TV Without Cable: Your Complete Guide to Streaming TV and Over-The-Air Free TV James Eldredge,2015-09-03 Do you pay for cable or satellite TV? Do you want to pay half of what you currently pay and still get all the same great news, sports and entertainment?If your answers to these questions were both yes then you need to get this book today! James Eldredge, a thirteen year computer veteran, has put together a book filled with all of the information you need to cut the cable TV cord and move completely to internet and over-the-air streaming media. Taken from dozens of hours of research and personal experience, this book contains everything you need to get started streaming, whether you're a technology guru or a 'noobie.'Here's a sampling of what you'll learn from TV Without Cable: - How to get cable TV quality entertainment for half the cost - What 'OTA' TV is and how to get it for free - What pros and cons different streaming services offer - How to find out what local stations broadcast in your area - How to pick the right kind of digital TV antenna - And much

more! Keeping to his philosophy of making things as simple as possible, James has gone straight to the heart of the matter and included all of the essential information you NEED to know when getting ready to switch from cable TV to streaming TV. If you're looking for lots of complicated jargon that goes on and on for hundreds of pages, this isn't the book for you. If you're looking for a clear, plain English, no-nonsense explanation about the fundamentals and essentials of streaming TV and how to cut your cable bill, this is the book you need. James Eldredge is a thirteen year computer technology veteran and has worked with all types of clients, from stay-at-home moms to multi-million dollar law firms. James focuses on a simple approach to troubleshooting, focusing on the smart way of troubleshooting instead of beating his head against the wall. This unique angle has gained him hundreds of happy clients and helped him build a successful consulting business that helps teach users as much as it fixes their problems.
