**Myron Oygold** Jason Matthew Zalinger, 2017-08-24 What does it feel like to get a PhD? Doctorate programs can be simultaneously exhilarating and demoralizing. However, day-to-day, there is more psychological warfare raging in one's mind than most people may realize. These stories are written for graduate students. They follow the trials of Myron Oygold, a chain-smoking, Xanax-popping PhD student trying desperately to finish his doctorate, find lost love, and make something out of his life. Myron's heart and mind were broken by Ilana Berkowitz as their lives exploded in a mushroom cloud of love and pain. Still reeling from the fallout, Myron begins his PhD in Applied General Studies at Rensselaer Polytechnic Institute. He's not sure why he's there or what he's doing, but he knows Ilana has moved nearby in Albany, and he thinks he can make some meaning out of his life and find again what he lost in the War of D.C. However, finishing a PhD is hard for an anxious, neurotic guy like Myron. He encounters many obstacles: His dissertation adviser, who takes research money from the Department of Defense and Starbucks, a mysterious programmer who works in the Department of Secret Computer Science, the surreal iBaby with whom Myron falls in love, a brilliant, talking chipmunk, a Wikipedia conspiracy, and even a therapist named Carl—sent from God in Myron's time of need. Can Myron ever let go of the past? Can he learn to say what he needs to say? Will he finish his PhD? These linked stories can be read for pleasure. However, first-year PhD students will

find in them a way to reflect upon their own experience. Cutting across fields, the collection can be used in a wide variety of welcome-to-grad-school seminars, from communication studies, literature, and philosophy to engineering and the social sciences. "Myron Oygold: A Graduate Student Struggles is simultaneously quirky and funny, yet achingly sad. ... Myron Oygold is a memorable character, ensconced by despair yet existing in technologically mediated moments of joy and hope." – Shira Chess, Assistant Professor of Entertainment and Media Studies, University of Georgia "I went to school with Jason Zalinger. ... Often dark, at times scary, humorous, and scathing, but always thoughtful, Zalinger's prose flies off the page. Reading his stories brought back memories of school but also memories of fear." – Paul Booth, Associate Professor of Media and Cinema Studies/Communication Technology, DePaul University Jason Matthew Zalinger received his BA in English from the University of Connecticut, his MA in Media Ecology from New York University, and his PhD in Communication and Rhetoric from Rensselaer Polytechnic Institute.

**Coming Soon!!!** John Barth, 2001 In this novelistic romp that is by turns hilarious and brilliant, John Barth spoofs his own place in the pantheon of contemporary fiction and the generation of writers who have followed his literary trailblazing. *Coming Soon!!!* is the tale of two writers: an older, retiring novelist setting out to write his last work and a young, aspiring writer of hypertext intent on toppling his master. In the heat of their rivalry, the writers navigate, and sometimes stumble over, the cultural fault lines between print and electronic fiction, mentor and mentee, postmodernism and modernism.

*The Radical Right During Crisis* Eviane Leidig,2021-09-21 While the COVID-19 pandemic overshadowed all else and would quickly have a lasting impact on our daily lives, other events related to the radical right in 2020 soon surfaced. From terrorist attacks in Germany and India to anti-mask protests across the U.S. and Europe, radical right violence escalated in the midst of circulating conspiracy theories and disinformation. The yearbook draws upon insightful analyses from an international network of scholars, policymakers, and practitioners who explore the dynamics and impact of the radical right. It explores a wide range of topics including reflections on authoritarianism and fascism, the role of ideology and (counter-)intellectuals, and radical-right responses to the pandemic and calls for police reform in the height of the Black Lives Matter protests. It ends with important assessments on best approaches towards countering the radical right, both online and offline. This timely overview provides a broad examination of the global radical right in 2020, which will be useful for scholars, students, policymakers, journalists, and the public.
