Sticky Notes on the Wall Uma Ramani, 2019-10-04 You know how sometimes you read a book and it just instantly feels like it's your story as well? This is it!! -How does it feel to be tray-trapped on a long flight? -Why do we buy cheap trinkets and souvenirs at exorbitant unreasonable rates when holidaying? -Why do some people stay away from Facebook? -Should the modern complexly designed user unfriendly taps come with instruction manuals? Uma Ramani addresses these and many such interesting questions in this thought provoking and lively book. With a generous amount of subtle humour she paints the ordinary events of our everyday life with vibrant colours and make them utterly fascinating. So pick up the book, grab a cup of coffee, fit your butt in a comfy chair and warn your folks to ignore you if you are smirking at your coffee cup.

My Life in Sticky Notes Marcia Weiss Posner, 2017-10-26 This is as much a celebration of life as it is a memoir. My husband, Lou, and I each did our own thing but we always helped one another to accomplish what the other needed or wanted. We adored our children and took pleasure in them. I am relishing this pleasure once again while leaving a record for my family to build on and also revealing my personal journey from ignorance to being a student of Judaism. Ah! To have a chance to revisit those times has been wonderful. Not only did I want to leave a record for my children and grandchildren but also for my great grandchildren, but I also wanted to go on that grand adventure called "life" once again. True, it had its tragedies; doesn't every life? But its pleasures and high points and our wonderful marriage outweighed everything else.

Stick Habits Barney Matthews, “We are what we repeatedly do. Excellence, then, is not an act, but a habit” – Aristotle. What you do day in and day out ultimately determines your future. Exercising once will not get you fit. Exercising every day however, will. Writing one page will not make a book. Writing every day however, will. Studies have shown that habits comprise 40% of our daily actions. If a person develops good habits, good things will happen in their life. The good news is new habits are actually simple to create. You just need sticky notes and a pen. The 3” x 3” adhesive note pads (also known as “Post-its” or “Stickies”) work perfectly for creating habits. I call this sticky habits.

Sticky Notes Book Sophie Wallace, 2017-02-24 A book for the Sticky Note enthusiast! Instead of losing Sticky Notes, this book allows the owner to write on the ones in the picture on every other page- they get to satisfy their Sticky Note habit but they are unlosable as each page is a picture of Sticky Notes rather than real ones that could get lost. Perfect for doodling on! Combine your Sticky Note habit with the practicality of not having the risk that they get lost. Book is 6x9 so easily portable in bags or even pockets or to store around the house. The cover image (minus the title wording) is on every other page of the book, alternating with a blank page for you to write extra notes as you like. A great present for the Sticky Note enthusiast in your life, or treat yourself. Please note that the image used for the cover and interior Sticky Note pages is an artist's picture of Sticky Notes- ideal for doodling on but not an exact photographic image.
