They know nothing of the outside world except that it is where the Glacians reside - mystical and vicious winged creatures who bring meagre rations in exchange for a periodic human sacrifice. The Distraction Morgan Elizabeth,2021-10-19 The last thing he needs is a distraction. Hunter Hutchin's success is due to one thing, and one thing only: his unerring focus on Beaten Path, the outdoor recreation company he built from the ground up after his first business was an utter failure. When his dad gets sick, Hunter is forced to go back to his hometown and prove once and for all that his father's belief in him wasn't for nothing. With illness looming, distractions are unacceptable. Staying with his sister, he meets Hannah, the sexy nanny who has had his head in a frenzy since they met. When Hunter's dad gets sick, he's forced to leave the city and move back into the small town he grew up in at his sister's house. Ever since he watched Hannah dance into his life, he's finding himself drifting from his goals and purpose - or is he drifting closer to them? She refuses to make the same

mistakes as her mother. Hannah Keller grew up watching what happens when a family falls apart and lived through those consequences. When it's time, she won't make the same mistake by settling for anyone. But when the uncle of the kids she nannies comes to stay for the summer, she can't help but find herself drawn to the handsome, standoffish man who is definitely not for her. Can she get through the summer while protecting her heart? Or will he breakthrough and leave her broken? *The Distraction* is a contemporary forced proximity/grumpy sunshine romance. It's book one in the Springbrook Hills series but can be read as a standalone. It is a full-length romance with a Happily Ever After that features sexually explicit material and profanity. Say You'll Remember Me Katie McGarry, 2018-01-30 "Authentic, edgy, and fraught with realistic, heartfelt conflict and romantic tension . . . a fantastic coming of age story." —Samantha Young, New York Times–bestselling author When Drix was convicted of a crime—one he didn't commit—he thought his life was over. But opportunity came with the Second Chance Program, the governor's newest pet project to get delinquents off the streets, rehabilitated, and back into society. Drix knows this is his chance to get his life back on track, even if it means being paraded in front of reporters for a while. Elle knows she lives a life of privilege. As the governor's daughter, she can open doors with her name alone. But the expectations and pressure to be someone she isn't may be too much to handle. She wants to follow her own path, whatever that means. When Drix and Elle meet, their connection is immediate, but so are their problems. Drix is not the type of boy Elle's parents have in mind for her, and Elle is not the kind of girl who can understand Drix's messy life. But sometimes love can breach all barriers. Fighting against a society that can't imagine them together, Drix and Elle must push themselves—Drix to confront the truth of the robbery, and Elle to assert her independence—and each other to finally get what they deserve. "This story broke my heart and then stitched it back together before I finished the last page." —Kami Garcia, #1 New York Times–bestselling coauthor of *Beautiful Creatures* "McGarry delivers a romantic tale with substance, and Elle and Drix are characters worth getting to know." —Publishers Weekly

Book Lovers Emily Henry, 2022-05-03 "One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

The Cheat Sheet Sarah Adams,2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.
