Courtney Phillips

A Gentle Reminder Bianca Sparacino,2020-11 A gentle reminder, for the days you feel light in this world, and for the days in which the sun rises a little slower. A gentle reminder for when your heart is full of hope, and for when you are learning how to heal it. A gentle reminder for when you finally begin to trust in the goodness, and for when you need the kind of words that hug your broken pieces back together. A gentle reminder for when growth hangs heavy in the air, for when you need to tuck your strength into your bones just to make it to tomorrow. A gentle reminder for when you are balancing the messiness, and the beauty, of what it means to be human, when you are teaching yourself that it is okay to be both happy and sad, that you are real, not perfect. A gentle reminder for when you seek the words you needed when you were younger. A gentle reminder for when you need to hear that you deserve to be loved the way you love others. A gentle reminder for when you need to recognize that you are not your past, that you are not your faults. A gentle reminder for when you need to believe in staying soft, in continuing to be the kind of person who cares. A gentle reminder for when you need to believe in loving deeply in a world that sometimes fails to do so. A gentle reminder to keep going. A gentle reminder to hope--

The Reminders Val Emmich,2017-05-30 From the author of Dear Evan Hansen, The Reminders is perfect for fans of J. Courtney Sullivan's The Engagement or Graeme Simsion's The Rosie Project, and follows what happens when a girl who can't forget befriends a man who's desperate to remember. Grief-stricken over his partner Sydney's death, Gavin sets fire to every reminder in the couple's home before fleeing Los Angeles for New Jersey, where he hopes to find peace with the family of an old friend. Instead, he finds Joan. Joan, the family's ten-year-old daughter, was born Highly Superior Autobiographical Memory, or HSAM: the rare ability to recall every day of her life in cinematic detail. Joan has never met Gavin until now, but she did know his partner, and waiting inside her uncanny mind are startlingly vivid memories to prove it. Gavin strikes a deal with Joan: in return for sharing her memories of Sydney, Gavin will help her win a songwriting contest she's convinced will make her unforgettable. The unlikely duo set off on their quest until Joan reveals unexpected details about Sydney's final months, forcing Gavin to question not only the purity of his past with Sydney but the course of his own immediate future. Told in the alternating voices of these two irresistible characters, The Reminders is a hilarious and tender exploration of loss, memory, friendship, and renewal.

Leviticus 1–27 for All People: a Reminder Book–Remember Maryland J. Harrison,2014-05-06 This is a reminder book from the Holy Bible, both Old and New Testament conformation. This idea came to me from God, and this is the way I was lead to do the book to get people back to reading the BibleGods Worda little at a time. People need to see and know how serious sin is, for sin is dangerous. Jesus Christ came and gave His life for sin, so that we can repent and be saved and live without sin and know what sin will do for us and where sin will send us. Sin will take you where you dont really want to go. Sin will make you stay longer than you really wanted to stay. Sin will make you pay more than you really wanted to pay. The wage of sin is death, but the gift of God is eternal life through Jesus Christ the Lord. To let the people know how serious sin is, it doesnt matter who you are or how much money you may have. If you are living in sin and die, you will spend eternal life in Hell to be cast into the lake of fire. This life is temporary, but our life after death is eternal. Where will you spend your eternal life?

When You Need a Reminder of How Loved You Are Phoebe Garnsworthy,2024-02-09 One day it just happens. You throw away all the limiting beliefs that you once held and learn that you are in charge of your own destiny. You realize that to find love you must first learn how to encompass love and use that self-love as the benchmark for teaching others how to treat you. You learn that wisdom is a beautiful gift that comes with age and that it is acquired through facing challenges and persevering, even in the face of utter grief. You learn that only in the darkest times can deep enlightenment and understanding be revealed. You learn that a broken heart not only mends, but it grows bigger and brighter than ever before. And from it, you are able to cherish every connection around you with so much more depth than you ever thought possible. You learn that in order to see clarity in your life, you must take a step back, look at yourself with self-awareness, with self-acceptance, and see the world from another's view. And with every day you learn a little bit more about yourself, your life, and your connection with the Universe. And that there is one key element needed for all of this beautiful understanding to come through—the willingness to try again, no matter how many times you fall down, no matter how many times you fail, you must get back up and keep going. That's the real secret. Resilience, acceptance, courage, and hope. It's the unshakable faith in the Universe. It's believing that you are always divinely guided, supported, loved, and cherished. It's knowing that better days will always come. And if you need a reminder, then that's what this little book brings: short extracts of motivation and inspiration to encourage you to keep going through life's challenges. Each page holds wisdom to help you handle the task at hand with spiritual guidance and nurturing love. Simply open the book at random, or explore the chapters to find the theme of your current struggles. Let yourself be held in the infinite love of the Universe.

Take Control of Calendar and Reminders, 5th Edition Scholle McFarland,Glenn Fleishman,2023-11-16 Manage your schedule more effectively using Calendar and Reminders! Version 5.0, updated November 16, 2023 Learn how to unlock the full potential of Apple's Calendar and Reminders! This book helps

you get the most out of these two apps, showing you how to customize them, sync data across devices, and share meeting invitations and reminder lists. You'll also learn how to use Siri as a shortcut and how to fix common problems.

In the days before personal computers and mobile devices, we had to rely on paper calendars and to-do lists to help us organize our time and activities. Now, we have powerful tools, like Apple's Calendar and Reminders, that are much more responsive to our needs. Put an event on your schedule, invite others to join, or set yourself an alarm (or more than one). Or, keep a list of to-do items, add to it and view it on all your Apple devices, and share your list with family or friends. This book was originally written by veteran Mac journalist and editor Scholle McFarland, and the fifth edition was revised by Glenn Fleishman, with complete coverage of macOS 14 Sonoma, macOS 13 Ventura, iOS 17/iPadOS 17, iOS 16/iPadOS 16, and watchOS 10 (and considerably more information about using these apps on an iPhone or iPad than in previous editions). Scholle and Glenn guide you through getting to know these incredibly helpful apps, including lesser-known (but handy) features. For example, did you know that Calendar lets you set an alert that factors in public transportation schedules and time to get to your starting point, so you can leave early enough to catch the train, bus, tram, or ferry you need—and any connections—and arrive at your event on time? Or that Reminders can prompt you to do something not only at a certain time, but also once you've reached a specific destination, like the grocery store? If you've never taken the opportunity to explore Calendar and Reminders, this book will show you how to make them an important part of your daily routine. If you've already been using Calendar and Reminders, you'll learn how to use them more effectively, troubleshoot common problems, and delve deeper into their capabilities. Learn how to get the best out of Calendar and Reminders, including how to:

- Customize Calendar to your liking, from setting time zones, to color coding specific calendars
- Create events, making them repeat at regular intervals or on certain dates
- Set up notifications and alerts, so you never miss an event
- Invite people to events, or share your calendar with them
- Create, manage, and share lists in Reminders, including powerful new smart lists
- Organize reminder lists into categories and optionally view them in columns
- Designate a list as a grocery list, so that items auto-sort into supermarket departments
- Set alarms in Reminders at a certain time or a certain place
- Tag entries for better searching and organizing in Reminders
- Use Siri to save time when creating events or reminders
- Easily check events and reminders on your Mac, iPhone, iPad, Apple Watch, or HomePod
- Troubleshoot common problems in Calendar and Reminders

This year's birthday doesn't hold too much promise to be any better, even with his closest friends around to celebrate, all except Catarina who has gone MIA. The sharing of the worst birthday gift ever forces everyone to reminisce about the good old days, while Sam relives his best and worst moments with Catarina, leading to the discovery that the heart-wrenching happenstances between them could all have been avoided, if not for the Universe's cruel twists of fate. He decides to flip the bird to the Universe and is determined to set things straight between him and the love of his life, screw the consequences.
