Her Master's Slave Suzanne Ravelle, 2019-05-09 Born into nobility, sold into slavery, how can Antonia Aliana free herself from Dominicus her new master, seek her revenge on her treacherous husband, Brutus, and save her father? She'd lost everything - her home, her friends, her husband, her status, her freedom - even her name. And now she was just somebody's slave. Not even a citizen of Rome. No money. No rights. No redress. She felt utterly abandoned and bewildered... One way or the other she'd make sure her master helped her... Aliana felt certain she could do it. Providing, she didn't have to let him touch her... He'd never ever taken what wasn't willingly on offer. Not from any woman; slave or otherwise. But the savage in him wanted to take her now, with or without her invitation... And yet there was something more about her that helped him win the battle and overthrow his baser nature. Something he'd recognised at the auction. Something he intuitively knew he'd never discover if he gave in to his cravings and forced himself upon her. No. Instead, Dominicus knew he needed to exercise persuasion... **Her Master's Slave** is a passionate historical romance adventure set in ancient Rome during the despotic reign of Emperor Nero. It is the first book in the series: *Tales from Ancient Rome to Entertain & Enthral*. Each book can be read as a stand-alone, but Nero will be a familiar character in all subsequent *Tales*; bringing chaos, turmoil or salvation depending on his whim and how he's feeling on the day... If you love fast-paced ancient world historical romance and the perils of falling in love during such a turbulent era, *Her Master's slave* will transport you to a world of pure escapism, entertainment and occasional palpitations where you can fall in love with feisty heroines and strong, rugged, slightly over-bearing heroes - who ultimately get tamed. Adult themes, dark imagery and humour are touched upon but overall this is simply a fun, entertaining tale suitable for adults who love to read adventure and romance.
