Clarence D. Rogers,Jefferson D. Barger

**ASCS Commodity Fact Sheet ,1968**

*Staple* Staple Family,2019-07-19 Show off your last name and family heritage with this Staple coat of arms and family crest shield notebook journal. Great birthday, diary, or family reunion gift for people who love ancestry, genealogy, and family trees.

Staple Security Jessica Barnes,2022-08-08 Egyptians often say that bread is life; most eat this staple multiple times a day, many relying on the cheap bread subsidized by the government. In *Staple Security*, Jessica Barnes explores the process of sourcing domestic and foreign wheat for the production of bread and its consumption across urban and rural settings. She traces the anxiety that pervades Egyptian society surrounding the possibility that the nation could run out of wheat or that people might not have enough good bread to eat, and the daily efforts to ensure that this does not happen. With rich ethnographic detail, she takes us into the worlds of cultivating wheat, trading grain, and baking, buying, and eating bread. Linking global flows of grain and a national bread subsidy program with everyday household practices, Barnes theorizes the nexus between food and security, drawing attention to staples and the lengths to which people go to secure their consistent availability and quality.

I'll Take You There Greg Kot,2014-01-21 “A biography that will send readers back to the music of Mavis and the Staple Singers with deepened appreciation and a renewed spirit of discovery” (Kirkus Reviews, starred review)—from the acclaimed music journalist and author featured prominently in the new HBO documentary *Mavis!* This is the untold story of living legend Mavis Staples—lead singer of the Staple Singers and a major figure in the music that shaped the civil rights era. One of the most enduring artists of popular music, Mavis and her talented family fused gospel, soul, folk, and rock to transcend racism and oppression through song. Honing her prodigious talent on the Southern gospel circuit of the 1950s, Mavis and the Staple Singers went on to sell more than 30 million records, with message-oriented soul music that became a soundtrack to the civil rights movement—inspiring Martin Luther King, Jr. himself. Critically acclaimed biographer and Chicago Tribune music critic Greg Kot cuts to the heart of Mavis Staples’s music, revealing the intimate stories of her sixty-year career. From her love affair with Bob Dylan, to her creative collaborations with Prince, to her recent revival alongside Wilco’s Jeff Tweedy, this definitive account shows Mavis as you’ve never seen her before. *I’ll Take You There* was written with the complete cooperation of Mavis and her family. Readers will also hear from Prince, Bonnie Raitt, David Byrne, and many others whose lives have been influenced by Mavis’s talent. Filled with never-before-told stories, this fascinating biography illuminates a legendary singer and group during a historic period of change in America. “Ultimately, Kot depicts the endurance of Mavis Staples and her family’s music as an inspiration, a saga that takes us, like the song that inspired this book’s name, to a place where ain’t nobody crying” (The Washington Post).

Staple Lengths of Cotton Consumed in the United States in Relation to Staple Lengths Produced, by John W. Wright and Fred Taylor Fred Taylor,United States. Agricultural Marketing Administration,1942

Staple Food Prices in Sub-Saharan Africa: An Empirical Assessment Cedric Okou,John A Spray,Ms. Filiz D Unsal,2022-07-08 This paper analyzes the domestic and external drivers of local staple food prices in Sub-Saharan Africa. Using data on domestic market prices of the five most consumed staple foods from 15 countries, this paper finds that external factors drive food price inflation, but domestic factors can mitigate these vulnerabilities. On the external side, our estimations show that Sub-Saharan African countries are highly vulnerable to global food prices, with the pass-through from global to local food prices estimated close to unity for highly imported staples. On the domestic side, staple food price inflation is lower in countries with greater local production and among products with lower consumption shares. Additionally, adverse shocks such as natural disasters and wars bring 1.8 and 4 percent staple food price surges respectively beyond generalized price increases. Economic policy can lower food price inflation, as the strength of monetary policy and fiscal frameworks, the overall economic environment, and transport constraints in geographically challenged areas account for substantial cross-country differences in staple food prices.

**Escape from the Staple Trap** Paul Kellogg,2015-10-06 From fur and fish to oil and minerals, Canadian development has often been understood through its relationship to export staples. This understanding, argues Paul Kellogg, has led many political economists to assume that Canadian economic development has followed a path similar to those of staple-exporting economies in the Global South, ignoring a more fundamental fact: as an advanced capitalist economy, Canada sits in the core of the world system, not on the periphery or semi-periphery. In *Escape from the Staple Trap*, Kellogg challenges statistical and historical analyses that present Canada as weak and disempowered, lacking sovereignty and economic independence. A powerful critique of the dominant trend in Canadian political economy since the 1970s, *Escape from the Staple Trap* offers an important new framework for understanding the distinctive features of Canadian political economy.
