If the Tomb Is Empty Joby Martin,2022-02-08 A beloved pastor and a New York Times bestselling author examine scripture and share inspiring personal stories to help reveal the important role that Jesus' resurrection plays in our everyday lives. The Son of God was crucified, died and buried, and He lay in the tomb for three days—until He walked out shining like the sun. In a culture in which history is erased or rewritten at will, the existence of an empty tomb matters. Why? Because if the tomb is empty—then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection—impossible, unbelievable—means that nothing is too hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty—or as though Jesus is still hanging on that cross? Written with New York Times bestselling author Charles Martin, *If the Tomb is Empty* is an insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.

Restoration Olaf Olafsson,2012-02-07 “A tremendous talent.” —Boston Globe “Restoration is an elegantly constructed work of fiction, seamlessly moving between the past and the present.” —Ron Rash, bestselling author of *Serena* Acclaimed novelist Olaf Olafsson brings us *Restoration*, a sweeping story of love tested by human frailty and the terrors and tragedies of war. Departing from the landscapes of his native Iceland—so beautifully evoked in *Absolution*, *The Journey Home*, and other previous works—Olafson sets *Restoration* in the gorgeous Italian hills of Tuscany during the World War Two years of the early 1940s. He captivates readers with a deeply emotional story in the vein of *The English Patient* by Michael Ondaatje, Ian McEwan’s *Atonement*, and other contemporary literary classics, spinning a tale of passion, art, war, and betrayal centered around a pair of love triangles and a forged Caravaggio.

American Restoration Timothy S. Goeglein,Craig Osten,2019-07-02 THIS IS NO TIME TO RUN AND HIDE America seems to be crumbling from within. Having abandoned the Judeo-Christian values that are the foundation of its culture, our nation, in the eyes of many, is going the way of the great civilizations of the past. If our 250-year experiment in ordered liberty has really run its course, is it time to recognize the inevitable, pack up our families, and head for the hills, hunkering down through the dark days to come? Or is there hope for an American restoration? Tim Goeglein and Craig Osten, battle-hardened veterans of the culture wars, know as well as anyone that the decadence is undeniable. But they make the case that an American restoration is not only possible, but probable—if we act now. The key is for Christians to engage with the culture, not flee from it, to be the salt and light that will renew it from within. That engagement must take place especially at the local level, where real spiritual and cultural transformation occurs. If

America returns to its spiritual foundations, the tumultuous times we live in will be nothing more than a bumpy detour in our nation's history. This book is a roadmap for the way back. In this clear-eyed but hopeful guide to restoration, Goeglein and Osten explain how patriotic Americans, with God's help, can renew fifteen critical components of our culture. Government will not provide the solutions we desperately need. The solutions lie in our churches, our communities, and our homes. The light for our path is faith. As that light pierces the darkness, America will experience a reawakening, regeneration, and renewal.

What Does It Mean to Be Chosen? Amanda Jenkins, Dallas Jenkins, Douglas S. Huffman, 2021-01-21 The #1 bestseller in New Testament Commentaries. Over 200,000 copies sold! This is the official companion study to season 1 of *The Chosen*, the groundbreaking television series about the life of Jesus. *What Does It Mean to Be Chosen?* parallels each episode, connecting readers to the Bible in a brand-new way. It includes: A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!) Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He is love. We are saved because He is merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God's chosen people. What does it actually mean to be Chosen? To answer that question, we're going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.

The Restoration of Engravings, Drawings, Books, and Other Works on Paper Max Schweidler, 2006
Ever since its original publication in Germany in 1938, Max Schweidler's *Die Instandetzung von Kupferstichen, Zeichnungen, Buchern usw* has been recognized as a seminal modern text on the conservation and restoration of works on paper. To address what he saw as a woeful dearth of relevant literature and in order to assist those who have 'set themselves the goal of preserving cultural treasures,' the noted German restorer composed a thorough technical manual covering a wide range of specific techniques, including detailed instructions on how to execute structural repairs and alterations that, if skilfully done, can be virtually undetectable. By the mid-twentieth century, curators and conservators of graphic arts, discovering a nearly invisible repair in an old master print or drawing, might comment that the object had been 'Schweidlerized.' This volume, based on the authoritative revised German edition of 1949, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated critical edition. The editor's introduction places the work in its historical context and probes the philosophical issues the book raises, while some two hundred annotati

Redemption and Restoration David Matzko McCarthy, Vicki Schieber, Trudy D. Conway, 2017-11-15

The Catholic Church teaches that punishment must have a constructive and redemptive purpose and that it be coupled with treatment and, when possible, restitution. Rehabilitation and restoration must include the spiritual dimension of healing and hope. Since the publication of the United States Conference of Catholic Bishop's 2000 pastoral statement on restorative justice, the conversation surrounding the need for criminal justice reform and restorative justice has moved forward. *Redemption and Restoration* responds from a Catholic perspective to help form an educational campaign to equip Catholics and their leaders to participate in the national conversation on this issue, create the programs needed to assist in healing the harm caused by crime, and restore our communities. The book develops the traditional Catholic understanding of justice, offers a theological understanding of restorative justice, explains how it can be implemented, and reflects on the practical arguments for restorative justice. Grounded in the stories of real people, *Redemption and Restoration* helps readers gain a deeper understanding of how this affects us all as a country and a church. It includes discussion questions to engage groups in exploring issues related to restorative justice.

Restoring Ecological Health to Your Land Steven I. Apfelbaum, Alan W. Haney, 2012-02-13 *Restoring Ecological Health to Your Land* is the first practical guidebook to give restorationists and would-be restorationists with little or no scientific training or background the “how to” information and knowledge

they need to plan and implement ecological restoration activities. The book sets forth a step-by-step process for developing, implementing, monitoring, and refining on-the-ground restoration projects that is applicable to a wide range of landscapes and ecosystems. The first part of the book introduces the process of ecological restoration in simple, easily understood language through specific examples drawn from the authors' experience restoring their own lands in southern and central Wisconsin. It offers systematic, step-by-step strategies along with inspiration and benchmark experiences. The book's second half shows how that same "thinking" and "doing" can be applied to North America's major ecosystems and landscapes in any condition or scale. No other ecological restoration book leads by example and first-hand experience like this one. The authors encourage readers to champion restoration of ecosystems close to where they live . . . at home, on farms and ranches, in parks and preserves. It provides an essential bridge for people from all walks of life and all levels of experience—from land trust member property stewards to agency personnel responsible for restoring lands in their care—and represents a unique and important contribution to the literature on restoration.

Natural Stone Maintenance and Restoration According to Maurizio Bertoli Maurizio Bertoli, 2007

The London Restoration Rachel McMillan, 2020-08-18 The secrets that might save a nation could shatter a marriage. Madly in love, Diana Foyle and Brent Somerville married in London as the bombs of World War II dropped on their beloved city. Without time for a honeymoon, the couple spent the next four years apart. Diana, an architectural historian, took a top-secret intelligence post at Bletchley Park. Brent, a professor of theology at King's College, believed his wife was working for the Foreign Office as a translator

when he was injured in an attack on the European front. Now that the war is over, the Somervilles' long-anticipated reunion is strained by everything they cannot speak of. Diana's extensive knowledge of London's churches could help bring down a Russian agent named Eternity. She's eager to help MI6 thwart Communist efforts to start a new war, but because of the Official Secrets Act, Diana can't tell Brent the truth about her work. Determined to save their marriage and rebuild the city they call home, Diana and Brent's love is put to the ultimate test as they navigate the rubble of war and the ruins of broken trust.
