

Rome

Lawrence Richardson

Ancient Rome Robert Payne,1970 In the sheer scope, the Roman epoch is unsurpassed in history. What has endured to our own time is its great legacy to Western civilization-in law, language, architecture, and the art of government-and the fascination of its story.

The Eternal City Ferdinand Addis,2018-11-06 The magnificent and definitive history of the Eternal City, narrated by a master historian. Why does Rome continue to exert a hold on our imagination? How did the Caput mundi come to play such a critical role in the development of Western civilization? Ferdinand Addis addresses these questions by tracing the history of the Eternal City told through the dramatic key moments in its history: from the mythic founding of Rome in 753 BC, via such landmarks as the murder of Caesar in 44 BC, the coronation of Charlemagne in AD 800 and the reinvention of the imperial ideal, the painting of the Sistine chapel, the trial of Galileo, Mussolini's March on Rome of 1922, the release of Fellini's *La Dolce Vita* in 1960, and the Occupy riots of 2011. City of the Seven Hills, spiritual home of Catholic Christianity, city of the artistic imagination, enduring symbol of our common European heritage—Rome has inspired, charmed, and tempted empire-builders, dreamers, writers, and travelers across the twenty-seven centuries of its existence. Ferdinand Addis tells this rich story in a grand narrative style for a new generation of readers.

Livy's History of Rome Livy,1903

Ancient Rome Simon James,1990 Part of a series, this visual guide to Ancient Rome gives an insight into the lives of the people that lived in ancient Rome. Every aspect of Roman life is covered, from the cooking utensils they used and the food that they ate, to the instruments they used to cleanse and beautify themselves.

Ancient Rome in So Many Words Christopher

Francese,2007 The brief word-histories in this book are meant to provide background on some words that everyone learns when they study Latin, as well as some rarer terms that have interesting stories to tell about Roman culture. This book lists a new word or phrase that came into American English every year from 1975 to 1998, with a selection of early additions from 1497 to 1750, and discusses the history behind the adoption of each. Teachers and students of Latin can benefit from the slightly more formal, but still anecdotal, approach taken here to some key words in the Latin lexicon.

History of the City of Rome in the Middle Ages

Ferdinand Gregorovius,1906

A New Topographical Dictionary of Ancient Rome

Lawrence Richardson,1992-10 A Choice magazine Outstanding Academic Title The first such dictionary since that of Platner and Ashby in 1929, A New Topographical Dictionary of Ancient Rome defines and describes the known buildings and monuments, as well as the geographical and topographical features, of ancient Rome. It provides a concise history of each, with measurements, dates, and citations of significant ancient and modern sources.

Rome and Italy Livy, 2004-05-27 Books VI-X of Livy's monumental work trace Rome's fortunes from its near collapse after defeat by the Gauls in 386 bc to its emergence, in a matter of decades, as the premier power in Italy, having conquered the city-state of Samnium in 293 bc. In this fascinating history, events are described not simply in terms of partisan politics, but through colourful portraits that bring the strengths, weaknesses and motives of leading figures such as the noble statesman Camillus and the corrupt Manlius vividly to life. While Rome's greatest chronicler intended his history to be a memorial to former glory, he also had more didactic aims - hoping that readers of his account could learn from the past ills and virtues of the city.

Rome, and Its Surrounding Scenery ,1840

A Day in Old Rome Dr. William Stearns

Davis, 2017-07-31 This book tries to describe what an intelligent person would have witnessed in Ancient Rome if by some legerdemain he had been translated to the Second Christian Century, and conducted about the imperial city under competent guidance. The year 134 after Christ has been chosen as the hypothetical time of this visit, not from any special virtue in that date, but because Rome was then architecturally nearly completed, the Empire seemed in its most prosperous state, although many of the old usages and traditions of the Republic still survived, and the evil days of decadence were as yet hardly visible in the background. The time of the absence of Hadrian from his capital was selected particularly, in order that interest could be concentrated upon the life and doings of the great city itself, and upon its vast populace of slaves, plebeians, and nobles, not upon the splendid despot and his court, matters too often the center for attention by students of the Roman past. At the time of original publication in 1925, William

Stearns Davis was Professor of Ancient History, University of Minnesota. Richly illustrated throughout.

Experiencing Rome Janet Huskinson, 2013-10-28

Unique in their broad-based coverage the twelve essays in this book provide a fresh look at some central aspects of Roman culture and society.

The History of Rome ... Livy, 1868

A History of Rome Erik Christiansen, 1995 In chronological order, recounting the interplay of political, social and economic factors, the author brings a unique understanding of the individual and combined roles in forming this great empire. Moreover, Rome's history is presented from two perspectives, both from that of the Romans throughout the Empire's existence, and from that of the present, as posterity has tried to understand what happened. The narrative throughout this work will provide the reader with a rare insight into what is understandably referred to as 'the eternal city'.

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, Fuel Your Spirit with **Rome** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
