We're Different, We're the Same (Sesame Street)

Bobbi Kates, 2021-03-16 Who better than Elmo and his Sesame Street friends to teach us that though we may all look different on the outside—deep down, we are all very much alike? Elmo and his Sesame Street friends help teach toddlers and the adults in their lives that everyone is the same on the inside, and it's our differences that make this wonderful world, which is home to us all, an interesting—and special—place. This enduring, colorful, and charmingly illustrated book offers an easy, enjoyable way to learn about differences—and what truly matters. *We're Different, We're the Same* is an engaging read for toddlers and adults alike that reinforces how we all have the same needs, desires, and feelings.

Same Same Peter Mendelsund, 2019-02-05 In the shifting sands of the desert, near an unnamed metropolis, there is an institute where various fellows come to undertake projects of great significance. But when our sort-of hero, Percy Frobisher, arrives, surrounded by the simulated environment of the glass-enclosed dome of the Institute, his mind goes completely blank. When he spills something on his uniform—a major faux pas—he learns about a mysterious shop where you can take something, utter the command “same same,” and receive a replica even better than the original. Imagining a world in which simulacra have as much value as the real—so much so that any distinction between the two vanishes, and even language seeks to reproduce meaning through ever more degraded copies of itself—Peter Mendelsund has crafted a deeply unsettling novel about what it means to exist and to create . . . and a future that may not be far off.

One and the Same Abigail Pogrebin, 2010-10-05

Journalist Abigail Pogrebin is many things—wife, mother,

New Yorker—but the one that has defined her most profoundly is “identical twin.” As children, she and her sister, Robin, were inseparable. But when Robin began to pull away as an adult, Abigail was left to wonder not only why, but also about the very nature of twinship. What does it mean to have a mirror image? How can you be unique when somebody shares your DNA? In *One and the Same*, Abigail sets off on a quest to understand how genetics shape us, crisscrossing the country to explore the varied relationships between twins, which range from passionate to bitterly resentful. She speaks to the experts and tries to answer the question parents ask most—is it better to encourage their separateness or closeness? And she paints a riveting portrait of twin life, yielding fascinating truths about how we become who we are.

Same Same Marthe Jocelyn, 2011-12-14 Forget about differences! Here’s a wonderful new concept book to explore and enjoy! Marthe Jocelyn and Tom Slaughter team up again to deliver a delightfully simple book. Jocelyn’s marvelous concept — finding common characteristics in different creatures and objects — coupled with Slaughter’s masterful paper cuts makes *Same Same* a clever introduction to similarities, as well as a preface to modern art. The duo’s previous titles have received numerous awards worldwide; from Japan to Denmark, from France to Mexico. Fashioned in the traditional and stunning style of the pair’s past books, *Same Same* is a wonderful addition to their already impressive library.

Make It the Same Jacob Edmond, 2019-07-30 The world is full of copies. This proliferation includes not just the copying that occurs online and the replication enabled by globalization but the works of avant-garde writers challenging cultural and political authority. In *Make It the Same*, Jacob Edmond examines the turn toward repetition in

poetry, using the explosion of copying to offer a deeply inventive account of modern and contemporary literature. *Make It the Same* explores how poetry—an art form associated with the singular, inimitable utterance—is increasingly made from other texts through sampling, appropriation, translation, remediation, performance, and other forms of repetition. Edmond tracks the rise of copy poetry across media from the tape recorder to the computer and through various cultures and languages, reading across aesthetic, linguistic, geopolitical, and technological divides. He illuminates the common form that unites a diverse range of writers from dub poets in the Caribbean to digital parodists in China, samizdat wordsmiths in Russia to Twitter-trolling provocateurs in the United States, analyzing the works of such writers as Kamau Brathwaite, Dmitri Prigov, Yang Lian, John Cayley, Caroline Bergvall, M. NourbeSe Philip, Kenneth Goldsmith, Vanessa Place, Christian Bök, Yi Sha, Hsia Yü, and Tan Lin. Edmond develops an alternative account of modernist and contemporary literature as defined not by innovation—as in Ezra Pound’s oft-repeated slogan “make it new”—but by a system of continuous copying. *Make It the Same* transforms global literary history, showing how the old hierarchies of original and derivative, center and periphery are overturned when we recognize copying as the engine of literary change.

Same, Same But Different Jenny Sue Kostecki-Shaw, 2011-09-13 Elliot lives in America, and Kailash lives in India. They are pen pals. By exchanging letters and pictures, they learn that they both love to climb trees, have pets, and go to school. Their worlds might look different, but they are actually similar. Same, same. But different! Through an inviting point-of-view and colorful, vivid illustrations, this story shows how two boys living oceans

apart can be the best of friends.

Same Sun Here Neela Vaswani, Silas House, 2012-02-14

In this extraordinary novel in letters, an Indian immigrant girl in New York City and a Kentucky coal miner's son find strength and perspective by sharing their true selves across the miles. Meena and River have a lot in common: fathers forced to work away from home to make ends meet, grandmothers who mean the world to them, and faithful dogs. But Meena is an Indian immigrant girl living in New York City's Chinatown, while River is a Kentucky coal miner's son. As Meena's family studies for citizenship exams and River's town faces devastating mountaintop removal, this unlikely pair become pen pals, sharing thoughts and, as their camaraderie deepens, discovering common ground in their disparate experiences. With honesty and humor, Meena and River bridge the miles between them, creating a friendship that inspires bravery and defeats cultural misconceptions. Narrated in two voices, each voice distinctly articulated by a separate gifted author, this chronicle of two lives powerfully conveys the great value of being and having a friend and the joys of opening our lives to others who live beneath the same sun.

What If We Were All the Same! C. M. Harris, 2019-08-12

If We Were All the Same Fred Rogers, 1987 Tired of looking exactly alike, the people of the purple planet decide to become more colorful.

Ling & Ting Grace Lin, 2013-09-10 Ling and Ting are twins. They have the same brown eyes. They have the same pink cheeks. They have the same happy smiles. Ling and Ting are two adorable identical twins, and they stick together, whether they are making dumplings, getting their hair cut, or practicing magic tricks. But looks are deceiving-- people can be very different, even if they look exactly the same.

Same Kind of Different As Me Ron Hall, Denver Moore, 2008-03-09 A critically acclaimed #1 New York Times best-seller with more than one million copies in print! Now a major motion picture. Gritty with pain, betrayal, and brutality, this incredible true story also shines with an unexpected, life-changing love. Meet Denver, raised under plantation-style slavery in Louisiana until he escaped the “Man” in the 1960’s by hopping a train. Untrusting, uneducated, and violent, he spends 18 years on the streets of Dallas and Fort Worth. Meet Ron Hall, a self-made millionaire in the world of high-priced deals—an international arts dealer who moves between upscale New York galleries and celebrities. It seems unlikely that these two men would meet under normal circumstances, but when Deborah Hall, Ron's wife, meets Denver, she sees him through God's eyes of compassion. When Deborah is diagnosed with cancer, she charges Ron with the mission of helping Denver. From this request, an extraordinary friendship forms between Denver and Ron, changing them both forever. A tale told in two unique voices, *Same Kind of Different as Me* weaves two completely different life experiences into one common journey. There is pain and laughter, doubt and tears, and in the end a triumphal story that readers will never forget. Continue this story of friendship in *What Difference Do It Make?: Stories of Hope and Healing*, available now. *Same Kind of Different as Me* also is available in Spanish.

Same But Different: Teen Life on the Autism Express
Holly Robinson Peete, RJ Peete, Ryan Elizabeth Peete, 2016-02-23 Talk show host Holly Robinson Peete pairs with her twins in this narrative about the challenges and triumphs of being a teen who has autism and the effects on family, school, friends, and life. Being a teen is hard enough. But when you have autism--or when your

brother or sister is struggling with the disorder--life can be challenging. It's one thing when you're a kid in grade school, and a playdate goes south due to autism in a family. Or when you're a little kid, and a vacation or holiday turns less-than-happy because of an autistic family member. But being a teen with autism can get pretty hairy--especially when you're up against dating, parties, sports, body changes, school, and other kids who just don't 'get' you. In this powerful book, teenagers Ryan Elizabeth Peete and her twin brother, Rodney, who has autism, share their up-close-and-personal experiences on what it means to be a teen living with autism. **SAME BUT DIFFERENT**, explores the funny, painful, and unexpected aspects of teen autism, while daring to address issues nobody talks about. **SAME BUT DIFFERENT** underscores tolerance, love, and the understanding that everybody's unique drumbeat is worth dancing to.

The Same Sky Amanda Eyre Ward, 2015-01-20 From the acclaimed author of *How to Be Lost and Close Your Eyes* comes a beautiful and heartrending novel about motherhood, resilience, and faith—a ripped-from-the-headlines story of two families on both sides of the American border. Alice and her husband, Jake, own a barbecue restaurant in Austin, Texas. Hardworking and

popular in their community, they have a loving marriage and thriving business, but Alice still feels that something is missing, lying just beyond reach. Carla is a strong-willed young girl who's had to grow up fast, acting as caretaker to her six-year-old brother Junior. Years ago, her mother left the family behind in Honduras to make the arduous, illegal journey to Texas. But when Carla's grandmother dies and violence in the city escalates, Carla takes fate into her own hands—and with Junior, she joins the thousands of children making their way across Mexico to America, facing great peril for the chance at a better life. In this elegant novel, the lives of Alice and Carla will intersect in a profound and surprising way. Poignant and arresting, *The Same Sky* is about finding courage through struggle, hope amid heartache, and summoning the strength—no matter what dangers await—to find the place where you belong. Praise for *The Same Sky* “*The Same Sky* is the timeliest book you will read this year—a wrenching, honest, painstakingly researched novel that puts a human face to the story of undocumented youth desperately seeking their dreams in America. This one's going to haunt me for a long time—and it's going to define the brilliant Amanda Eyre Ward as a leading author of socially conscious fiction.”—Jodi Picoult, author of *Leaving Time* “Riveting, heartrending, and beautifully written, *The Same Sky* pulled me in on the first page and held my attention all the way to its perfect conclusion. I devoured this book.”—Christina Baker Kline, author of *Orphan Train* “Ward is deeply sympathetic to her characters, and this affecting novel is sure to provoke conversations about immigration and adoption.”—*The New York Times Book Review* “A deeply affecting look at the contrast between middle-class U.S. life and the brutal reality of Central American children so desperate they'll risk everything.”—*People* “Amanda Eyre Ward's novel of the

migrant journey, *The Same Sky*, is the most important book to come out of Austin this year.”—The Austin Chronicle

The Same and Not the Same Roald Hoffmann,1995 This study confronts some of the major ethical controversies in chemistry today, taking on such touchy subjects as the use of thalidomide, a tranquillizer once given to pregnant women and later found to cause serious birth defects

Same Old Horse Stuart J. Murphy,2005-08-23 Stuart J. Murphy travels all over the UnitedStates talking to thousands of kids. And you'll never believe what they talk about: MATH! Stuart shows kids that they use math every day -- to share a pizza, spend their allowance, even sort socks. Stuart writes funny stories about math -- and if you read his books, you'll start to see the fun in math, too. Same Old Horse Hankie wants to be unpredictable, but the other horses are sure he'll always be the same old Hankie. Someone's in for a surprise in this story about making predictions.

Different? Same! Heather Tekavec,2021-06-01 The zebra gallops, the bumblebee flies, the lemur leaps and the tiger prowls — “But look closer now ... We all have STRIPES!” This clever exploration of animal characteristics shows how each animal in diverse groups of four is completely different in many ways, but the same as the others in one significant way. Again and again, readers will be surprised at how animal traits come in many fascinating varieties! Think you know what makes animals different ... and the same? Look close, it’s right before your eyes!
