For the Sender Alex Woodard,2015 A box with Love Letters From Vietnam etched on top holds letters written from a passionate yet deeply flawed soldier to his wife decades ago, but stays buried in a closet for years, until the Vietnam veteran is gunned down in the driveway of the home he rents for his mistress. As a way to work through her anger and sense of betrayal, his daughter, Jennifer, opens the box and sorts through the letters, answering four of them back in time to Vietnam . . . and then she writes to him in the heaven she hopes he has now found. After attending Alex Woodard's concert, Jennifer sends the singer-songwriter her package of letters, which launches Woodard on his own journey of exploring the dichotomy between dark and light as he imagines himself as Sergeant Fuller at war and begins to write songs sung from Fuller's heart. An album of songs included with the book propels this true story and features Woodard as Sergeant Fuller and Molly Jenson as Jennifer, singing songs based on the exchange of letters as a soundtrack that can hopefully lead to a final, redemptive father-daughter dance in Jennifer's heart.

Return to Sender Fern Michaels,2012-06-12 A single mother targets the man who abandoned her years ago in a “heartbreaking, suspenseful, and tender” novel by the New York Times-bestselling author (Booklist). At seventeen, Rosalind Lin Townsend found herself pregnant and alone. Her deeply religious father threw her out of the house, and Nick Pemberton, her baby's father, refused to marry her. Yet even at the lowest point in her life, Lin vowed to succeed on her own terms, and to give her son, Will, all the love and happiness she'd been denied. Nineteen years later, Lin has made good on her promises, and Will is about to head up north to start his freshman year at NYU. But when Lin visits New York with Will, she crosses paths with the one man she thought she'd never see again--Nick Pemberton, now a millionaire CEO, and the man who sent back all her letters unopened. Seeing him fills Lin with anger, and she resolves to right the wrong he did to Will. If she succeeds, like she has with everything else, the cost of revenge may be the loss of a bright new future. . . Why Do We Cry? Fran Pintadera,2020-04-07 This thoughtful, poetic book uses metaphors and beautiful imagery to explore the reasons for our tears. In a soft voice, Mario asks, “Mother, why do we cry?” And his mother begins to tell him about the many reasons for our tears. We cry because our sadness is so huge it must escape from our bodies. We cry because we don't understand the world, and our tears go in search of an answer. Most important, she tells him, we cry because we feel like crying. And, as she shows him then, sometimes we feel like crying for joy. This warm, reassuring hug of a book makes clear that everyone is allowed to cry, and that everyone does.

survived. Strengthened by her mother's credo, as long as there is life, there is hope, and by the promise of a new love and a new life, Riva endures the long years of waiting for real freedom and a real home. And just who is her mysterious new friend Gordon, and why is he so insistent on being in her life? While Savannah's heart is falling for Wade, her brain is telling her to run. Return to Sender Mindy S. Halleck,2014-10-23 1955 ~ Father Theo Riley never wanted to be a priest, nor a killer. The former boxing champion and Korean War veteran gave up more than a career when he went into the Army. He lost the only thing he ever wanted: his love, Andr  a Bouvre. Friends thought Theo entered the priesthood to mend his broken heart or atone for the massacred orphans he couldn't save in Korea. However, the truth is much darker and more damning, tied to a blood debt and family secret that has haunted Theo since he was a boy. He drinks to forget he ever had a life of his own; waits for death, prays for mercy, and hopes for a miracle. He gets all three when a child goes missing, another shows up on his doorstep, and the love of his life drives back into his world; the seaside hamlet of Manzanita Oregon. Theo's dream reunion with Andr  a becomes a nightmare when a serial killer who considers himself a holy man targets the town and everyone Theo loves. Drinking days decidedly behind him, Theo and some old warriors set out to send evil back to hell and a few good souls to heaven in RETURN TO SENDER.

For the Sender: Love Is (Not a Feeling) Alex Woodard,2014-02-25 Author and singer-songwriter Alex Woodard was in the audience, waiting to be called to the stage to perform at New York Times bestselling author Dr. Wayne Dyer's lecture presentation in New York. Dr. Dyer's daughter had written him a letter, and Alex had crafted a song about the letter in the spirit of his first Hay House release (*For The Sender: Four Letters. Twelve Songs. One Story.*). Any moment now, Alex would be asked to play it for the sold-out auditorium. But first Scarlett Lewis was invited to the stage. Scarlett's son was a six-year-old hero who died saving his friends' lives in the Newtown, Connecticut, elementary-school massacre, and her words of love rang deep through the packed house as she told her story. Alex noticed that Scarlett described love more as an action and less as a feeling, and made a mental note to speak to her after the presentation. Scarlett would soon send Alex a letter—and coupled with the letter from Dr. Dyer's daughter, the foundation would be set for Alex's spring 2014 release *For The Sender: Love Is (Not A Feeling)*. Through those letters (and three other inspiring examples), and songs from platinum-selling artists written about them, Alex weaves his own story of discovery as he sifts through the competing messages we receive daily about the most powerful of human experiences: love. He challenges mainstream media, the self-help establishment, and the reader to re-examine what really matters: what we actually do, for ourselves and each other. The end result is a deeply empowering reading and listening experience that will be featured in Dr. Dyer's 2014 PBS special and on stages nationwide this spring.

Via Negativa Daniel Hornsby,2021-07-06 A heartfelt, daring, divinely hilarious debut novel about a priest who embarks on a fateful journey with a pistol in his pocket and an injured coyote in his backseat. A beautiful and meditative exploration of shattered faith. —Brit Bennett, author of *The Vanishing Half* Father Dan is homeless. Dismissed by his conservative diocese for eccentricity and insubordination, he's made his exile into a kind of pilgrimage, transforming his Toyota Camry into a mobile monk's cell. Then he sees a minivan sideswipe a coyote. Unable to suppress his Franciscan impulses, he takes the injured animal in. With his unexpected canine companion in the backseat, Dan makes his way west, encountering other offbeat travelers and stopping to take in the occasional roadside novelty (*MARTIN'S HOLE TO HELL, WORLD-FAMOUS BOTTOMLESS PIT NEXT EXIT!*). But the coyote is far from the only oddity fate has delivered into this churchless priest's care: it has also given him a bone-handled pistol, a box of bullets, and a letter from an estranged friend. By the time Dan gets to where he's going, he'll be forced to reckon once and for all with the great mistakes of his past, and he will have to decide: is penance better paid with revenge, or with redemption?
