S Is for Style Dara Caponigro,2020-09-08 Are you High Style or Boho, or maybe Happy Modern or Trad with a Twist? The legendary fabrics and wallpapers house of Schumacher shows how you can use their iconic prints and patterns to create a variety of beautiful, chic interiors in the style that most suits you. ***This book is being published with three uniquely patterned covers. Customers will be shipped any of these three different covers at random*** With a focus on Schumacher's greatest contemporary patterns--everything from classic stripes and exuberant florals to edgy animal prints--this accessible and highly useful style guide is organized thematically by chapters such as Sensual & Spare; Preppy; Ladylike; Exuberant; and Opulent, with each featuring a stunning selection of patterns along with inspiring interiors designed in the same spirit. To help readers better understand their style preferences, every chapter begins with a questionnaire, for example: Are You an Acolyte of High Style? Do You Prefer a Midnight Supper to a Power Lunch?; Consider Jewel Tones Neutral?; Think Champagne Is Not Just for Special Occasions? Page after page after page of lavish imagery and pattern details are juxtaposed alongside beautiful interiors designed by such luminaries as Miles Redd, Tom Scheerer, Amanda Lindroth, Celerie Kemble, Veere Grenney, and Mark D. Sikes, to name a few, illustrating how Schumacher's iconic patterns can be integrated into a wide range of chic and stylish room designs. The texts provide insights and tips on how patterns can be used in your decor, along with guidance for deciding what style is best for you and your home. Full of inspiring design ideas, as well as an unparalleled resource of prints and patterns, S Is for Style is a visual feast of interior design for all styles and tastes.

S is for Show Me Judy Young,2010-10-15 Ross & Judy Young's combined belief that children comprehend intricate ideas at a very young age made it possible for them to seamlessly create S is for Show Me: A Missouri Alphabet. The husband and wife team elegantly synthesize text and illustration to provide a rich texture of the Show Me State. The alphabet book employs a two-tiered approach that reaches Pre-K through 6th grade students. A rhyme for each letter of the alphabet catches the attention of younger readers, while older elementary students grasp a richer understanding of the topic by reading expository information on the same page.

Savoia-Marchetti S.79 Sparviero Bomber Units Marco Mattioli,2018-02-22 Initially developed by Savoia-Marchetti as a transport, the aircraft had evolved into a dedicated medium bomber by the time the S.79-I made its combat debut in the Spanish Civil War in 1936. During World War 2, it became Italy's most successful bomber, and the most produced, with around 1370 built between 1936 and early 1944. Although initially hampered by poor tactics, the S.79 bomber crews nonetheless scored sunk a number of Allied vessels, and provided a constant threat to Allied sailors in the Mediterranean in the early stages of the war. In East Africa and the Red Sea the Sparvieri were the most modern bombers in-theatre, proving a challenge to RAF and SAAF biplane fighters. Using specially commissioned full-colour artwork, first-hand accounts and historic photographs, this volume chronicles the history of the S.79's war in the Mediterranean, North African, Balkan, and East African theatres.
