

Rss

MICHAEL P. SAUERS

- 📖 **How to Build an RSS 2.0 Feed** Mark Woodman,2006-11 The little orange feed icons are everywhere on the web. From search engines to shopping sites to blogs, Really Simple Syndication (RSS 2.0) has become one of the hottest web technologies going. RSS 2.0 is a powerful - yet surprisingly easy - way to distributing timely content to a web-based audience. This short cut will give you the hands-on knowledge you need to build an RSS 2.0 feed. Along the way you'll learn not only the mechanics of building a feed, but industry-accepted best practices for creating feeds that perform well in various situations. Are you ready? Roll up your sleeves, crack open a text editor, and let's build some feeds.
- 📖 **Secrets of RSS** Steven Holzner,2006-06-07 Whether you want to create your own RSS feeds or just would like to locate and add them to your web site, this is the book for you. In the Secrets of RSS, author Steve Holzner provides real-world guidance and advice to introduce you everything you need to know about effectively implementing and using RSS: • How to connect to RSS feed, handle them, and track down what you want • The difference between RSS and blogs, and how nearly every major RSS reader works • How to design an RSS feed, what you'll find in RSS feeds, and formats and links • Create your own first RSS feed from scratch:and subscribe to it • Putting RSS to work in the real-world • The free tools and software available to help you create RSS files • Finding, subscribing to, and creating podcasts • Spreading the word about your RSS feed • RSS best practices • And more!
- 📖 **The RSS** Walter Andersen,Shridhar Damle,2018-08-17 The RSS is the most influential cultural organization in India today, with affiliates in fields as varied as politics, education and trade. This book fundamentally addresses three key questions: Why has the Rashtriya Swayamsevak Sangh (RSS) and its affiliates expanded so rapidly over the past twenty-five years? How have they evolved in response to India's new socio-economic milieu? How does their rapid growth impact the country's politics and policy? With unprecedented access, Walter K. Andersen and Shridhar D. Damle lift the curtains to help us understand the inner workings of the Sangh. Backed by deep research and case studies, this book explores the evolution of the Sangh into its present form, its relationship with the ruling party, the BJP, their overseas affiliates and so much more.
- 📖 **The RSS** A. G. Noorani,2020 India is battling for its very soul. The Rashtriya Swayamsevak Sangh (RSS) is the most powerful organization in India today; complete with a private army of its own, unquestionably obeying its leader who functions on fascist lines on the Fuehrer principle. Two of its pracharaks (active preachers) have gone on to become prime ministers of India. In 1951 it set up a political front, the Bharatiya Jana Sangh, which merged into the Janata Party in 1977 only to walk out of it in 1980. In issue was its superior loyalty to its parent and mentor, the RSS; not the Janata Party. Within months of its defection, the Jana Sangh reemerged; not with the name under which it had functioned for nearly three decades, but as the Bharatiya Janata Party, deceptively to claim a respectable lineage. The RSS is at war with India's past. It belittles three of the greatest builders of the Indian State - Ashoka, the Buddhist; Akbar, the Muslim; and Nehru, a civilized enlightened Hindu. It would wipe out centuries of achievement for which the world has acclaimed India and replace that with its own narrow, divisive ideology. This book is a magisterial study of the RSS, from its formation in 1925 to the present day. With scrupulous and voluminous evidence, one of India's leading constitutional experts and political analysts, A.G. Noorani, builds a watertight case to show how the RSS is much more than a threat to communal amity. It poses a wider challenge. It is a threat to democratic governance and, even worse, a menace to India. It threatens the very soul of India. And yet, despite its reach and seemingly overwhelming political influence, the author shows that the RSS can be defeated. The soul of India can be rescued.
- 📖 **RSS 360** Ratan Sharda,2018-06-18 Founded in 1925, banned three times by the governments of independent India but with a widespread network of thousands of local branches and millions of volunteers, the Rashtriya Swayamsevak Sangh's (RSS) presence and influence is formidable. However, it has long been acknowledged that the best way to know the RSS is to join it. Perhaps, this is why there is very little literature on how it functions. As a senior member who has managed various responsibilities in the RSS over the years, Ratan Sharda reveals the supposedly secret world of this volunteer organisation. He presents a comprehensive view of the Sangh's philosophy, its workings and its humungous reach through various organisations inspired by it across India in a simple and easy-flowing manner, sprinkled with interesting anecdotes. With an insider's knowledge of the philosophy, organisational structure and working of this huge cadre-based organisation, RSS 360o is a compelling read, attempting to lift the alleged veil of secrecy that shrouds the organisation.
- 📖 **Developing Feeds with RSS and Atom** Ben Hammersley,2005-04-13 This step-by-step guide offers bloggers, web developers and programmers an understanding of content syndication and the technologies that make it possible. It highlights all the new features of RSS 2.0, and offers complete coverage of its rival technology, Atom.
- 📖 **Content Syndication with RSS** Ben Hammersley,2003 Originally developed by Netscape in 1999, RSS (which can stand for RDF Site Summary, Rich Site Summary, or Really Simple Syndication) is an XML-based format that allows web developers to describe and syndicate web site content. Using RSS files allows developers to create a data feed that supplies headlines, links, and article summaries from a web site. Other sites can then incorporate these elements into their pages automatically ... [this text] provides a comprehensive reference to the specifications and the tools that make syndication possible--Back cover.
- 📖 **Know About RSS** Arun Anand,2016-01-01 The gradual and steady rise of the 90-year-old Rashtriya Swayamsevak Sangh has fueled many myths. 'Know About RSS' unravels the functioning of the organisation by providing an insight into the hitherto unexplained aspects of the RSS - the daily Shakha; Saffron Flag; Prayer; Training Camps; Full-time Workers etc. This book provides authentic information about the organisational structure of the RSS which is simple yet unique and baffling for all those who do not know about the RSS.
- 📖 **Syndicating Web Sites with RSS Feeds for Dummies** Ellen Finkelstein,2005-03-25 So you have a business and you have a web site. Bravo! You're doing all the right things to be successful. But wait — the information on your web site needs to be updated, and your customers need to know. Good heavens, didn't you spend half of last week doing that? There's got to be a quicker, easier way to keep your clientele informed, and while we're at it, how about building your business too? RSS can come to your rescue, but first you need to know what it is and how to use it. Syndicating Web Sites With RSS Feeds For Dummies has what you need to know to get up and running fast—and with today's flood of constantly-changing information, “fast” is a top priority. Here, in plain English, you'll find out how to: Use RSS to drive traffic to your web site and build brand awareness Choose and install the right software, set up RSS feeds, and decide on the format that meets your needs Create RSS feeds from scratch, or put a news reader on your web site Improve your site's ranking in search engines and build customer loyalty Enable your customers to choose when and how they receive updated information Tailor information for your audience and publish all your updates quickly and easily Promote your RSS feed and explain to your customers how to use it Provide added value for your customers Making the most of RSS can make life easier for both you and those who do business with you. Syndicating Web Sites With RSS Feeds For Dummies will help you maintain fresh content for your web site, blog, or e-zine, promote your site and establish links to it, and even update vital documents like employee guides, price lists, and procedures manuals, quickly and easily.
- 📖 **Secrets of RSS.** ,2006 RSS (Real Simple Syndication) is an XML-based technology that allows web developers quickly distribute on-demand online information and syndicate web content to subscribers. Popular with news web sites and blogs-typically sites that change or add content regularly-RSS automatically feeds headlines, links, posts, and article summaries so that other sites can instantly incorporate them into their pages. Secrets of RSS is designed to give people everything they need to get their web sites syndicated using RSS feeds, plugging them into thousands of readers around the world instantly. This is the book that explains even the confusing RSS topics, making them accessible and clear to the beginner. It's going to be the new classic in the field, introducing RSS to people who never thought they could master it. It's all here-understanding RSS, RSS readers, getting subscribers, podcasting, blogs, downloading free tools, and more! Both beginning users, who want a thorough introduction to RSS, and more advanced users, who are looking for a convenient reference, will find what they need here-in straightforward language and through readily accessible examples.
- 📖 **The Saffron Surge Untold Story of RSS Leadership** Arun Anand,2020-01-01 Right since its inception; there has been a tradition in the RSS of not highlighting the work of an individual; so the lives and work done by the Sarsanghchalaks have not been discussed publicly much. The general perception is that the RSS chief (Sarsanghchalak) is one of the most powerful persons in the country as he holds sway over millions of swayamsevaks (volunteers) and dozens of organisations run by these swayamsevaks including the Bharatiya Janata Party which rules at the Centre as well as in several states. But what is the truth? What role Sarsanghchalaks have played in shaping the RSS? This well researched book takes one through the lives of the five Sarsanghchalaks who had steered RSS since its inception through one of its most tumultuous years. It tells a hitherto untold story about not only the lives of the Sarsanghchalaks but also the journey of the RSS itself.
- 📖 **Messengers of Hindu Nationalism** Walter Andersen,Shridhar D. Damle,2019-06-15 The Rashtriya Swayamsevak Sangh (RSS) is a Hindu nationalist volunteer organization. It is also the parent of India's ruling Bharatiya Janata Party. Prime Minister Modi was himself a career RSS office-holder, or pracharak. This book explores how the RSS and its affiliates have benefitted from India's economic development and concurrent social dislocation, with rapid modernization creating a sense of rootlessness, disrupting traditional hierarchies, and attracting many upwardly mobile groups to the organization. India seems more willing than ever to accept the RSS's narrative of Hindu nationalism—one that seeks to assimilate Hindus into a common identity representing true 'Indianness'. Yet the RSS has also come to resemble 'the Congress system', with a socially diverse membership containing a distinct left, right and center. The organization's most significant dilemma is how to reconcile the assault from its far right on cultural issues like cow protection with condemnations of globalization from the left flank. Andersen and Damle offer an essential account of the RSS's rapid rise in recent decades, tracing how it has evolved in response to economic liberalization and assessing its long-term impact on Indian politics and society.
- 📖 **The RSS** Abdul Gafoor Abdul Majeed Noorani,2019 This book is a magisterial study of the RSS, from its formation in 1925 to the present day. With scrupulous and voluminous evidence, one of India's leading constitutional experts and political analysts, A.G. Noorani, builds a watertight case to show how the RSS is much more than a threat to communal amity. It poses a wider challenge. It is a threat to democratic governance and, even worse, a menace to India. It

THREATENS THE VERY SOUL OF INDIA. -- FROM INSIDE FLAP.

 **RESOLVES**, 2007-10-01 This book is a compilation of resolutions passed by the Akhil Bhartiya Karyakari Mandal and Akhil Bhartiya Pratinidhi Sabha of the Rastriya Swayamsevak Sangh (RSS) during the period of 1950-2007. The RSS was founded by Dr. Hedgewar after coming to the conclusion that common masses should be awakened to seek freedom and achieve independence from foreign rule. RSS supported the demand for re-organization of Jammu and Kashmir state and also supported national unity and re-establishment of national honour through Sri Ram Janma Bhoomi movement. The resolutions are on various issues viz. nuclear agreement signed with USA, pursuance of economic interests and sovereignty of the country. Readers will benefit immensely after reading, studying and contemplating on these resolutions.

 **BEGINNING RSS AND ATOM PROGRAMMING** Danny Ayers, Andrew Watt, 2005-05-06 RSS and Atom are specifications that give users the power to subscribe to information they want to receive and give content developers tools to provide continuous subscriptions to willing recipients in a spam-free setting. RSS and Atom are the technical power behind the growing millions of blogs on the Web. Blogs change the Web from a set of static pages or sites requiring programming expertise to update to an ever changing, constantly updated landscape that anyone can contribute to. RSS and Atom syndication provides users an easy way to track new information on as many Web sites as they want. This book offers you insight to understanding the issues facing the user community so you can meet users' needs by writing software and Web sites using RSS and Atom feeds. Beginning with an introduction to all the current and coming versions of RSS and Atom, you'll go step by step through the process of producing, aggregating, and storing information feeds. When you're finished, you'll be able to produce client software and Web sites that create, manipulate, aggregate, and display information feeds effectively. This book is full of practical advice and tips for consuming, producing, and manipulating information feeds. I only wish I had a book like this when I started writing RSS Bandit. - Dare Obasanjo, RSS Bandit creator: <http://www.rssbandit.org/>

 **RSS's Tryst with Politics** Pralay Kanungo, 2002 The RSS is perhaps the most controversial organization in contemporary India. This book explores the mission, method and motive of the RSS and suggests that the ideological core of the RSS - Hindu Rashtra - is political and not cultural.

 **BLOGGING AND RSS** Michael P. Sauers, 2006 In this helpful book, author, internet trainer, and blogger Michael P. Sauers, MLS, shows how blogging and RSS technology can be easily and effectively used in the context of a library community. Sauers covers everything librarians need to know, beginning with an introduction to the blogging phenomenon and a review of the library blogosphere. He recommends his favorite blogs, shares the opinions and advice of top librarian bloggers, and offers step-by-step instructions for creating, publishing, and syndicating a blog using free Web-based services, software, RSS feeds, and aggregators. A recommended reading list, examples of feed code, and a glossary round out the book. Book jacket.

 **THE RSS** Dinesh Narayan, 2020-03-23 Since its inception in 1925, the RSS has perplexed observers with its organizational skills, military discipline and single-minded quest for influence in all walks of Indian life. Often seen as insidious and banned thrice, the pace of its growth and ideological dominance of the political landscape in the second decade of the millennium have been remarkable. It believes that Hindus have exclusive ownership of the Indian nation or Bharat, as it prefers to call it, and that hitherto, forces inimical to the interests of Hindus were deciding the socio-political and economic agenda in India. With political power firmly in favour, it is now going all out to embed its ideology deep in India's genetic code. The abrogation of Article 370 in Kashmir, the big push to construct a Ram Temple in Ayodhya and moves to amend personal laws are the first symbolic steps in establishing the primacy of Hindus in the affairs of the country. Relying on original research, interviews with insiders and analysis of current events, The RSS and the Making of the Deep Nation traces the RSS's roots and nearly century-long operations in the relentless pursuit for ideological dominance in a nation known for its rich diversity of thought, custom and ritual.

 **TERRIFYING VISION** Jyotirmaya Sharma, 2007 Madhav Sadashiv Golwalkar (1906-73) was the second Sarsanghachalak or supreme guide of the Hindu nationalist Rashtriya Swayamsevak Sangh (RSS), a position he held for thirty-three years. Though he was not its founder, he cast the organization in his own image, and remains to this day the most influential ideologue not only of the RSS but also of all the organizations inspired by it including the Bharatiya Janata Party (BJP), which led the country's ruling coalition from 1999 to 2004. This unprecedented and extremely important book is perhaps the first to examine Golwalkar's thought and his legacy closely and critically. Focusing on the arguments delineated in the writings and speeches of Golwalkar, Jyotirmaya Sharma questions the assumptions upon which the ideologues and champions of Hindutva seek to establish a Hindu nation in India. As it highlights how much these arguments derive from eighteenth- and nineteenth-century indologists, and how closely they parallel fascist ideology, the book unravels the confusion, intolerance and intellectual deficit that has gone into Hindu nationalist thinking. It comes to the conclusion that the politics of Hindu nationalism feeds on a dangerous concept of the nation state and a misunderstanding of the very idea of what Hinduism is and who is a Hindu. In doing so, the book also provides an opportunity to engage with the politics of Hindutva and its various manifestations in the contemporary political scenario. Praise for Hindutva: Exploring the Idea of Hindu Nationalism A valuable, well-considered contribution to the discussion on the antithesis of secularism Frontline An excavation of the intellectual genealogy of Hindutva¶[Jyotirmaya Sharma] has a gift for communicating complex ideas in lucid prose The Telegraph Hindutva is short and written for the lay person, free of the academic exhibitionism that mars so many books on philosophy, yet a product of deep reading and research. It is an important book India Today Jyotirmaya Sharma's book, perhaps for the first time, presents a detailed descriptive and historical account of both the idea of Hindutva and its historical development. It fills an enormous gap Seminar

 **RSS PRIMER** Shamsul Islam, 2010

Thank you completely much for downloading **Rss**. Most likely you have knowledge that, people have look numerous times for their favorite books in imitation of this Rss, but end in the works in harmful downloads.

Rather than enjoying a fine eBook taking into account a mug of coffee in the afternoon, otherwise they juggled subsequent to some harmful virus inside their computer. **Rss** is reachable in our digital library an online access to it is set as public for that reason you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency era to download any of our books gone this one. Merely said, the Rss is universally compatible in the same way as any devices to read.

Rss Introduction

Rss Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rss Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rss : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, it's a popular resource for finding various publications. Internet Archive for Rss : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rss Offers a diverse range of free eBooks across various genres. Rss Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rss Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rss, especially related to Rss, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own online searches: Look for websites, forums, or blogs dedicated to Rss, sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rss books or magazines might include. Look for these in online stores or libraries. Remember that while Rss, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rss eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rss full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rss eBooks, including some popular titles.

FAQs About Rss Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the

font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rss is one of the best book in our library for free trial. We provide copy of Rss in digital format, so the resources that you find are reliable. There are also many eBooks of related with Rss. Where to download Rss online for free? Are you looking for Rss PDF? This is definitely going to save you time and cash in something you should think about.
