**Slide** Jill Hathaway,2012-03-27 Vee Bell is certain of one irrefutable truth—her sister's friend Sophie didn't kill herself. She was murdered. Vee knows this because she was there. Everyone believes Vee is narcoleptic, but she doesn't actually fall asleep during these episodes: When she passes out, she slides into somebody else's mind and experiences the world through that person's eyes. She's slid into her sister as she cheated on a math test, into a teacher sneaking a drink before class. She learned the worst about a supposed friend when she slid into her during a school dance. But nothing could have prepared Vee for what happens one October night when she slides into the mind of someone holding a bloody knife, standing over Sophie's slashed body. Vee desperately wishes she could share her secret, but who would believe her? It sounds so crazy that she can't bring herself to tell her best friend, Rollins, let alone the police. Even if she could confide in Rollins, he has been acting distant lately, especially now that she's been spending more time with Zane. Enmeshed in a terrifying web of secrets, lies, and danger and with no one to turn to, Vee must find a way to unmask the killer before he or she strikes again.

**Slide and Find - Animals** Roger Priddy,2007-01-23 Young readers can slide back panels to match animals with their close-up pictures, colors, babies, and names. On board pages.

**Slide Already!** Kit Allen,2005-04-04 What do you do when you're at the top of the playground slide but not quite ready to go down yet? Friends are lining up behind you and the pressure is on . . . Here's the perfect book for anyone who's ever been afraid to go into the deep end, off the high dive, or go down the big slide. Come on—slide, already! Children will be drawn to the bold, cheerful art and the soft, puffy cover. The rounded corners and strong paper stock will make it difficult for children to rip.

**Baby's Very First Slide and See Animals** Fiona Watt,2015-04 Part of a brand new series, from the team that brought you Baby's Very First Play Books, this engaging, interactive board book is specially designed for very young children, full of vivid colours, stylish illustrations and friendly animals. Simple slider mechanisms allow a picture to be transformed, as a bush baby peers out from his tree trunk home, some meerkats pop up from their underground burrows, a monkey swings through the trees.

**The Long Slide** Tucker Carlson,2021-08-10 INSTANT NEW YORK TIMES BESTSELLER From the host of Tucker Carlson Tonight on Fox News and the New York Times bestselling author of Ship of Fools, a collection of nostalgic writings that underscore America's long slide from innocence to orthodoxy. Thirty years ago, Tucker Carlson got his first job out of college fact checking for a quarterly magazine, and he went on to write for many other publications before becoming the primetime Fox News host he is today. In The Long Slide, Tucker delivers a few of his favorite pieces—annotated with new commentary and insight—to memorialize the tolerance and diversity of thought that the media used to celebrate instead of punish. In snapshots spanning the 1990s to today, he'll take you on a visit to Africa with Al Sharpton and members of the Nation of Islam to stop the civil war in Liberia in 2003, inside the (not-so-) secret armies of Operation Iraqi Freedom, and on the campaign trail with Donald Trump in 2016. In case you missed it the first time around, you'll also learn about the aesthetic merits of British colonialism, the second shift at a baked bean factory, the unexpected charm of James Carville, and the simple beauty of rural western Maine. With his signature wit and 20/20 hindsight, Tucker investigates in this patriotic and memorable collection a question on all of our minds: Has America really changed that much in recent decades? The answer is, unequivocally, yes.
