Save the Cat! Blake Snyder, 2005 This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat!

All We Can Save Ayana Elizabeth Johnson, Katharine K. Wilkinson, 2021-07-20 NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it’s clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it’s a dynamic that sets us up for failure. To change everything, we need everyone. All We Can Save illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection

and celebration of visionaries who are leading us on a path toward all we can save. With essays and poems by: Emily Atkin • Xiye Bastida • Ellen Bass • Colette Pichon Battle • Jainey K. Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of

art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

The One Thing You'd Save Linda Sue Park, 2021-03-16 If your house were on fire, what one thing would you save? Newbery Medalist Linda Sue Park explores different answers to this provocative question in linked poems that capture the diverse voices of a middle school class. Illustrated with black-and-white art. When a teacher asks her class what one thing they would save in an emergency, some students know the answer right away. Others come to their decisions more slowly. And some change their minds when they hear their classmates' responses. A lively dialog ignites as the students discover unexpected facets of one another--and themselves. With her ear for authentic dialog and knowledge of tweens' priorities and emotions, Linda Sue Park brings the varied voices of an inclusive classroom to life through carefully honed, engaging, and instantly accessible verse.

Saving Us Katharine Hayhoe, 2022-09-20 United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling “optimistic view on why collective action is still possible—and how it can be realized” (The New York Times). Called “one of the nation’s most effective communicators on climate change” by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we

can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

My Greatest Save Briana Scurry, Wayne Coffey, 2022-06-21 A deeply moving and painfully honest memoir from the trailblazing, World Cup-winning, Olympic gold medalist, and US Women's soccer goalie Briana Scurry. Briana Scurry was a pioneer on the US Women's National Team. She won gold in Atlanta in 1996, the first time women's soccer was ever played in the Olympics. She was

a key part of the fabled “99ers,” making an epic save in the decisive penalty-kick shootout in the final. Scurry captured her second Olympic gold in 2004, cementing her status as one of the premier players in the world. She was the only Black player on the team, and she was also the first player to be openly gay. It was a singularly amazing ride, one that Scurry handled with her trademark generosity and class—qualities that made her one of the most popular players ever to wear a US jersey. But Scurry’s storybook career ended in 2010 when a knee to the head left her with severe head trauma. She was labeled “temporarily totally disabled,” and the reality was even worse. She spiraled into depression, debt, and endured such pain that she closed out her closest friends and soccer soulmates. She pawned her gold medals. She walked to the edge of a waterfall and contemplated suicide. It seemed like the only way out until Scurry made her greatest save of all. A memoir of startling candor, *My Greatest Save* is a story of triumph, tragedy, and redemption from a woman who has broken through barriers her entire life.

Save the Unicorns Helen Perelman, 2022-05-03 Princess Mini and her friends at Royal Fairy Academy take care of sick unicorns in this super-sweet story in the QUIX chapter book line that’s

Save Yourself Cameron Esposito, 2020-03-24 This hilarious and honest bestselling memoir from a rising comedy star tackles issues of gender, sexuality, feminism, and the Catholic childhood that prepared her for a career as an outspoken lesbian comedian (Abby Wambach). Cameron Esposito wanted to be a priest and ended up a stand-up comic. Now she would like to tell the whole queer as hell story. Her story. Not the sidebar to a straight person's rebirth-she doesn't give a makeover or plan a wedding or get a couple back together. This isn't a queer tragedy. She doesn't die at the end of this book, having finally decided to kiss the girl. It's the sexy, honest, bumpy, and triumphant dyke's tale her younger, wasn't-allowed-to-watch-Ellen self needed to read. Because there was a long time when she thought she wouldn't make it. Not as a comic, but as a human. SAVE YOURSELF is full of funny and insightful recollections about everything from coming out (at a Catholic college where sexual orientation wasn't in the nondiscrimination policy) to how joining the circus can help you become a better comic (so much nudity) to accepting yourself for who you are-even if you're, say, a bowl cut-sporting, bespectacled, gender-nonconforming child with an eye patch (which Cameron was). Packed with heart, humor, and cringeworthy stories anyone who has gone through puberty, fallen in love, started a career, or had period sex in Rome can relate to, Cameron's memoir is for that timid, fenced-in kid in all of us-and the fearless stand-up yearning to break free.
