[Jewish Partisans of the Soviet Union during World War II](#) Jack Nusan Porter,2021-08-31 Jewish Partisans of the Soviet Union is a classic compilation of original Russian and Jewish sources on the anti-Nazi resistance in Eastern Europe. It is rooted in decades of research motivated by a desire to set the record straight on Jewish participation in resistance movements, a phenomenon often overlooked when not actively concealed. As the son of Jewish partisans in Nazi-occupied Eastern Europe, Jack Porter presents here the result of his decades-long research: first-hand accounts and interviews with survivors and partisans, as well as some of their original work, and a seminal English translation of Partisan Brotherhood, a historical document gathered by Russian-Jewish intellectuals in 1948 at the height of anti-Semitic hysteria, written mainly by non-Jewish Soviet partisan commanders recounting the deeds of the Jewish fighters in their units.

*Cosmic Cocktails* Denise Little,2006-12-05 Bars and taverns are a time-honored human tradition--the perfect gathering places to trade news and gossip, to hang out, to complain, to celebrate, or just somewhere travelers can pass the time. Each has its own special and loyal clientele, though some welcome all comers. But what will such watering holes be like in the future? What form might they take on distant worlds--some human-run, some not--and on space stations? Who would be likely to frequent such places, and what tales would they have to tell? Here are fifteen original yarns that take you bar-hopping around the galaxy to places where you'll encounter: An alien life-form that needs to be drunk to get drunk. . . .A reporter on the trail of the true story about a legendary space pilot. . . .A couple of spacers who'd been led to a bar they might never blast out of again. . . .A saloon where time travelers might run out of time. . . .And more interstellar adventures that will have you wishing you could belly up to the bar—or its alien equivalent—and spend an evening taking in these tales beyond your wildest imagining. . .
