Teaching for Results Findley B. Edge, 1999-01-01 In this revised edition Findley B. Edge explains that many Sunday school teachers fail to achieve better results because 'their teaching aims are too general and often vague.' The solution, he says, is for the teacher to focus on a single objective for each lesson and 'work toward that aim with singleness of purpose.'

The Little Book of Results Jamie Smart, 2018-04-03 'It is easier to complicate than to simplify' - this book takes up that challenge and aims to refine and clarify the theories in the original Results to produce a more succinct route to clarity and better results for the reader - because we all want to see results at home, at work and in life! Using transformational coaching techniques, examples, exercises and metaphors, Jamie talks the reader through the three key changes they need to achieve the results they are after and inspire others to do the same. Based on the principles of The Clarity Coaching Model, the reader will learn how to de-congest their mind to think more clearly, make better decisions and improve performance - achieving the 'flow' state attributed to the results of top-flight individuals. Clearer thinking removes the stress and anxiety from decision making and allows you to focus on your goals. Rather than a step-by-step process, the reader is encouraged to form a deep understanding of themselves to awaken their inner potential and improve their innate abilities including better listening, deeper connections, more motivation and greater innovation and creativity.

Results Jamie Smart, 2016-10-17 Life can be a bit overwhelming sometimes, right? It can be difficult to clear your mind of a million different anxieties and focus in on the one thing you need to get done. Bestselling author of Clarity and The Little Book of Clarity goes one step further with Results by using his Clarity Coaching Model to help you de-clog your mind so you can make better decisions, prioritise and focus on achieving those important goals. Develop a deeper understanding of why you act

the way you do and awaken your inner potential. Jamie's transformational coaching techniques will help you improve in all areas of your life, from developing your listening skills during meetings at work to reducing the levels of stress in your life. These techniques will see you through three important changes – your personal transformation that will see you gaining confidence and understanding your own behaviour, your interpersonal transformation to guide you in having an impact on those around you, and lastly your commercial transformation to get your professional life moving in the direction you want. Results is full of helpful examples and exercises to get you on the road to the results you need. Learn how to: Prioritise and focus on the right goals at the right time Achieve the results you want by following the Clarity Coaching Model Improve your overall performance to gain better relationships with your colleagues, close friends and family Add more purpose to your life by allowing time for creativity and innovation Encourage others to follow in your footsteps! Without doubt the clarity principles and Jamie's insights have been an exponential multiplier for me in my business and personal life." - Chris Norton, Director, Mentor Group "Results provides a refreshing approach to personal and entrepreneurial transformation, and most importantly - to achieving results!" - Vlatka Hlupic, award-winning author of The Management Shift "We all know we can have our best ideas, have a clarity of insight, at unexpected times. In this book, Jamie Smart shows how we can have more moments of lucid clarity and how we can marry that clarity with a propensity to action to achieve results." - Peter Lake, Managing Director, Aztec Aspire "Jamie Smart's book connects the dots...so often missing...between understanding and excellent, creative actions that get results in the real world. A very stimulating book!" - Steve Chandler, author of Time Warrior "If you want to know what it really takes to get results and live your life to the fullest, this book is the answer. The human pursuit of success is never the problem. It's our understanding of how life works that gets in the way of our natural capacity to create, thrive and prosper as individuals and as a society. In a clear, engaging and practical way, Jamie lays out a crucial road map that will show you how getting results is far easier than you realize. Highly recommended." - Chantal Burns, No. 1 bestselling author of Instant Motivation "Results: Think Less, Achieve More is total wisdom power. Understanding what Jamie Smart presents will allow you the insights and realizations that awaken your innate ability to create truly transformative results." - Mark Howard, PhD, Three Principles Institute "Results: Think Less, Achieve More points you to the blueprint of where

success truly comes from. This book will guide you to the source of life-changing insights. Well done, Jamie!" – Catherine Casey, M.A. Clinical Psychology, Principle Based Consultant "Results is an insightful and impactful book that flies in the face of the all too common shallow and ineffective self-help advice. This book has the potential to make a significant positive impact on your life." - Simon Hazeldine, bestselling author of Neuro-Sell "In this compelling book, Jamie Smart de-mystifies what underlies true transformation and your ability to get results in any aspect of your personal and professional life. Put on your seat belt and be prepared to have your conventional way of seeing the world be rocked, while simultaneously being introduced to an exciting new way of perceiving yourself and your world!" – Dicken Bettinger, Ed.D., retired psychologist, global seminar leader, founder of 3 Principles Mentoring, and co-author of Coming Home "The power of a clear mind is pretty much universally understood when it comes to stillness, tranquillity and happiness. Yet almost never is it linked to achievement, excellence and consistent results. Until now. In this profound book, Jamie Smart walks us through the extraordinary (and innate) process of experiencing a shift of consciousness or change of heart, first. Then cultivating the outcomes of our dreams becomes as simple as one, two, three." – Garrett Kramer, founder of Inner Sports and author of Stillpower and The Path of No Resistance

Results Not Receipts Charles Kenny,2017-06-20 In the aftermath of the invasion of Afghanistan, the U.S. Agency for International Development supported the Afghan Ministry of Public Health to deliver basic healthcare to 90 percent of the

population, at a cost of \$4.50 a head. The program played a vital role in improving the country's health; the number of children dying before the age of five dropped by 100,000 a year. But accounting standards at the Ministry of Public Health concerned the United States Special Investigator General for Afghanistan. There was no evidence of malfeasance, nor argument about the success of the program. For all that the results were fantastic, receipts were not in order. The investigator called for the health program to be suspended because of financial management deficiencies at the ministry. This case illustrates a growing problem: an important and justified focus on corruption as a barrier to development has led to policy change in aid agencies that is damaging the potential for aid to deliver results. Donors have treated corruption as an issue they can measure and improve, and from which they can insulate their projects at acceptable costs by controlling processes and monitoring receipts. Results Not Receipts highlights the weak link between donors' preferred measures of corruption and development outcomes related to our limited ability to measure the problem. It discusses the costs of the standard anti-corruption tools of fiduciary controls and centralized delivery, and it suggests a different approach to tackling the problem of corruption in development: focus on outcomes.

Do It God's Way and Get God's Results Roy Bacon, 2021-07-07
Jesus routinely taught with parables and earthly stories that resonated with people's daily experiences. His lessons were personable and memorable, and enabled his followers to grasp profound spiritual revelations of the word of God. In *Do it God's Way and Get God's Results*, Pastor Roy Bacon emulates Jesus' approach. He entwines authentic, thought-provoking anecdotes with each chapter theme to present Biblical truths more lucidly and reveal the benefits of choosing God's way in every aspect of life. Throughout the book, he examines two alternatives to life's results: choosing God's way of doing things or choosing our way. The final chapter is a brief portrait of the life of Jesus Christ, our greatest example of how to do things God's way and get His results. *Do it God's Way and Get God's Results* is not a how-to guide for overnight success, but biblically grounded advice for obtaining God's best, now and in your future.
