What I Know For Sure Oprah Winfrey, 2014-09-02 As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons—which, for fourteen years, she's shared in *O, The Oprah Magazine's* widely popular What I Know For Sure column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in *What I Know For Sure*, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme—joy, resilience, connection, gratitude, possibility, awe, clarity, and power—these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women—while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and frequently humorous, the words Oprah shares in *What I Know For Sure* shimmer with the sort of truth that readers will turn to again and again.

Needing to Know for Sure Martin N. Seif, Sally M. Winston, 2019-12-01 Powerful skills based in cognitive behavioral therapy (CBT) to help you break

free from the fear of uncertainty and put a stop to compulsive checking and reassurance seeking. “How do I know I made the right decision?” “What if I’m wrong?” “I need to know for sure.” Do you have thoughts like these—thoughts that cause you to second-guess yourself, and lead to anxiety, stress, and worry? Do you find yourself repeatedly checking your email for no reason, asking others for their opinions about something again and again, or lying awake at night overanalyzing and planning ahead in an attempt to feel less anxious? If so, you probably have a problem with compulsive reassurance seeking. The good news is that you can break free from this “reassurance trap”—this book will show you how. In this unique guide, you’ll find proven-effective tips and tools using CBT to help you tolerate uncertainty, face specific worrying scenarios, and gradually reduce the compulsion to incessantly seek reassurance. Most importantly, you’ll learn to deal with those pesky “doubt attacks” and trust your own judgment. Asking for reassurance is a self-reinforcing behavior—if you do it, you’re less likely to handle stressful situations without needing further reassurance. And so the cycle continues. The CBT skills in this book will help you break this exhausting and painful pattern, so you can build self-confidence and improve your life.

On Being Sure in Religion Ian T. Ramsey, 2013-11-07 If believers are right in the significance they claim for religion, how can they tolerate uncertainties, or preach a Gospel of good news if they are uncertain what they are to talk about? Is religious conviction something which no honest man can profess? Do believers in fact speak with one voice? These are some of the questions that prompted this book, which embodies the F.D. Maurice lectures delivered at King's College London in 1961. It discusses topics that were causes of as much concern to Maurice as they are in our own day: 'eternal'

punishment; Christian social duty; the problem of subscription ex animo to Articles. Professor Ramsay argues that it is reasonable to be sure in religion while being tentative in theology. In the course of his discussion he compares Maurice and Newman in relation to their views on theological certainty, and also considers the question whether the time has come for revision of the Thirty-nine Articles.

As Matt and Jilly scheme to win the account, more than the competition is heating up. Suddenly they can't

This Time For Sure Hank Phillippi Ryan, 2021-09-19 What would you do if you had a second chance? A do-over? How far would you go to get back at the one who got away, the one who did you wrong, the one who tricked you, manipulated you, ignored you? The one who dumped you, cheated on you—or harmed a friend? What would you risk to have that one little chance to get back at them? Twenty-two brilliant skilled authors now offer their journeys into revenge. Retribution. Redemption. Revealed how they would even the score, turn the tables, make things right. One used a map. One a tape recorder. A decoy. A disguise. A lie. One even used a banana. And, fine. Because we are crime fiction authors, turns out there's a lot of murder involved. And because these are short stories—hang on for the ride. Twists, turns, surprises—and even some heartbreak. Because there's nothing as delicious and tempting as a second chance. Oh, we promise ourselves. This time for sure. With stories by Sharon Bader, Damyanti Biswas, Clark Boyd, Lucy Burdette, Karen Dionne, Elisabeth Elo, Elizabeth Elwood, Alexia Gordon, Heather Graham, G. Be Sure to Bury Your Dead T. J. Simo, 2001-05 Be Sure To Bury Your Dead. It

It was the only fact that made any sense considering that all of the information given to Jarco was that which belonged to a man who died two years prior, right around the time the deceased took his new position. No wonder none of his references hadn't seen him for some time. Now he not only didn't have a body, he also had no name. A routine insurance investigation turns into murder, with no body, no suspect, no clues. Jason Hallor, ex-DC cop and now Private Investigator, teams up with James Jones, a Detroit cop, on a case that takes them from Detroit to Vegas to Atlantic City and DC.
