Jason Kasper

**Strike!** Jeremy Brecher,2014 Since its original publication in 1972, no book has done as much as Jeremy Brecher's *Strike!* to bring American labor history to a wide audience. *Strike!* narrates the dramatic story of repeated, massive, and sometimes violent revolts by ordinary working people in America and tells this exciting hidden history from the point of view of the rank-and-file workers who lived it. In this expanded edition, Brecher brings the story up to date with revised chapters that cover the 40 years since the original edition, placing the problems faced by working people today in the context of 140 years of labor history. A new chapter, *Beyond One-Sided Class War* presents the American minirevolts of the 21st century from the Battle of Seattle to Occupy Wall Street and beyond. Essential reading for anyone interested in the historical or present-day situation of American workers, this updated classic serves as inspiration for organizers, activists, and educators working to revive the labor movement today.

*Strike!* Jeremy Brecher,1977 An exciting history of American labor. -- The New York Times Book Review New and Recommended List

**Earth Strike** Ian Douglas,2010-02-23 In the vein of the hit television show *Battlestar Galactica* comes *Earth Strike*—the first book in the action-packed *Star Carrier* science fiction series by Ian Douglas, author of the popular *Inheritance*, *Heritage*, and *Legacy* Trilogies and one of the most adept writers of military sf working today. *Earth Strike* rockets readers into a vast and deadly intergalactic battle, as humankind attempts to bring down an evil empire and establish itself as the new major power. Fans of Robert Heinlein's *Starship Troopers* and Joe Haldeman's *The Forever War*, welcome aboard the *Star Carrier*!

**Lightning Strike** William Kent Krueger,2022-07-05 An instant New York Times bestseller, this prequel to the acclaimed Cork O'Connor series is “a pitch perfect, richly imagined story that is both an edge-of-your-seat thriller and an evocative, emotionally charged coming-of-age tale” (Kristin Hannah, #1 New York Times bestselling author) about fathers and sons, small-town conflicts, and the events that shape our lives forever. Aurora is a small town nestled in the ancient forest alongside the shores of Minnesota's Iron Lake. In the summer of 1963, it is the whole world to twelve-year-old Cork O'Connor, its rhythms as familiar as his own heartbeat. But when Cork stumbles upon the body of a man he revered hanging from a tree in an abandoned logging camp, it is the first in a series of events that will cause him to question everything he took for granted about his hometown, his family, and himself. Cork's father, Liam O'Connor, is Aurora's sheriff and it is his job to confirm that the man's death was the result of suicide, as all the evidence suggests. In the shadow of his father's official investigation, Cork begins to look for answers on his own. Together, father and son face the ultimate test of choosing between what their heads tell them is true and what their hearts know is right. In this “brilliant achievement, and one every crime reader and writer needs to celebrate” (Louise Penny, #1 New York Times bestselling author), beloved novelist William Kent Krueger shows that some mysteries can be solved even as others surpass our understanding.

**The Pullman Strike and the Crisis of the 1890s** Richard Schneirov,Shelton Stromquist,Nick Salvatore,1999 The Pullman strike of 1894 shut down the rail system from Chicago to the West Coast, culminating two decades of labor unrest and helping to define an epochal transition in American history. In this wide-ranging collection, leading labor historians use the prism of the Pullman strike to broaden our understanding of the crisis of the 1890s. By examining the strike in the context of continuities and changes in labor organization, the influences of gender and community, the public representation and contested meaning of labor conflict, the emergence of a new politics of progressive reform, the development of a regulatory state, and a changing legal environment, these essays resituate the Pullman conflict in its historical context. Illuminating one of the most important events in labor's past, *The Pullman Strike and the Crisis of the 1890s* testifies to the pivotal importance of the Pullman conflict and its aftermath for understanding the course of American history.

**Shadow Strike** Yaakov Katz,2019-05-07 A 2019 National Jewish Book Award Finalist At the top of my reading list. —Alan Dershowitz, professor emeritus at Harvard Law School Reads like an international thriller, but it is actually a compelling factual day-by-day (and sometimes hour-by-hour) account of an incident of acute threat and decisive action by the Jewish state.... —Jonathan Kirsch, *Jewish Journal Review* The never-before-told inside story of how Israel stopped Syria from becoming a global nuclear nightmare—and its far-reaching implications On September 6, 2007, shortly after midnight, Israeli fighters advanced on Deir ez-Zour in Syria. Israel often flew into Syria as a warning to President Bashar al-Assad. But this time, there was no warning and no explanation. This was a covert operation, with one goal: to destroy a nuclear reactor being built by North Korea under a tight veil of secrecy in the Syrian desert. *Shadow Strike* tells, for the first time, the story of the espionage, political courage, military might and psychological warfare behind Israel's daring operation to stop one of the greatest known acts of nuclear proliferation. It also brings Israel's powerful military and diplomatic alliance with the United States to life, revealing the debates President Bush had with Vice President Cheney and Israeli Prime Minister Ehud Olmert as well as the diplomatic and military planning that took place in the Oval Office, the Prime Minister's Office in Jerusalem, and inside the IDF's underground war room beneath Tel Aviv. These two countries remain united in a battle to prevent nuclear proliferation, to defeat Islamic terror, and to curtail Iran's attempts to spread its hegemony throughout the Middle East. Yaakov Katz's *Shadow Strike* explores how this operation continues to impact the world we live in today and if what happened in 2007 is a sign of what Israel will need to do one day to stop Iran's nuclear program. It also asks: had Israel not carried out this mission, what would the Middle East look like today?

**Strikes and Lockouts** United States. Bureau of Labor,1901

**The Cuckoo's Calling** Robert Galbraith,2013-04-30 Published under a pseudonym, J. K. Rowling's brilliant debut mystery introduces Detective Cormoran Strike as he investigates a supermodel's suicide in one of the best books of the year (*USA Today*), the first novel in the brilliant series that inspired the acclaimed HBO Max series *C.B. Strike*. After losing his leg to a land mine in Afghanistan, Cormoran Strike is barely scraping by as a private investigator. Strike is down to one client, creditors are calling, and after a breakup with his longtime girlfriend, he's living in his office. Then John Bristow walks through his door with a shocking story: His sister, the legendary supermodel Lula Landry -- known to her friends as the Cuckoo -- famously fell to her death a few months earlier. The police ruled it a suicide, but John refuses to believe that. The case plunges Strike into the world of multimillionaire beauties, rock-star boyfriends, and desperate designers, and it introduces him to every variety of pleasure, enticement, seduction, and delusion known to man. You may think you know detectives, but you've never met one quite like Strike. You may think you know about the wealthy and famous, but you've never seen them under an investigation like this.

**The Big Strike** Mike Quin,1979 The story of the great 1934 general strike in San Francisco. A classic of working-class journalism.

**Bird Strike** Michael N. Kalafatas,2015-02-02 On a warm and golden afternoon, October 4, 1960, a Lockheed Electra jet turboprop carrying 72 souls took off from Logan Airport. Seconds later, the plane slammed into a flock of 10,000 starlings, and abruptly plummeted into Winthrop Harbor. The collision took 62 lives and gave rise to the largest rescue mobilization in Boston's history, which included civilians in addition to police, firefighters, skindivers, and Navy and Coast Guard air-sea rescue teams. Largely because of the quick action and good seamanship of Winthrop citizens, many of them boys in small boats, ten passengers survived what the Civil Aeronautics Board termed a non-survivable crash. Using firsthand interviews with survivors of the crash, rescuers, divers, aeronautics experts, and ornithologists, as well as a wide range of primary source material, Kalafatas foregrounds the story of the crash and its aftermath to anchor a broader inquiry into developments in the aeronautics industry, the increase in the number of big birds in the skies of North America, and the increasing danger of bird strikes. Along the way he looks into interesting historical sidelights such as the creation of Logan Airport, the transformation of Boston's industrial base to new technologies, and the nature of journalistic

investigations in the early 1960s. The book is a rare instance when an author can simultaneously write about a fascinating historical event and a clear and present danger today. Kalafatas calls for and itemizes solutions that protect both birds and the traveling public.

**The Right to Strike** Leslie John Macfarlane,1981

**Students on Strike** John A. Stokes,Lois Wolfe,Herman J. Viola,2008 A look at growing up African American in the oppressive conditions of the South and attending segregated schools.

**Radical Seattle** Cal Winslow,2020-02-25 A historical analysis of the General Strike of 1919 in Seattle On a grey winter morning in Seattle, in February 1919, 110 local unions shut down the entire city. Shut it down and took it over, rendering the authorities helpless. For five days, workers from all trades and sectors – streetcar drivers, telephone operators, musicians, miners, loggers, shipyard workers – fed the people, ensured that babies had milk, that the sick were cared for. They did this with without police – and they kept the peace themselves. This had never happened before in the United States and has not happened since. Those five days became known as the General Strike of Seattle. Chances are you’ve never heard of it. In *Radical Seattle*, Cal Winslow explains why. Winslow describes how Seattle’s General Strike was actually the high point in a long process of early twentieth century socialist and working-class organization, when everyday people built a viable political infrastructure that seemed, to governments and corporate bosses, radical – even “Bolshevik.” Drawing from original research, Winslow depicts a process that, in struggle, fused the celebrated itinerants of the West with the workers of a modern industrial city. But this book is not only an account of the heady days of February 1919; it is also about the making of a class capable of launching one of America’s most gripping strikes – what E.P. Thompson once referred to as the long tenacious revolutionary tradition of the common people. Reading this book might increase the chance that something like this could happen again – possibly in the place where you live.

**Troubled Blood** Robert Galbraith,2020-09-15 \*\*\*The 7th novel in the Strike series, *THE RUNNING GRAVE*, is coming in September 2023. Pre-order now and be the first to read it\*\*\* Winner of the Crime and Thriller British Book of the Year Award 2021 'One of crime's most engaging duos' Guardian 'Magnificent' Sunday Times 'Finely honed, superbly constructed' Daily Mail 'Terrific' Daily Express Private Detective Cormoran Strike is visiting his family in Cornwall when he is approached by a woman asking for help finding her mother, Margot Bamborough - who went missing in mysterious circumstances in 1974. Strike has never tackled a cold case before, let alone one forty years old. But despite the slim chance of success, he is intrigued and takes it on; adding to the long list of cases that he and his partner in the agency, Robin Ellacott, are currently working on. Plus the pair are still battling their feelings for one another, while Robin is also juggling a messy divorce and unwanted male attention. As Strike and Robin investigate Margot's disappearance, they come up against a fiendishly complex case with leads that include tarot cards, a psychopathic serial killer and witnesses who cannot all be trusted. And they learn that even cases decades old can prove to be deadly . . . A breathtaking, labyrinthine epic, *Troubled Blood* is the fifth Strike and Robin novel and the most gripping and satisfying yet. Praise for the Strike series: 'A blistering piece of crime writing' Sunday Times 'The work of a master storyteller' Daily Telegraph 'Unputdownable' Daily Express 'Highly inventive storytelling' Guardian 'Superb . . . an ingenious whodunnit' Sunday Mirror 'Come for the twists and turns and stay for the beautifully drawn central relationship' Independent 'Outrageously entertaining' Financial Times

**The Ink Black Heart** Robert Galbraith,2022-08-30 \*\*\*The 7th novel in the Strike series, *THE RUNNING GRAVE*, is coming in September 2023. Pre-order now and be the first to read it\*\*\* THE NUMBER ONE SUNDAY TIMES BESTSELLER, JULY 2023 'A superlative piece of crime fiction' SUNDAY TIMES 'There can be no denying [Galbraith's] considerable talents as a crime writer' GUARDIAN 'Fans will be as entranced as ever' DAILY MAIL When frantic, dishevelled Edie Ledwell appears in the office begging to speak to her, private detective Robin Ellacott doesn't know quite what to make of the situation. The co-creator of a popular cartoon, *The Ink Black Heart*, Edie is being persecuted by a mysterious online figure who goes by the pseudonym of Anomie. Edie is desperate to uncover Anomie's true identity. Robin decides that the agency can't help with this - and thinks nothing more of it until a few days later, when she reads the shocking news that Edie has been tasered and then murdered in Highgate Cemetery, the location of *The Ink Black Heart*. Robin and her business partner Cormoran Strike become drawn into the quest to uncover Anomie's true identity. But with a complex web of online aliases, business interests and family conflicts to navigate, Strike and Robin find themselves embroiled in a case that stretches their powers of deduction to the limits - and which threatens them in new and horrifying ways . . . A gripping, fiendishly clever mystery, *The Ink Black Heart* is a true tour-de-force.

**Labor in Crisis** David Brody,1965 Conceived as a prologue to the 1930s industrial-union triumph in steel, *Labor in Crisis* explains the failure of unionization before the New Deal era and the reasons for mass-production unionism's eventual success. Widely regarded as a failure, the great 1919 steel strike had both immediate and far-reaching consequences that are important to the history of American labor. It helped end the twelve-hour day, dramatized the issues of the rights to organize and to engage in collective bargaining, and forwarded progress toward the passage of the Wagner Act, which, in turn, helped trigger John L. Lewis's decision to launch the CIO.

**Strike for the Common Good** Rebecca Kolins Givan,Amy Schrager Lang,2020-10-08 In February 2018, 35,000 public school educators and staff walked off the job in West Virginia. More than 100,000 teachers in other states—both right-to-work states, like West Virginia, and those with a unionized workforce—followed them over the next year. From Arizona, Kentucky, and Oklahoma to Colorado and California, teachers announced to state legislators that not only their abysmal wages but the deplorable conditions of their work and the increasingly straitened circumstances of public education were unacceptable. These recent teacher walkouts affirm public education as a crucial public benefit and understand the rampant disinvestment in public education not simply as a local issue affecting teacher paychecks but also as a danger to communities and to democracy. *Strike for the Common Good* gathers together original essays, written by teachers involved in strikes nationwide, by students and parents who have supported them, by journalists who have covered these strikes in depth, and by outside analysts (academic and otherwise). Together, the essays consider the place of these strikes in the broader landscape of recent labor organizing and battles over public education, and attend to the largely female workforce and, often, largely non-white student population of America’s schools.

**Covert Kill: A David Rivers Thriller** Jason Kasper,2021-12-21 FROM FORMER GREEN BERET AND USA TODAY BESTSELLING AUTHOR JASON KASPER Jason Kasper is a name to watch in the thriller world. -Mark Greaney, #1 New York Times Bestselling Author of the Gray Man Series When American citizens in Nigeria are kidnapped and held for ransom, David Rivers and his team of CIA contractors find themselves enveloped in an international firestorm. With a US administration determined to protect American lives, David has the authority to do whatever it takes. But as David's team tracks down the mysterious terror cell responsible for the kidnapping, they uncover a conspiracy beyond anything they could have imagined. And in a race against time to recover the hostages, David and his team must infiltrate the Sambisa Forest, a sprawling Boko Haram stronghold overflowing with enemy soldiers. Failure is not an option. Survival is not guaranteed.

**Kids on Strike!** Susan Campbell Bartoletti,1999 Describes the conditions and treatment that drove workers, including many children, to various strikes, from the mill workers strikes in 1828 and 1836 and the coal strikes at the turn of the century to the work of Mother Jones on behalf of child workers.

**Scorpion Strike** John Gilstrap,2018-06-26 An island paradise is taken hostage in a plot to spark global war in this “perfect summer read for thriller fans” by the New York Times bestselling author (Publishers Weekly, starred review). For Jonathan Grave and Gail Bonneville, the Crystal Sands Resort just off Mexico’s Pacific coast is the perfect getaway—until gunshots shatter the night.

Wealthy guests are yanked out of their rooms and forced to submit to their captors’ demands. But Grave and Bonneville are no ordinary vacationers. The Russian mercenaries who invade their bungalow receive a deadly surprise. And the two skilled operatives escape into the jungle. It won’t be long before the invaders turn this tropical paradise into a powder keg that will set off global chaos. Grave may be without weapons—and cut off from his usual tactical team—but he’s never without resources. Bold action is the only solution. Like the scorpion, Grave must strike fast and hard.

Yeah, reviewing a books **Strike** could go to your near friends listings. This is just one of the solutions for you to be successful. As understood, skill does not suggest that you have astounding points.

Comprehending as capably as concord even more than other will present each success. bordering to, the notice as competently as insight of this Strike can be taken as capably as picked to act.
