Developing Feeds with RSS and Atom Ben

Hammersley,2005-04-13 This step-by-step guide offers bloggers, web developers and programmers an understanding of content syndication and the technologies that make it possible. It highlights all the new features of RSS 2.0, and offers complete coverage of its rival technology, Atom.

How to Build an RSS 2.0 Feed Mark Woodman,2006-11

The little orange feed icons are everywhere on the web. From search engines to shopping sites to blogs, Really Simple Syndication (RSS 2.0) has become one of the hottest web technologies going. RSS 2.0 is a powerful - yet surprisingly easy - way to distributing timely content to a web-based audience. This Short Cut will give you the hands-on knowledge you need to build an RSS 2.0 feed. Along the way you'll learn not only the mechanics of building a feed, but industry-accepted best practices for creating feeds that perform well in various situations. Are you ready? Roll up your sleeves, crack open a text editor, and let's build some feeds.

Secrets of RSS Steven Holzner,2006-06-07 Whether

you want to create your own RSS feeds or just would like to locate and add them to your Web site, this is the book for you. In the Secrets of RSS, author Steve Holzner provides real-world guidance and advice to introduce you everything you need to know about effectively implementing and using RSS:

- How to connect to RSS feed, handle them, and track down what you want
- The difference between RSS and blogs, and how nearly every major RSS reader works
- How to design an RSS feed, what you'll find in RSS feeds, and formats and links
- Create your own first RSS feed from scratch:and subscribe to it
- Putting RSS to work in the real-world
- The free

tools and software available to help you create RSS files • Finding, subscribing to, and creating podcasts • Spreading the word about your RSS feed • RSS best practices • And more!

The RSS Walter Andersen, Shridhar Damle, 2018-08-17
The RSS is the most influential cultural organization in India today, with affiliates in fields as varied as politics, education and trade. This book fundamentally addresses three key questions: Why has the Rashtriya Swayamsevak Sangh (RSS) and its affiliates expanded so rapidly over the past twenty-five years? How have they evolved in response to India's new socio-economic milieu? How does their rapid growth impact the country's politics and policy? With unprecedented access, Walter K. Andersen and Shridhar D. Damle lift the curtains to help us understand the inner workings of the Sangh. Backed by deep research and case studies, this book explores the evolution of the Sangh into its present form, its relationship with the ruling party, the BJP, their overseas affiliates and so much more.

The RSS A. G. Noorani, 2020 India is battling for its very soul. The Rashtriya Swayamsevak Sangh (RSS) is the most powerful organization in India today; complete with a private army of its own, unquestionably obeying its leader who functions on fascist lines on the Fuehrer principle. Two of its pracharaks (active preachers) have gone on to become prime ministers of India. In 1951 it set up a political front, the Bharatiya Jana Sangh, which merged into the Janata Party in 1977 only to walk out of it in 1980. In issue was its superior loyalty to its parent and mentor, the RSS; not the Janata Party. Within months of its defection, the Jana Sangh reemerged; not with the name under which it had functioned for nearly three decades, but as the Bharatiya Janata Party, deceptively to claim a respectable lineage. The RSS is at war with India's past. It

belittles three of the greatest builders of the Indian State - Ashoka, the Buddhist; Akbar, the Muslim; and Nehru, a civilized Enlightened Hindu. It would wipe out centuries of achievement for which the world has acclaimed India and replace that with its own narrow, divisive ideology. This book is a magisterial study of the RSS, from its formation in 1925 to the present day. With scrupulous and voluminous evidence, one of India's leading constitutional experts and political analysts, A.G. Noorani, builds a watertight case to show how the RSS is much more than a threat to communal amity. It poses a wider challenge. It is a threat to democratic governance and, even worse, a menace to India. It threatens the very soul of India. And yet, despite its reach and seemingly overwhelming political influence, the author shows that the RSS can be defeated. The soul of India can be rescued.

Syndicating Web Sites with RSS Feeds For Dummies Ellen Finkelstein, 2005-03-25 So you have a business and you have a Web site. Bravo! You're doing all the right things to be successful. But wait — the information on your Web site needs to be updated, and your customers need to know. Good heavens, didn't you spend half of last week doing that? There's got to be a quicker, easier way to keep your clientele informed, and while we're at it, how about building your business too? RSS can come to your rescue, but first you need to know what it is and how to use it. *Syndicating Web Sites With RSS Feeds For Dummies* has what you need to know to get up and running fast—and with today's flood of constantly-changing information, "fast" is a top priority. Here, in plain English, you'll find out how to: Use RSS to drive traffic to your Web site and build brand awareness Choose and install the right software, set up RSS feeds, and decide on the format that meets your needs Create RSS feeds from

scratch, or put a news reader on your Web site Improve your site's ranking in search engines and build customer loyalty Enable your customers to choose when and how they receive updated information Tailor information for your audience and publish all your updates quickly and easily Promote your RSS feed and explain to your customers how to use it Provide added value for your customers Making the most of RSS can make life easier for both you and those who do business with you. Syndicating Web Sites With RSS Feeds For Dummies will help you maintain fresh content for your Web site, blog, or e-zine, promote your site and establish links to it, and even update vital documents like employee guides, price lists, and procedures manuals, quickly and easily.

Content Syndication with RSS Ben

Hammersley,2003 Originally developed by Netscape in 1999, RSS (which can stand for RDF Site Summary, Rich Site Summary, or Really Simple Syndication) is an XML-based format that allows web developers to describe and syndicate web site content. Using RSS files allows developers to create a data feed that supplies headlines, links, and article summaries from a web site. Other sites can then incorporate these elements into their pages automatically ... [this text] provides a comprehensive reference to the specifications and the tools that make syndication possible--Back cover.

RSS 360 Ratan Sharda,2018-06-18 Founded in 1925, banned three times by the governments of independent India but with a widespread network of thousands of local branches and millions of volunteers, the Rashtriya Swayamsevak Sangh's (RSS) presence and influence is formidable. However, it has long been acknowledged that the best way to know the RSS is to join it. Perhaps, this is why there is very little literature on how it functions. As a

senior member who has managed various responsibilities in the RSS over the years, Ratan Sharda reveals the supposedly secret world of this volunteer organisation. He presents a comprehensive view of the Sangh's philosophy, its workings and its humungous reach through various organisations inspired by it across India in a simple and easy-flowing manner, sprinkled with interesting anecdotes. With an insider's knowledge of the philosophy, organisational structure and working of this huge cadre-based organisation, RSS 360o is a compelling read, attempting to lift the alleged veil of secrecy that shrouds the organisation.

Know About RSS Arun Anand, 2016-01-01 The gradual and steady rise of the 90-year-old Rashtriya Swayamsevak Sangh has fueled many myths. 'Know About RSS' unravels the functioning of the organisation by providing an insight into the hitherto unexplained aspects of the RSS - the daily Shakha; Saffron Flag; Prayer; Training Camps; Full-Time Workers etc. This book provides authentic information about the organisational structure of the RSS which is simple yet unique and baffling for all those who do not know about the RSS.

Secrets of RSS. , 2006 RSS (Real Simple Syndication) is an XML-based technology that allows Web developers quickly distribute on-demand online information and syndicate Web content to subscribers. Popular with news Web sites and blogs-typically sites that change or add content regularly-RSS automatically feeds headlines, links, posts, and article summaries so that other sites can instantly incorporate them into their pages. Secrets of RSS is designed to give people everything they need to get their Web sites syndicated using RSS feeds, plugging them into thousands of readers around the world instantly. This is the book that explains even the confusing RSS topics, making

them accessible and clear to the beginner. It's going to be the new classic in the field, introducing RSS to people who never thought they could master it. It's all here- understanding RSS, RSS readers, getting subscribers, podcasting, blogs, downloading free tools, and more! Both beginning users, who want a thorough introduction to RSS, and more advanced users, who are looking for a convenient reference, will find what they need here-in straightforward language and through readily accessible examples.

Beginning RSS and Atom Programming Danny Ayers, Andrew Watt, 2005-05-06 RSS and Atom are specifications that give users the power to subscribe to information they want to receive and give content developers tools to provide continuous subscriptions to willing recipients in a spam-free setting. RSS and Atom are the technical power behind the growing millions of blogs on the Web. Blogs change the Web from a set of static pages or sites requiring programming expertise to update to an ever changing, constantly updated landscape that anyone can contribute to. RSS and Atom syndication provides users an easy way to track new information on as many Web sites as they want. This book offers you insight to understanding the issues facing the user community so you can meet users' needs by writing software and Web sites using RSS and Atom feeds. Beginning with an introduction to all the current and coming versions of RSS and Atom, you'll go step by step through the process of producing, aggregating, and storing information feeds. When you're finished, you'll be able to produce client software and Web sites that create, manipulate, aggregate, and display information feeds effectively. This book is full of practical advice and tips for consuming, producing, and manipulating information feeds. I only wish I had a book like this when I started writing RSS Bandit. - Dare

Obasanjo, RSS Bandit creator: <http://www.rssbandit.org/>

Messengers of Hindu Nationalism Walter

Andersen, Shridhar D. Damle, 2019-06-15 The Rashtriya Swayamsevak Sangh (RSS) is a Hindu nationalist volunteer organization. It is also the parent of India's ruling Bharatiya Janata Party. Prime Minister Modi was himself a career RSS office-holder, or pracharak. This book explores how the RSS and its affiliates have benefitted from India's economic development and concurrent social dislocation, with rapid modernization creating a sense of rootlessness, disrupting traditional hierarchies, and attracting many upwardly mobile groups to the organization. India seems more willing than ever to accept the RSS's narrative of Hindu nationalism--one that seeks to assimilate Hindus into a common identity representing true 'Indianness'. Yet the RSS has also come to resemble 'the Congress system', with a socially diverse membership containing a distinct left, right and center. The organization's most significant dilemma is how to reconcile the assault from its far right on cultural issues like cow protection with condemnations of globalization from the left flank. Andersen and Damle offer an essential account of the RSS's rapid rise in recent decades, tracing how it has evolved in response to economic liberalization and assessing its long-term impact on Indian politics and society.

The Saffron Surge Untold Story of RSS Leadership

Arun Anand, 2020-01-01 Right since its inception; there has been a tradition in the RSS of not highlighting the work of an individual; so the lives and work done by the Sarsanghchalaks have not been discussed publicly much. The general perception is that the RSS chief (Sarsanghchalak) is one of the most powerful persons in the country as he holds sway over millions of swayamsevaks (volunteers) and dozens of organisations

run by these swayamsevaks including the Bharatiya Janata Party which rules at the Centre as well as in several states. But what is the truth? What role Sarsanghchalaks have played in shaping the RSS? This well researched book takes one through the lives of the five Sarsanghchalaks who had steered RSS since its inception through one of its most tumultuous years. It tells a hitherto untold story about not only the lives of the Sarsanghchalaks but also the journey of the RSS itself.

The RSS Abdul Gafoor Abdul Majeed Noorani, 2019
This book is a magisterial study of the RSS, from its formation in 1925 to the present day. With scrupulous and voluminous evidence, one of India's leading constitutional experts and political analysts, A.G. Noorani, builds a watertight case to show how the RSS is much more than a threat to communal amity. It poses a wider challenge. It is a threat to democratic governance and, even worse, a menace to India. It threatens the very soul of India. -- from inside flap.

RESOLVES ,2007-10-01 This book is a compilation of resolutions passed by the Akhil Bhartiya Karyakari Mandal and Akhil Bhartiya Pratinidhi Sabha of the Rastriya Swayamsevak sangh (RSS) during the period of 1950-2007. The RSS was founded by Dr. Hedgewar after coming to the conclusion that common masses should be awakened to seek freedom and achieve independence from foreign rule. RSS supported the demand for re-organization of Jammu and Kashmir state and also supported national unity and re-establishment of national honour through Sri Ram Janma bhoomi movement. The resolutions are on various issues viz. nuclear agreement signed with USA, pursuance of economic interests and sovereignty of the country. Readers will benefit immensely after reading, studying and contemplating on these resolutions.

Terrifying Vision Jyotirmaya Sharma, 2007 Madhav Sadashiv Golwalkar (1906-73) Was The Second Sarsanghachalak Or Supreme Guide Of The Hindu Nationalist Rashtriya Swayamsevak Sangh (Rss), A Position He Held For Thirty-Three Years. Though He Was Not Its Founder, He Cast The Organization In His Own Image, And Remains To This Day The Most Influential Ideologue Not Only Of The Rss But Also Of All The Organizations Inspired By It Including The Bharatiya Janata Party (Bjp), Which Led The Country S Ruling Coalition From 1999 To 2004. This Unprecedented And Extremely Important Book Is Perhaps The First To Examine Golwalkar S Thought And His Legacy Closely And Critically. Focusing On The Arguments Delineated In The Writings And Speeches Of Golwalkar, Jyotirmaya Sharma Questions The Assumptions Upon Which The Ideologues And Champions Of Hindutva Seek To Establish A Hindu Nation In India. As It Highlights How Much These Arguments Derive From Eighteenth-And Nineteenth-Century Indologists, And How Closely They Parallel Fascist Ideology, The Book Unravels The Confusion, Intolerance And Intellectual Deficit That Has Gone Into Hindu Nationalist Thinking. It Comes To The Conclusion That The Politics Of Hindu Nationalism Feeds On A Dangerous Concept Of The Nation State And A Misunderstanding Of The Very Idea Of What Hinduism Is And Who Is A Hindu. In Doing So, The Book Also Provides An Opportunity To Engage With The Politics Of Hindutva And Its Various Manifestations In The Contemporary Political Scenario. Praise For Hindutva: Exploring The Idea Of Hindu Nationalism A Valuable, Well-Considered Contribution To The Discussion On The Antithesis Of Secularism Frontline An Excavation Of The Intellectual Genealogy Of Hindutva&[Jyotirmaya Sharma] Has A Gift For Communicating Complex Ideas In Lucid Prose The

Telegraph Hindutva Is Short And Written For The Lay Person, Free Of The Academic Exhibitionism That Mars So Many Books On Philosophy, Yet A Product Of Deep Reading And Research. It Is An Important Book India Today Jyotirmaya Sharma S Book, Perhaps For The First Time, Presents A Detailed Descriptive And Historical Account Of Both The Idea Of Hindutva And Its Historical Development. It Fills An Enormous Gap Seminar

RSS's Tryst with Politics Pralay Kanungo, 2002 The Rss Is Perhaps The Most Controversial Organization In Contemporary India. This Book Explores The Mission, Method And Motive Of The Rss And Suggests That The Ideological Core Of The Rss - Hindu Rashtra - Is Political And Not Cultural.

The RSS Dinesh Narayan, 2020-03-23 Since its inception in 1925, the RSS has perplexed observers with its organizational skills, military discipline and single-minded quest for influence in all walks of Indian life. Often seen as insidious and banned thrice, the pace of its growth and ideological dominance of the political landscape in the second decade of the millennium have been remarkable. It believes that Hindus have exclusive ownership of the Indian nation or Bharat, as it prefers to call it, and that hitherto, forces inimical to the interests of Hindus were deciding the socio-political and economic agenda in India. With political power firmly in favour, it is now going all out to embed its ideology deep in India's genetic code. The abrogation of Article 370 in Kashmir, the big push to construct a Ram Temple in Ayodhya and moves to amend personal laws are the first symbolic steps in establishing the primacy of Hindus in the affairs of the country. Relying on original research, interviews with insiders and analysis of current events, *The RSS and the Making of the Deep Nation* traces the RSS's roots and nearly century-long

operations in the relentless pursuit for ideological dominance in a nation known for its rich diversity of thought, custom and ritual.

papers, the option to download Rss has opened up a world of possibilities. Downloading Rss provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of

downloading Rss has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rss. These websites

Rss Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rss has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research

range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rss.

Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rss, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rss has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide.

However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
