards Bethlehem; The White Album; Salvador; Miami; After Henry; Political Fictions; and Where I Was From. As featured in the Netflix documentary Joan Didion: The Center Will Not Hold. Joan Didion's incomparable and distinctive essays and journalism are admired for their acute, incisive observations and their spare, elegant style. Now the seven books of nonfiction that appeared between 1968 and 2003 have been brought together into one thrilling collection. Slouching Towards Bethlehem captures the counterculture of the sixties, its mood and lifestyle, as symbolized by California, Joan Baez, Haight-Ashbury. The White Album covers the revolutionary politics and the "contemporary wasteland" of the late sixties and early seventies, in pieces on the Manson family, the Black Panthers, and Hollywood. Salvador is a riveting look at the social and political landscape of civil war. Miami exposes the secret role this largely Latin city played in the Cold War, from the Bay of Pigs through Watergate. In After Henry Didion reports on the Reagans, Patty Hearst, and the Central Park jogger case. The eight essays in Political Fictions—on censorship in the media, Gingrich, Clinton, Starr, and "compassionate conservatism," among others—show us how we got to the political scene of today. And in Where I Was From Didion shows that California was never the land of the golden dream.

QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories James E. McCullough,2021-11-08 QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories By: Dr. Neenah Boyd QUOTES ARE a dime a dozen. They uplift, inspire, and encourage. They change a person's perspectives and enlighten. Reading a quote can affirm previous thoughts or offer a new look at a situation. Some quotes can have an opposite effect that disproves a previous thought, which can be healthy. EACH QUOTE or thought in QUOTES PLUS: A Book of Quotes & Thoughts of a Deep Thinker Plus True Short Stories has a companion quote or thought on the next line. Some are brief, memorable, and easily quotable. Two true short stories follow the quotes and thoughts. One is about a thank-you letter sent to the author by His Royal Highness, Prince

Charles of Wales. The other is about the replica of Noah’s Ark in Kentucky, USA. The entire book of quotes, thoughts, and short stories are originals and come from the author’s depth of education, professional life of thirty years as a Speech/Language Pathologist with a niche working with gifted junior high students, extensive Jewish and Christian theology, practice of the 613 commandments, and leadership thereof; as well as business world experience as the Founder, CEO/CFO of a humanitarian nonprofit, and roles in Toastmasters International, which is the organization that helps adults improve their public speaking and leadership skills. THE AUTHOR believes everyone can be more successful than they are with the right tools and inspiration. The short stories are loaded with inspiration that will leave the reader highly encouraged. This book was written so that the contents would be widely quoted, shared, given as gifts, used to bolster articles, research papers, etc. Cover design and photos were done by the author’s fantastic husband and greatest supporter, William Boyd.

**I Like Words** Maria Quinn,2017-11-29 Quotes, ponderings, truisms, proverbs, and more for every state of mind. Inspirational and motivational quotes? Check. Melancholy and depressing quotes? Check. Angry and bitter quotes? Check. Funny sayings and weird shit? Check all over that. With each minimalistic quote occupying its very own page there is ample space to doodle or make notes as you please; make each quote your own! From inside: I'll keep this short; you're here for the quotes not my ramblings, right? Some people collect cards, stamps, or bottle caps, but I collect words. Over the years I've collected words I fancied from books, people, tv, and the internet in a little book I carried everywhere with me. Before I knew it, I had amassed over 2000 quotes, ponderings, truisms, proverbs, and more. Most quote books have a theme of 'happy' or 'inspirational;' this book has those too, but it also has angry, depressing, funny, and weird quotes for every mood. Being an artist I thought about illustrating each quote, but then I realized the internet is over saturated with whimsically designed quotes so I decided on a minimalistic theme to let the words speak for themselves. Each quote has its own page with ample space to doodle or make notes as you please. Unfortunately, giving each quote it's own page would result in a ten inch book, so I've split it into three manageably sized volumes. I truly hope you enjoy all volumes and would love to hear and see your feedback. Enjoy!

**The soldier's quote book** R. Dale Jeffery,2000

**Power Quotes** Daniel B. Baker,1992 In this easy-to-use and fun-to-read collection of more than 4,000 quotes, politicians and philosophers, poets and priests, CEOs and comedians all share their views on leadership and liberty, treason and triumph, sacrifice and scandal, risk and rebellion, weakness and war, and other affaires politiques. For instance, Groucho Marx on politics: Politics is the art of looking for trouble, finding it everywhere, diagnosing it incorrectly and applying the wrong remedies. A Visible Ink bestseller since the reign of George the Senior, it just keeps going and going. Apparently good quotes, like fine wine, just get better with age. Or maybe it's the back cover copy. With Power Quotes, readers can learn what Plato and Aristotle had to say about democracy, and find Mark Twain musing on any number of topics, including: Its name is Public Opinion. It is held in reverence. It settles everything. Some think it is the voice of God. Or look up the self-serving statements James I made to Parliament about the divine nature of kings (he was for it). Richard Nixon's postmortem on Vietnam: Rarely have so many people been so wrong about so much. Selected with impeccable judgment by quote master Daniel Baker, the quotes are organized under 50 themes such as ethics, monarchy, politics, public opinion, taxes, war and peace, and women in politics, and then arranged chronologically, with sources fully cited.
