Love, Tussles, and Takedowns (A sexy tough tomboy & wounded soldier small town romance) Violet Duke,2015-01-29 He's a better fighter A fighter to the core, Hudson Reyes has collected enough battle scars now to last several lifetimes. But after his combat injuries retire him from the life he wasn't ready to give up, Hudson finds himself spending the carbon copy days of his new career as a Hollywood fight scene and weapons specialist just doing what he knows best: surviving. Until he meets her. The one woman who makes him want to live again. With wounds as deep as his own, she's a scrappy little thing--an angel-faced paradox that comes as a package deal with an offbeat town of admirably protective, but downright nosy folks. And a wicked roundhouse kick that's become intimately familiar with his head. ...but she has all the weapons. An antique arms authenticator by day and a self-defense instructor by night, Liana Lin has made a living turning the unthinkable demons of her past into the passions that fuel, and fill, her life. So when the unjustly handsome man she's been unable to stop thinking about literally takes her to the mat with martial arts styles unlike anything she's ever seen--pinning her with a molten hot stare that melts her like a marshmallow trapped between a graham cracker and a chocolate square--Lia flips into no-holds-barred fight mode. Because if one man could find a way to disarm her carefully-built defenses, it'd be him. Now if only they could stop sparring long enough to find out...

Pornified Pamela Paul,2007-04-01 Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time.—San Francisco Chronicle Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, Pornified exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. Pornified is an insightful,

shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

Dead Sexy Lulu M. Sylvian, 2019-08-13 Peter wants to fix his life, problem is: he's dead. Life doesn't give you do-overs, but does the afterlife? Believe in love after life. Gillian Denver has a unique talent, and it's not her ability to depict the systems of the body accurately and artistically. She can talk to spirits, only she doesn't realize it. Peter Keith, a one-time TV sitcom star whose career dissolved from A-list hunk, to out of shape, straight-to-cable-movie D-lister has a problem. Peter regrets decisions he made in his life, and would like a do-over. He convinces Gillian to help him. One little problem, Peter is dead. Thinking it's her overactive imagination causing her reoccurring dreams about Peter to spill into daylight hours, Gillian finds herself talking to him while she works. Together they begin to recreate Peter's life by writing a book the way he wishes things had worked out. Gillian is not fully convinced that Peter is anything more than something she made up, a glorified imaginary friend, a new muse. Gillian's feelings for Peter complicate her relationships with the living. She is afraid the love she has for Peter will never be enough because she cannot give him what he really needs, a resolution to the life he wasn't ready to leave.
