*Rally*, 2020-08-01 This is a prayer book for revolution—a revolution of love and compassion and justice, Shane Claiborne writes in the foreword. The prayers in this collection are meant to be prayed in community. *Rally* is a prayer book for faith communities searching for words to respond to the injustices around them. It's a prayer book for Christian activists who believe in putting feet to their prayers. The book supplies words for concerned Christians who yearn to lift their voices to God about such issues as racism; the abuse of power and privilege; mistreatment of migrants and refugees; lives tragically lost; our violent society; white supremacy; and people being marginalized because of their gender, ethnic identity, sexual orientation, or economic status. *Rally* contains prayers for perpetrators, for loving our bodies, for listening to one another, for those who have been wounded by the church. In this resource, readers will find prayers that evoke hope and connection, guidance for sifting through the news and social media headlines, laments about destruction of the earth, and pleas for loving alike though we don't think alike. The beauty of this book lies in the rich

variety of voices and experiences of its writers—leaders who work at the intersection of Christianity and social justice and who want to resource those who gather to lament the needs and celebrate the possibilities of a better world. Lord, stir us up to holy action, cries this powerful book. Rally spurs people to compassionately continue the important work of loving God and neighbor until all of God's people feel safe and seen.
