Icons Margaret Stohl, 2013-05-07 Ro murmurs into my ear. Don't be afraid, Dol. They're not coming for us. Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro-safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions-which they've always thought to be their greatest weaknesses-may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts-in order to save their future.

The Business of iPhone and iPad App Development Dave Wooldridge, Michael Schneider, 2011-08-18 The phenomenal success of the iPhone, iPad and the iPod touch has ushered in a "gold rush" for developers, but with well over 300,000 apps in the highly competitive App Store, it has become increasingly difficult for new apps to stand out in the crowd. Achieving consumer awareness and sales longevity for your iOS app requires a lot of organization and some strategic planning. Updated and expanded for iOS 4, this bestselling book will show you how to incorporate marketing and business savvy into every aspect of the design and development process, giving your app the best possible chance of succeeding in the App Store. The Business of iPhone and iPad App Development was written by experienced developers with business backgrounds, taking you step-by-step through cost effective marketing techniques that have proven successful for professional iOS app creators-perfect for independent developers on shoestring budgets. No prior business knowledge is required. This is the book you wish you had read before you launched your first app!

Graphic Artists Guild Handbook, 16th Edition The Graphic Artists Guild, 2023-10-03 The industry bible for communication design and illustration professionals, with updated information, listings, and pricing guidelines. Graphic Artists Guild Handbook is the industry bible for communication design and illustration professionals. A comprehensive reference guide, the Handbook helps graphic artists navigate the world of pricing, collecting payment, and protecting their creative work, with essential advice for growing a freelance business to create a sustainable and rewarding livelihood. This sixteenth edition provides excellent, up-to-date guidance, incorporating new information, listings, and pricing guidelines. It offers graphic artists practical tips on how to negotiate the best deals, price their services accurately, and create contracts that protect their rights. Sample contracts and other documents are included. For the sixteenth edition, the content has been reorganized, topics have been expanded, and new chapters have been added to create a resource that is more relevant to how graphic artists work today.

Features include: More in-depth information for the self-employed on how to price work to make a sustainable living and plan for times of economic uncertainty. A new chapter on using skills and talents to maximize income with multiple revenue streams—workshops, videos, niche markets, passion projects, selling art, and much more. Current U.S. salary information and freelance rates by discipline. Pricing guidelines for buyers and sellers. Up-to-date copyright registration information. Model contracts and forms to adapt to your specific needs. Interviews with eleven self-employed graphic artists who have created successful careers, using many of the practices found in this Handbook.

Icons Micaela Heekin, 2020-02-25 Icons features colorful portraits of 50 of the most admired women in the fields of music, politics, human rights, and film. This diverse and inclusive collection features the world's most inspiring women, including Michelle Obama, Beyonce, Aretha Franklin, Dolly Parton, Ruth Bader Ginsburg, Yayoi Kusama and so many more. From singers to writers, activists to artists, politicians to filmmakers, Icons is a celebration of the strength of women. Illustrated by Monica Ahanonu, each portrait is accompanied by a short biography about what makes each woman a force to be reckoned with. • Share it with other women in your life: mom-to-daughter, daughter-to-mom, friend-to-friend • Read about the lives and accomplishments of each woman, or simply enjoy the enigmatic portraits. Ahanonu's illustrated portraits are both easily recognizable and also an artistic take on each featured woman's likeness and identity. • A smart and empowering collection of female role models • Perfect for those who loved In the Company of Women: Inspiration and Advice from over 100 Makers, Artists, and Entrepreneurs by Grace Bonney and Bygone Badass Broads: 52 Forgotten Women Who Changed the World by Mackenzi Lee

Medical Presentations Terry Irwin, Julie Terberg, Echo Swinford, 2024-03-06 “A comprehensive guide to planning, constructing, and delivering presentations. This is the missing manual that every doctor needs”. Rowan Parks, Professor of Surgical Sciences and Honorary Consultant Surgeon, University of Edinburgh; President of Royal College of Surgeons of Edinburgh “A fantastic, fool proof guide to presenting like a pro!” Alice Roberts, Professor of Public Engagement in Science, University of Birmingham; Broadcaster and Author This book will teach healthcare professionals how to craft more effective and engaging PowerPoint® presentations, taking readers through the preparation of a presentation from concept to delivery. The book is based on decades of the authors’ personal experiences teaching PowerPoint® and slide design. The text is based on a sound understanding of educational theory. Readers will learn how to present interesting and visually appealing slides. In particular, the focus will be on designing professional-looking slides that convey a clear and memorable message. The book will be valuable to any healthcare professional required to put together presentations, whether a high-flying academic doctor or nurse presenting their research at international conferences, a trainee giving a talk at an in-house educational session, or a student preparing a presentation as part of their course work.

Learning iPad Programming Kirby Turner, Tom Harrington, 2013-05-13 “Not many books have a single project that lives and evolves through the entire narrative. The reason not many books do this is because it is difficult to do well. Important toolkit features get shoehorned in weird places because the author didn't do enough up-front design time. This book, though, takes you from design, to a prototype, to the Real Deal. And then it goes further.” —Mark Dalrymple, cofounder of CocoaHeads, the international Mac and iPhone programmer community; author of Advanced Mac OS X Programming: The Big Nerd Ranch Guide Learning iPad Programming, Second Edition, will help you master all facets of iPad programming with Apple's newest tools. Its in-depth, hands-on coverage fully addresses the entire development process, from installing the iOS SDK through coding, debugging, submitting apps for Apple's review, and deployment. Extensively updated for Apple's newest iOS features and Xcode 4.x updates, this book teaches iPad programming through a series of exercises centered on building PhotoWheel, a powerful personal photo library app. As you build PhotoWheel, you'll gain experience and real-world insights that will help you succeed with any iPad development project. Leading iOS developers Kirby Turner and Tom Harrington introduce the essentials of iOS development, focusing on features that are specific to iPad. You'll find expert coverage of key topics many iOS development books ignore, from app design to Core Data. You'll also learn to make the most of crucial iOS and

Xcode features, such as Storyboarding and Automatic Reference Counting (ARC), and extend your app with web services and the latest iCloud syncing techniques. Learn how to Build a fully functional app that uses Core Data and iCloud syncing Use Storyboarding to quickly prototype a functional UI and then extend it with code Create powerful visual effects with Core Animation and Core Image Support AirPrint printing and AirPlay slideshows Build collection views and custom views, and use custom segues to perform custom view transitions Download the free version of PhotoWheel from the App Store today! Import, manage, and share your photos as you learn how to build this powerful app.

The Ladder Andrew Bernard,2021-02-19 Foreword by Colonel Dame Kelly Holmes. Regardless of one's plans for the future, many people's careers are founded on a series of chance encounters, experiences and serendipity. School, college, university, jobs, family, sports, hobbies, friends, relationships - these are all fertile grounds for career-related conversations and explorations.What if we teachers, guides, mentors, parents and peers started to notice these seemingly unconnected happenings and, indeed, started to engineer and encourage them to happen? Using the mantra 'every adult is a careers teacher', The Ladder will inspire teachers to explicitly link their

subject area to students' futures, both in school and outside its walls, and support them in doing so. Bernie draws upon his 30-year career in education and business development to bring clarity, focus and ideas to educators as to how they can best start students on their own ladders to success. Ultimately, in writing this book, Bernie's aim is to bring young people's futures to life with some personal skills reflection and forward planning designed to help them as they embark on their fulfilling futures - regardless of their upbringing, academic achievements or ethnic background.

Icons of Black America [3 volumes] Matthew Whitaker, 2011-03-09 This stunning collection of essays illuminates the lives and legacies of the most famous and powerful individuals, groups, and institutions in African American history. The three-volume *Icons of Black America: Breaking Barriers and Crossing Boundaries* is an exhaustive treatment of 100 African American people, groups, and organizations, viewed from a variety of perspectives. The alphabetically arranged entries illuminate the history of highly successful and influential individuals who have transcended mere celebrity to become representatives of their time. It offers analysis and perspective on some of the most influential black people, organizations, and institutions in American history, from the late 19th century to the present. Each chapter is a detailed exploration of the life and legacy of an individual icon. Through these portraits, readers will discover how these icons have shaped, and been shaped by, the dynamism of American culture, as well as the extent to which modern mass media and popular culture have contributed to the rise, and sometimes fall, of these powerful symbols of individual and group excellence.
