Help N. Y.) Metropolitan Museum of Art (New York,1997-04-01 This stylish wire-bound book is divided into 120 alphabetical categories -- from auto repair and baby-sitters to plumbers and travel agents -- giving people a handy place to record names, numbers, and notes on all of their favorite service providers, shops, and restaurants. There is also room to list who gave the recommendation. Throughout, vintage black-and-white cartoons by W. Heath Robinson from the museum's collection provide witty commentary on the trials and tribulations of running a home -- and make Help! a great house present as well as an invaluable ready-reference.

One for the Record George Plimpton,2016-04-26 The inside story of Hank Aaron's chase for the home run record, repackaged and with a foreword by Bob Costas and new material from the Plimpton Archives. In ONE FOR THE RECORD, George Plimpton recounts Hank Aaron's thrilling race to become the new home run champion. Amidst media frenzy and death threats, Aaron sought to beat Babe Ruth's record. In 1974, he finally succeeded. A fascinating examination of the psychology of baseball players, ONE FOR THE RECORD gives an absorbing account of the men on the mound who had to face Aaron. But the book's true genius lies in the portrait of Aaron himself, and his discussions on his philosophy on hitting and the game of baseball.

The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

Permanent Record Edward Snowden,2019-09-17 NEW YORK TIMES BESTSELLER Edward Snowden, the man who risked everything to expose the US government's system of mass surveillance, reveals for the first time the story of his life, including how he helped to build that system and what motivated him to try to bring it down. In 2013, twenty-nine-year-old Edward Snowden shocked the world when he broke with the American intelligence establishment and revealed that the United States government was secretly pursuing the means to collect every single phone call, text message, and email. The result would be an unprecedented system of mass surveillance with the ability to pry into the private lives of every person on earth. Six years later, Snowden reveals for the very first time how he helped to build this system and why he was moved to expose it. Spanning the bucolic Beltway suburbs of his childhood and the clandestine CIA and NSA postings of his adulthood, *Permanent Record* is the extraordinary account of a bright young man who grew up online—a man who became a spy, a whistleblower, and, in exile, the Internet's conscience. Written with wit, grace, passion, and an unflinching candor, *Permanent Record* is a crucial memoir of our digital age and destined to be a classic.

The Eternal Criminal Record James B. Jacobs,2015-02-09 For 60 million Americans a criminal record overshadows everything else about their identity. Citizens have a right to know when someone around them represents a threat. But convicted persons have rights too. James Jacobs examines the problem of erroneous records and proposes ways to eliminate discrimination for those who have been rehabilitated.

On Record Beverley Diamond,2021-05-12 Musical media and the audio recording industry have an important and complex history in Newfoundland and Labrador: professional musicians, community songwriters, local institutions, and even politicians have gone on record. The result is a widespread body of work that undercuts the idea of recorded music as a cultural commodity and deepens the province's tradition of cultural activism. Drawing on contemporary testimony and over fifty years of interviews, *On Record* explores how recording projects have served as sonic signatures, forms of protest, homage, or parody of the foibles of those in power. Beverley Diamond examines how audio recording in Newfoundland and Labrador has been shaped not merely by creative individuals, but by such events as resettlement, residential schools, the cod moratorium, technological change, and disasters that have befallen those who live and work on the North Atlantic. A chapter by ethnomusicologist and musician Mathias Kom examines the widespread response to a unique annual challenge to make an audio recording. Spanning both commercial and community-oriented initiatives, this book reflects the vibrant, socially engaged, and resilient nature of communities that value simultaneously and equally the highest professional standards and the creative potential of every citizen. Encompassing music from both settler and Indigenous communities, *On Record* redefines the culture of a province that has most often been associated with traditional music, demonstrating that recording goes beyond the creation of a commodity: it responds to the present and to constructs of public memory.
