

Rage

William H. Grier, Price M. Cobbs

Rage Bob Woodward, 2021-09-14 An account of the Trump presidency draws on interviews with firsthand sources, meeting notes, diaries, and confidential documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest.

Rage Ronald Potter-Efron, 2007-04-01 Powerful Tools for Overcoming Extreme Anger Do you or someone you care about experience episodes of extreme and unpredictable anger? Intense rages that threaten relationships, jobs, property-or worse? The first thing you need to know is that you are not alone. Researchers estimate that some 7 percent of Americans may at some time experience a condition called intermittent explosive disorder (IED), which is characterized by reoccurring periods of extraordinary anger, and millions more have less frequent yet equally damaging experiences with rage. The second thing you need to know is that there is help. Rage can be calmed and controlled with good advice and a practical, effective plan for change. From renowned anger expert Ronald Potter-Efron, this book breaks down rage into four types: In survival rage, anger is triggered by a sense of danger or threat; feelings of helplessness can trigger impotence rage; the third type, abandonment rage, is triggered by a fear of losing a cherished relationship; and shame rage occurs when someone feels very disrespected. Rage briefly discusses how the brain functions during extreme emotion, and then it turns to the task of helping you stop episodes of rage-right now! In classic Potter-Efron style, the book places the responsibility for control squarely on the shoulders of the angry individual. There is no room in this dangerous situation for whys and because. Instead, Rage offers no-nonsense, step-by-step anger management tools that really work.

The Case for Rage Myisha Cherry, 2021-10-04 Anger has a bad reputation. Many people think that it is counterproductive, distracting, and destructive. It is a negative emotion, many believe, because it can lead so quickly to violence or an overwhelming fury. And coming from people of color, it takes on connotations that are even more sinister, stirring up stereotypes, making white people fear what an angry other might be capable of doing, when angry, and leading them to turn to hatred or violence in turn, to squelch an anger that might upset the racial status quo--

Black Rage William H. Grier, Price M. Cobbs, 1968

Rage Jackie Morse Kessler, 2011-04-04 Jackie Morse Kessler's *Riders of the Apocalypse* series follows teens who are transformed into the Four Horsemen of the Apocalypse. In the second book of the series, *Rage*, a teenage cutter becomes War, one of the Riders of the Apocalypse. Missy didn't mean to cut so deep. But after the party where she was humiliated in front of practically everyone in school, who could blame her for wanting some comfort? Sure, most people don't find comfort in the touch of a razor blade, but Missy always was . . . different. That's why she was chosen to become one of the Four Horsemen of the Apocalypse: War. Now Missy wields a new kind of blade—a big, brutal sword that can cut down anyone and anything in her path. But it's with this weapon in her hand that Missy learns something that could help her triumph over her own pain: control. A unique approach to the topic of self-mutilation, *Rage* is the story of a young woman who discovers her own power and refuses to be defeated by the world. *Rage* includes a teaser chapter of the next book in the *Riders of the Apocalypse* series, *Loss*.

Terminal Rage A.M. Khalifa, 2014-04-28 A ruthless terrorist with no past. A burned-out hostage negotiator with no future. And a clock ticking towards

utter carnage unless a puzzle is solved: Who is he?

Love and Rage Lama Rod Owens, 2020-06-16 A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state-sanctioned violence, how can we metabolize our anger into a force for liberation? White supremacy in the United States has long necessitated that Black rage be suppressed, repressed, or denied, often as a means of survival, a literal matter of life and death. In *Love and Rage*, Lama Rod Owens, coauthor of *Radical Dharma*, shows how this unmetabolized anger--and the grief, hurt, and transhistorical trauma beneath it--needs to be explored, respected, and fully embodied to heal from heartbreak and walk the path of liberation. This is not a book about bypassing anger to focus on happiness, or a road map for using spirituality to transform the nature of rage into something else. Instead, it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation. *Love and Rage* weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy, practical meditation exercises, mindfulness, tantra, pranayama, ancestor practices, energy work, and classical yoga. The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger--and yet who refuse to relent. It is a necessary text for these times.

Rage is Back Adam Mansbach, 2013 Adventure fiction. Suspense fiction. Science fiction. From the author of *Go the F*** to Sleep*. Raised in the shadow of two graffiti legends from New York's golden era of subway bombing, Dondi Vance is less than thrilled to learn his father, Billy Rage, is back after sixteen years on the lam. But the transit cop who ruined Billy's life and shattered his crew is running for mayor--and must be brought down.

Collective Rage: A Play in Five Betties Jen Silverman, 2018-01-24 In *Collective Rage*, the lives of five very different New York women named Betty collide at the intersection of anger, sex and "theat-ah." As they meet, fall in love, rehearse, revel and rage, they realise that they've been stuck reading the same scripts for far too long. They all come from different backgrounds, and are bored or angry about different things, but the Betty's - each one numbered 1-5 - come together to rehearse a new version of *Pyramus and Thisbe*, the play within a play in *A Midsummer Night's Dream*. What follows are discoveries, transformations and raucous comedy. Hitting the ring with an electrifying soundtrack, looks to kill and spectacular routines, this outrageous comedy packs the punch to shatter lacquered femininity into a thousand glittering pieces. Strongly influenced by cabaret and female drag, this exquisite rejection of shame and stereotype will punch you in the gut, break your heart and then take you dancing. *Collective Rage* had its UK premiere at the Southwark Playhouse.

Black Rage William H. Grier, Price M. Cobbs, 1969 This acclaimed work by two black psychiatrists has established itself as the classic statement of the desperation, conflicts, and anger of black life in America.

White Rage Carol Anderson, 2020-07-23 THE NEW YORK TIMES BESTSELLER From the Civil War to our combustible present, *White Rage* reframes the continuing conversation about race in America, chronicling the history of the powerful forces opposed to black progress. Since the abolishment of slavery in 1865, every time African Americans have made advances towards full democratic participation, white reaction has fuelled a rollback of any gains. Carefully linking historical flashpoints - from the post-Civil War Black Codes and Jim Crow to expressions of white rage after the election of America's first black

president - Carol Anderson renders visible the long lineage of white rage and the different names under which it hides. Compelling and dramatic in the history it relates, *White Rage* adds a vital new dimension to the conversation about race in America. 'Beautifully written and exhaustively researched' CHIMAMANDA NGOZI ADICHIE 'An extraordinarily timely and urgent call to confront the legacy of structural racism' NEW YORK TIMES BOOK REVIEW 'Brilliant' ROBIN DIANGELO, AUTHOR OF *WHITE FRAGILITY*

Rage Matthew Costello, 2011-08-30 An action-packed adventure based on the award-winning videogame from id Software, the creators of DOOM® and QUAKE®, *Rage* follows one man's fight to save the future of humanity in a ravaged, post-apocalyptic world. The asteroid Apophis has annihilated Earth, and only a small percentage of humanity's best and brightest have been saved. Buried deep below the ground in life-sustaining Arks, these chosen few are tasked with one vital mission—to restore civilization to a devastated planet hundreds of years after the impact. When Lieutenant Nick Raine emerges from his Ark, he finds a future indistinguishable from nightmare. Humankind has not been entirely destroyed on the surface world, and a primitive new society has emerged in which life is nasty, brutish, and short. Mutants and bandits prey upon the weak, and a mysterious military group known as the Authority preys upon everyone. Worst of all, a would-be tyrant seeks to impose his will upon the shattered planet. Armed with nothing more than his combat training and survival instincts, Raine must rise to meet the challenges of the wasteland. From the Trade Paperback edition.

A Cup of Rage Raduan Nassar, 2017-01-31 A small, furious masterpiece of dominance and submission. A pair of lovers—a young female journalist and an older man who owns an isolated farm in Brazil—spend the night together. The

next day they proceed to destroy each other. Amid vitriolic insults and scorching cruelty, their sexual adventure turns into a savage power game between two warring egos. This intense, erotic masterpiece—written by one of Brazil's most highly regarded modernists—explores alienation, arrogance, machismo meltdown, the desire to dominate, and the wish to be dominated.

American Rage Steven W. Webster, 2020-08-27 Anger is the central emotion governing US politics, lowering trust in government, weakening democratic values, and forging partisan loyalty.

White Rage Carol Anderson, 2016-05-31 National Book Critics Circle Award Winner New York Times Bestseller USA Today Bestseller A New York Times Notable Book of the Year A Washington Post Notable Nonfiction Book of the Year A Boston Globe Best Book of 2016 A Chicago Review of Books Best Nonfiction Book of 2016 From the Civil War to our combustible present, acclaimed historian Carol Anderson reframes our continuing conversation about race, chronicling the powerful forces opposed to black progress in America. As Ferguson, Missouri, erupted in August 2014, and media commentators across the ideological spectrum referred to the angry response of African Americans as “black rage,” historian Carol Anderson wrote a remarkable op-ed in The Washington Post suggesting that this was, instead, white rage at work. With so much attention on the flames, she argued, everyone had ignored the kindling. Since 1865 and the passage of the Thirteenth Amendment, every time African Americans have made advances towards full participation in our democracy, white reaction has fueled a deliberate and relentless rollback of their gains. The end of the Civil War and Reconstruction was greeted with the Black Codes and Jim Crow; the Supreme Court's landmark 1954 Brown v. Board of Education decision was met with the shutting down of public schools

throughout the South while taxpayer dollars financed segregated white private schools; the Civil Rights Act of 1964 and Voting Rights Act of 1965 triggered a coded but powerful response, the so-called Southern Strategy and the War on Drugs that disenfranchised millions of African Americans while propelling presidents Nixon and Reagan into the White House, and then the election of America's first black President, led to the expression of white rage that has been as relentless as it has been brutal. Carefully linking these and other historical flashpoints when social progress for African Americans was countered by deliberate and cleverly crafted opposition, Anderson pulls back the veil that has long covered actions made in the name of protecting democracy, fiscal responsibility, or protection against fraud, rendering visible the long lineage of white rage. Compelling and dramatic in the unimpeachable history it relates, *White Rage* will add an important new dimension to the national conversation about race in America.

All the Rage Darcy Lockman, 2019-05-07 Why do men do so little at home? Why do women do so much? Why don't our egalitarian values match our lived experiences? Journalist-turned-psychologist Darcy Lockman offers a clear-eyed look at the most pernicious problem facing modern parents—how progressive relationships become traditional ones when children are introduced into the household. In an era of seemingly unprecedented feminist activism, enlightenment, and change, data shows that one area of gender inequality stubbornly persists: the disproportionate amount of parental work that falls to women, no matter their background, class, or professional status. *All the Rage* investigates the cause of this pervasive inequity to answer why, in households where both parents work full-time and agree that tasks should be equally shared, mothers' household management, mental labor, and childcare

contributions still outweigh fathers'. How, in a culture that pays lip service to women's equality and lauds the benefits of father involvement—benefits that extend far beyond the well-being of the kids themselves—can a commitment to fairness in marriage melt away upon the arrival of children? Counting on male partners who will share the burden, women today have been left with what political scientists call unfulfilled, rising expectations. Historically these unmet expectations lie at the heart of revolutions, insurgencies, and civil unrest. If so many couples are living this way, and so many women are angered or just exhausted by it, why do we remain so stuck? Where is our revolution, our insurgency, our civil unrest? Darcy Lockman drills deep to find answers, exploring how the feminist promise of true domestic partnership almost never, in fact, comes to pass. Starting with her own marriage as a ground zero case study, she moves outward, chronicling the experiences of a diverse cross-section of women raising children with men; visiting new mothers' groups and pioneering co-parenting specialists; and interviewing experts across academic fields, from gender studies professors and anthropologists to neuroscientists and primatologists. Lockman identifies three tenets that have upheld the cultural gender division of labor and peels back the ways in which both men and women unintentionally perpetuate old norms. If we can all agree that equal pay for equal work should be a given, can the same apply to unpaid work? Can justice finally come home?

States of Rage Renee R. Curry, Terry L. Allison, 1996 States of Rage permeate our culture and our daily lives. From the anti-Catholic protests of ACT-UP to the political posturing of Al Sharpton, from the LA Riots to anti-abortion gunmen murdering clinic personnel, the unleashing of rage, marginalized or

institutional, has translated into dead bodies on our campuses and city streets, in our public buildings and in our homes. Rage seems to have gained a currency in the past decade which it previously did not possess. Suddenly we appear willing to employ it more often to describe our own or others' mental states or actions. Rage succinctly describes an ongoing emotional state for many residents and citizens of the United States and elsewhere. States of Rage gathers for the first time a critical mass of writing about rage--its function, expression, and utilities. It examines rage as a cultural phenomenon, delineating its use and explaining why this emotional state increasingly intrudes into our social, artistic, and academic existences. What is the relationship between rage and power(lessness)? How does rage relate to personal or social injustice? Can we ritualize rage or is it always spontaneous? Finally, what provokes rage and what is provocative about it? Essays shed light on the psychological and social origins of rage, its relationship to the self, its connection to culture, and its possible triggers. The volume includes chapters on violence in the workplace, the Montreal massacre, female murderers, the rage of African- American filmmakers, rage as a reaction to persecution, the rage of AIDS activists, class rage, and rage in the academy.

Rage Wilbur Smith, 2018-01-01 A Courtney series adventure - Book 3 in The Burning Shore sequence THE FUTURE OF A COUNTRY. THE END OF A FAMILY. The year is 1952. Ruthlessly guided by Shasa Courtney and Centaine Malcomess, the Courtney family empire is central to the lives of both white and black South Africans alike. While Shasa, heir to the Courtney fortunes, dreams of uniting his divided, beloved country, Apartheid threatens to destroy everything he holds close. Out of options, his half-brother Manfred persuades him to join

South Africa's right-wing National Party, hoping to moderate their dangerous policies from within. But as the fires of revolution burn more intensely on the horizon, Manfred desperately tries to keep the secrets he cannot afford to be revealed - secrets he is willing to kill to hide - while, Shasa, in his bloody quest for power, will be tested in ways he could never imagine. When the terrible struggle for the future of South Africa is finally over, the Courtney family will never be the same - and many will pay a terrible price . . . Rage is the powerful third novel in Wilbur Smith's The Burning Shore sequence, which became an instant global bestseller

Rage Philip Friedman, 1972 Dan Logan and his son have been exposed accidentally to experimental nerve gas.

Why We Rage Melissa Mayer, 2020-02-06 Have you ever flown off the handle with your best friend or sibling? Maybe you were just so angry, but you didn't really know why. The answer is in the science of rage! Whether you keep your anger bottled up or sometimes lash out without meaning to, life can sometimes feel emotional. But next time you or your friends get cross, you'll understand what's really going on in your brains. Plus, you'll learn tips for decoding aggressive body language and how to listen when your anger is telling you something is wrong. Find out what's happening in your body and how anger can actually be useful. But keep your head! Mental health is still important, so when rage and aggressive feelings have crossed the line, you'll also learn when it's time to reach out for help.

Rage: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts

of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Rage : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time.

Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
