What Happened to You? Oprah Winfrey, Bruce D. Perry, 2021-04-27 ONE MILLION COPIES SOLD #1

NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. “Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives.”—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered Why did I do that? or Why can't I just control my behavior? Others may judge our reactions and think, What's wrong with that person? When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking “What’s wrong with you?” to “What happened to you?” Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It’s a subtle but profound shift in our approach to trauma, and it’s one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

The Beauty of Dusk Frank Bruni, 2022-03-01 From New York Times columnist and bestselling author Frank Bruni comes “a book about vision loss that becomes testimony to human courage, a moving memoir that offers perspective, comfort, and hope” (Booklist, starred review). One morning in late 2017, New York

Times columnist Frank Bruni woke up with strangely blurred vision. He wondered at first if some goo or gunk had worked its way into his right eye. But this was no fleeting annoyance, no fixable inconvenience. Overnight, a rare stroke had cut off blood to one of his optic nerves, rendering him functionally blind in that eye—forever. And he soon learned from doctors that the same disorder could ravage his left eye, too. He could lose his sight altogether. In this “moving and inspiring” (The Washington Post) memoir, Bruni beautifully recounts his adjustment to this daunting reality, a medical and spiritual odyssey that involved not only reappraising his own priorities but also reaching out to, and gathering wisdom from, longtime friends and new acquaintances who had navigated their own traumas and afflictions. The result is a poignant, probing, and ultimately “a positive message, a powerful reminder that with great vulnerability also comes great reward” (Oprah Winfrey). Bruni’s world blurred in one sense, as he experienced his first real inklings that the day isn’t forever and that light inexorably fades, but sharpened in another. Confronting unexpected hardship, he felt more blessed than ever before. *The Beauty of Dusk* is “a wonderful book. Honest. Poetic. Uplifting.” (Lesley Stahl).
