Craig Vetter

**Shaggy** Micah Locilento, 2002 Publication date scheduled to coincide with Shaggy's tour taking place in November 2002. First and foremost I am a reggae artist,' insists Shaggy. Born Orville Richard Burrell, the multi-platinum pop icon is a worldwide ambassador for reggae, but few know just how connected Shaggy is with Jamaican music. Delving into the musical trends that have evolved during Shaggy's formative years, the popularity of sound system 'deejays' and the influence of both 1970's reggae and Bob Marley, Locilento provides an insight into Shaggy's unique sound.'

**The Shaggy D. A.** Vic Crume, 1976

*A Weekend with Shaggy* Tracey Sullivan, 2023-01-12 Shaggy is visiting his cousin, Stella, for the weekend. Shaggy declares he's going to make all the rules for anything they play. When Shaggy and Stella play circus, Shaggy is the ring master, the lion tamer, and the trapeze artist. Stella is the clown. Stella isn't happy about Shaggy's energetic assertiveness and being a bossy, rascal cousin. In this picture book for children, Stella eventually finds her voice, and she discovers Shaggy is fun to play with after all. Shaggy and Stella bond not only as cousins but as friends, too. They can't wait for another fun weekend together.

**Shaggy Crowns** Nora Goldschmidt, 2013-12-12 Shaggy Crowns is the first book-length study in almost a hundred years of the relationship between Rome's two great epic poems. Quintus Ennius was once the monumental epic poet of Republican Rome, 'the father of Roman poetry'. However, around one hundred and fifty years after his epic *Annales* first appeared, it was replaced decisively by Virgil's *Aeneid*, and now survives only in fragments. Looking at the intersections between intertextuality and the appropriations of cultural memory, Goldschmidt considers the relationship between Rome's two great canonical epics. She focuses on how - in the use of archaism, the presentation of landscape, embedded memories of the Punic Wars, and fragments of exempla - Virgil's poem appropriates and re-writes the myths and memories which Ennius had enshrined in Roman epic. Goldschmidt argues that Virgil was not just a slicker 'new poet', but constructed himself as an older 'archaic poet' of the deepest memories of the Roman past, ultimately competing for the 'shaggy crown' of Ennius.

Shaggy Dogs Are Punny Tales Gene Child, 2013-06-06 Do you enjoy playing with language? Wordplay is an art-form savored by many. If you are in that rather select group, then this is the book for you! Each of these stories has a surprise ending, a modified cliché or adage, a perverted pun or some other amusing twist. ENJOY! WHAT SOME READERS HAVE SAID ABOUT THIS BOOK! "The brain-dead who do not enjoy puns, word play, and a good groan need not read this book!" —Dean Swift, Student "These are the Shaggy Dog Days of our lives." Jerry Blessinger, Teacher

**The Gospel According to Shaggy** Craig Vettters, 2017-06-21 If you are now or in the past been a pet owner, then you know a little about this book. Shaggy was a rescue dog. When we adopted him, he was about a year old, fully house broken and ready to go. It was during one of his many, many walks that I noticed his mannerism reflected things found in the scriptures. He never met a stranger and always seemed to reach out to those down on their luck or just lonely. Shaggy was the true ambassador where ever he happened to be. I have laughed myself silly watching him track down a squirrel or mole and return to the house with his trophy of the day. Full of pride, tail high in the air at least until he would lose some tail under a rocker strutting like he was the king. Then in a moment's notice, be sensitive to someone's need. This is his story that he left me to be part of. I know you will never look at your pet or someone's pet in quite the same way. You see they are really talking to you. I hope that you will begin to take notice of what they are trying to tell you. Now you are invited to come along with Shaggy and become part of his story. Blessings.

*Shaggy Muses* Maureen Adams, 2009-02-04 "You'll call this sentimental-perhaps-but then a dog somehow represents the private side of life, the play side," Virginia Woolf confessed to a friend. And it is this private, playful side, the richness and power of the bond between five great women writers and their dogs, that Maureen Adams celebrates in this deeply engaging book. In *Shaggy Muses*, we visit Elizabeth Barrett Browning and Flush, the golden Cocker Spaniel who danced the poet away from

death, back to life and human love. We roam the wild Yorkshire moors with Emily Brontë, whose fierce Mastiff mix, Keeper, provided a safe and loving outlet for the writer's equally fierce spirit. We enter the creative sanctum of Emily Dickinson, which she shared only with Carlo, the gentle, giant Newfoundland who soothed her emotional terrors. We mingle with Edith Wharton, whose ever-faithful Pekes warmed her lonely heart during her restless travels among Europe and America's social and intellectual elite. We are privileged guests in the fragile universe of Virginia Woolf, who depended for emotional support and sanity not only on her human loved ones but also on her dogs, especially Pinka—a gift from her lover, Vita Sackville-West—a black Cocker Spaniel who became a strong, bright thread in the fabric of Virginia and Leonard Woolf's life together. Based on diaries, letters, and other contemporary accounts—and featuring many illustrations of the writers and their dogs—these five miniature biographies allow us unparalleled intimacy with women of genius in their hours of domestic ease and inner vulnerability. *Shaggy Muses* also enchants us with a pack of new friends: Flush, Keeper, Carlo, Foxy, Linky, Grizzle, Pinka, and all the other devoted canines who loved and served these great writers.

*The Shaggy Steed of Physics* David Oliver, 2013-03-14 *The Shaggy Steed* is an unassuming figure from Irish folklore who reveals himself as an inspiring teacher of the forces hidden in the universe. This book celebrates an unassuming bit of physics that also turns out to be an inspiring teacher. The two-body problem - the motion of two bodies bound by the inverse-square force of gravity and electricity - is the Shaggy Steed of physics, guiding the reader to an understanding of both the forces and the mathematical beauty hidden in the physical world.

*Shaggy Dogs Story* Ron Finley, 2006 Two highly intelligent dogs escape their cruel existence as circus performers and search for the perfect human companion.

*Shaggy-dog and Mrs. Mole* Gerald Irwin, 2013-12 This is a love story about how a shaggy dog who lives on a farm saves a little mole from a fox and falls in love with her. Their life on the farm and their adventures through the years. They save 3 baby moles from the fox and raise them, watch them grow up and leave the farm. The book editor calls the book lovely and charming.

*The Shaggy Dog & Other Stories* John Pascal, 2017-07-31 Here is John Pascal once again, with a new book of entertaining fiction—a collection of sixteen Shaggy Dog stories and four more traditional tales, one a novelette. Saki (H.H. Munro) and O. Henry (William Sidney Porter) wrote short stories with surprise endings, but mainly satirical, not comedic. As Pascal tells us in his Preface to them: All Shaggy Dog tales are comedies, high or low, depending upon their subject matter and the writers' art. Briefly, getting to the conclusion of a good Shaggy Dog story can be well worth the wait; and in a truly great one there can be a lot of fun along the way. And he would agree that since traditionally these anecdotes have been related orally (at a Club, bar, or other private or limited venues), they have not been given the attention they deserve nor the entertainment they would provide to a larger audience.

*The Shaggy Dog Story Book* Harvey Martin, 2009-03 This collection of classic stories was not compiled to be just another prizewinning book of humor. However, for the majority of individuals who

get this book to read and enjoy as one of the funniest collections of groaners in existence today, it will be just that. You'll get the book, read it, get sick with laughter (even though you don't understand many of the stories), and then display it proudly in your bookcase along with the other best sellers you've collected over the years. About Harvey Martin I grew up in South St. Louis in an ethnic neighborhood just north of a German area know as down by the Bevois Mill, where the street car makes da bend in da track, aint it yet My greatest accomplishment was graduating from Missouri School of Mines and Metallurgy in the early sixties. Actually, that was my second greatest accomplishment, with my wife, children and grandchildren being the most significant. After graduating as a metallurgist, I left St. Louis and its terrible accent to go and make steel in Gary, IN. My resume includes that of an engineer, an entrepreneur, a writer, a golfer, an inventor, a Shaggy Dog storyteller supreme and light hauling when I can get it. My greatest downside is procrastination, but I just could not decide where to state that fact. That attribute completely explains why it has taken over 25 years to complete this project.

**Shaggy Dog Stories & Nursery Rhymes** Dave Dumanis,2010-03-31 Some of the influences that went into these poems: 60's reruns, 80's performance art, Hitchcock, Aesop's fables, surf culture, Zen, the i Ching, office culture, pop psychology, Dr. Seuss, Dr. Phil, Dr. Benway, and Dr. Caligari.

**Shaggy, Waggy Dogs (and Others)** Stephanie Calmenson,1998 Brief rhymes describe more than two dozen dog breeds. Includes an author's note with advice on choosing a dog as a pet.

Shaggy Dog and the Terrible Itch ,2010

**Shaggy-dog and Mrs. Mole** Gerald Irwin,2013-12-17 This is a love story about how a shaggy dog who lives on a farm saves a little mole from a fox and falls in love with her. Their life on the farm and their adventures through the years. They save 3 baby moles from the fox and raise them, watch them grow up and leave the farm. The book editor calls the book lovely and charming.
