The Success Book Tim Johnson,Tom Johnson,2016-04-29 Success is often measured by financial successes and business achievements. The intention of this book is to help entrepreneurs, leaders and individuals to reflect and re-evaluate their current level of success, to see whether it is serving them or the people around them. Where their notions of what it is to be successful have come from, and whether they now feel appropriate to them.Authentic Success is by its very nature a personal journey of exploration and there are no rights or wrongs to each journey. What matters is whether it resonates with you. This book enables you to create a life path for yourself that is more harmonious for you to enjoy and experience, which in turn is more harmonious and satisfying for those around you. In that way we all could achieve more with less effort and less strife, which ultimately will help the world, become a slightly better place to live in. LID Publishing's popular Concise Advice Lab notebooks are designed to be quick and comprehensive brainstorming tools and skill-building resources for busy professionals. The small trim size makes it easy to take along in a briefcase or purse. Interior pages are matte finish, so ink won't smear, and there's plenty of space to jot notes. A ribbon makes it easy to mark your place, and the elastic outer band keeps the notebook closed.

Ultimate Success Gerald J. McPhail,2009-03 Everyone wants success. In times like these it is important to understand what success really is. There is a difference between good success and bad success. So, as we live and strive to achieve success, we can know that there are some God-given essentials to success. These essentials are laws or principles that must be practiced if we expect to experience that success God called good. These essentials are simple, but not necessarily easy. This book helps us understand success from God's word and provides a clear picture of how to experience good success as described in Joshua 1:1-9. This good success is the ultimate success we experience when practicing the following four essentials: 1-Hearing from God (HEAR IT), 2- Staying focused on what God says (SEE IT), 3- Following through on what God says to do (DO IT), and 4- Having faith in what God says (BELIEVE IT). Gerald J. McPhail, was born in Fayetteville, NC and raised in the Town of Wade, where he began learning of being an entrepreneur from his father. This country boy also learned from the many older people around him as he matriculated through E.E. Smith High School and Pfeiffer College. After being born again in 1982, he went on to receive a Masters of Public Administration (MPA) from the University of North Carolina at Chapel Hill. Gerald worked in local government for over 10 years. Having answered the call to ministry, he became founding pastor of Northeast Community Church and received his Masters of Divinity (MDiv) from Luther Rice Seminary. This Pastorprenuer is a cancer survivor, hotelier, real estate entrepreneur, and has served on many community boards. He is the father of four daughters and two grandchildren and has been married to Dr. Althea H. McPhail for over 23 years.
