Can I Have a Cell Phone for Hanukkah? Sharon Duke Estroff,2008-11-19 How do you help your child choose between mandatory baseball practice and Hebrew school? How can you plan a birthday party (not to mention bar or bat mitzvah party!) for your child without sacrificing your values, sanity, and pocketbook? How can you keep peace on the homework homefront? And how do you deal with Santa envy—let alone the entire month of December? As any modern Jewish parent knows, balancing family traditions and the realities of contemporary culture can be incredibly challenging. Answering questions both old and new, Jewish and secular, internationally syndicated parenting columnist and award-winning Jewish educator and mother of four, Sharon Duke Estroff illuminates the ways that Jewish tradition can be used to form a lasting, emotional safety net for modern families. Can I Have a Cell Phone for Hanukkah? is an instant classic.

**What Are You Doing in There?** Charlene C. Giannetti,Margaret Sagarese,2008-12-18 The middler years, ages ten through fifteen, have always been characterized by an urge for independence and secrecy from parents. But these days, that secrecy can lead to more danger than ever before. Tackling the frustrations and fears of parenting in a world where cyber predators make headlines every day and normal adolescents act out in ways that beg the question Where were the parents?, What Are You Doing in There? presents a new way of approaching a child's private life. In their inimitable, candid style, Charlene Giannetti and Margaret Sagarese offer a variety of strategies for staying informed without resorting to snooping, eavesdropping, or other embarrassing KGB-like tactics. Within each of a child's six privacy zones—bedroom, friends, romance, school, body, and the Internet—Giannetti and Sagarese educate parents about common cover-ups and how to establish limits that enhance a spirit of mutual respect within the household. Exploring not just whether to worry, but how to go about getting honest answers, What Are You Doing in There? charts a course designed to instill maturity that will last well beyond the middler years. The media constantly exhort parents to find out what the kids are really up to. Now there's finally a common-sense guidebook for addressing suspicions—without doing more harm than good.

The path is an amazing journey through which they discover the depths of their humanity and a startling method to shake the village at its roots. Perhaps they can shift the world toward happiness. Escape from the Village is an homage to true friendship which can sustain the human spirit even against physical and spiritual torture. It is a touching love story like no other. --Wendy McElroy She draws the pictures. He makes the music. They both share a big secret. Blm-Pd Myron J. Clifton,2020-01-07 WOMEN WILL LEAD THE REVOLUTION In the not too distant future, the US has been taken over by white nationalists, and the institutionalized racism that has underscored the country's entire history has once again been codified. California has seceded from the US, and a band of strong women plan to start the next civil war following the brutal death of their friend at the hands of the police. This is BLM-PD GET TO KNOW THESE UNFORGETTABLE WOMEN: KJ: A tech genius tired of being passed over for less-qualified white men, she decides to lead a revolution by hacking her company's defense files. What she finds leads her first towards revenge. Beast: AKA Jennifer, has it all: a good job, a hot bod, amazing hair, and a loving girlfriend. But she's angry. When her friend is murdered by a racist cop, she's ready to jump into a plot for vengeance. Queen: Dreadlocked and regal, Queen AKA Marilena, is as deadly with her Muay Thai as she is with her Kukri knife. Provocative. Glaring. Brilliant! - AP Like most African American men, Myron J. Clifton received the talk from his elders, instructing him on how to survive interactions with the police. He has heard the stories of police brutality, terror, and abuse of power from close family and friends. A prolific writer, Clifton was inspired by his experiences in the current American racial environment, and at this intersection of race, gender, a women, and interest in the intersection of race, gender, and politics, he has written this manuscript, his first novel; part

one of the BLM-PD story.
