Robert Munsch

T.D. Jakes Shayne Lee, 2007-11 Examines the rise of one of the most prolific spiritual leader of modern times T.D. Jakes has emerged as one of the most prolific spiritual leaders of our time. He is pastor of one of the largest churches in the country, CEO of a multimillion dollar empire, the host of a television program, author of a dozen bestsellers, and the producer of two Grammy Award-nominated CDs and three critically acclaimed plays. In 2001 Time magazine featured Jakes on the cover and asked: Is Jakes the next Billy Graham? T.D. Jakes draws on extensive research, including interviews with numerous friends and colleagues of Jakes, to examine both Jakes's rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption. Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly, looking at the ramifications of his rise—and the rise of similar preachers—for the way in which religion is practiced in this country, how social issues are confronted or ignored, and what is distinctly “American” about Jakes's emergence. While offering elements of biography, the work also seeks to shed light on important aspects of the contemporary American and African American religious experience. Lee contends that Jakes's widespread success symbolizes a religious realignment in which mainline churches nationwide are in decline, while innovative churches are experiencing phenomenal growth. He emphasizes the “American-ness” of Jakes's story and reveals how preachers like Jakes are drawing followers by delivering therapeutic and transformative messages and providing spiritual commodities that are more in tune with postmodern sensibilities. As the first work to critically examine Bishop Jakes's life and message, T.D. Jakes is an important contribution to contemporary American religion as well as popular culture.

T.D. Lee Hai-Cang Ren,Yang Pang,1998-07-28 This collection of papers by the renowned physicist, T.D. Lee, covers the four main areas of his work since 1985: soliton stars and black holes; discrete physics; condensed matter and many-body systems; and relativistic heavy ion collisions, particle physics and field theory. In addition, the book contains several of Professor Lee's lectures on such topics as the evolution of physics in this century and the strong link between the sciences and the arts.

The Journey of T.D. Jakes Richard Young,2015-02-02 Discover the lessons Thomas Dexter Jakes learned as a young boy growing up in Appalachian poverty. Experience the victory and redemption of a young man who faced—and overcame—the seduction of drugs and crime. Witness the entrepreneurial seeds that were planted as he shouldered the responsibilities of his deceased father's business as a teenager. Then, behold his rise from pastor of a tiny rural congregation to the leader of a 30,000-member megachurch in one of America's largest cities. Through his experiences, you will discover how you, too, can: Develop your own God-given vision. See miracles in your life. Reap the blessings of faith. Overcome obstacles. Change your part of the world. Be led by the Holy Spirit.

Cyclic Creep and Fatigue of TD-NiCr (thoria-dispersion-strengthened Nickel-chromium), TD-Ni, and NiCr Sheet at 1200 C Marvin H. Hirschberg,1972 The resistance of thin TD-NiCr sheet to cyclic deformation was compared with that of TD-Ni and a conventional nickel-chromium alloy. Strains were determined by a

calibration technique which combines room-temperature strain gage and deflection measurements with high-temperature deflection measurements. Analyses of the cyclic tests using measured tensile and creep-rupture data indicated that the TD-NiCr and NiCr alloy specimens failed by a cyclic creep mechanism. The TD-Ni specimens, on the other hand, failed by a fatigue mechanism.

T. D.'s Truths Stanley R Frazier and Janice Frazier, 2013-04-03
“Mrs. Thereasea Elder is a visionary and innovator, a historian and truly a phenomenal woman who loves her family, friends and community.” --Mrs. Sarah Mingo Stevenson “When she calls one to do something, one does not ask questions, one just “shows up” to work.” --Bertha Allen “She is loved by legions of people across Charlotte because of her love for our people and our history.” --Harvey Gantt “She has been a most influential and positive force in my life. I take this journey to God that she has charted for me.” -Beverly Cotton Lawston (Deceased 2011) “She has helped generations of women and Charlotte residents understand the function and structure of governments.” --Maxine H. Eaves

Moira's Birthday Robert Munsch,2019-10-21 Moira's afraid her parents might get upset if they find out she invited the whole school to her birthday party... so she just doesn't tell them. The big day arrives, and grades 1, 2, 3, 4, 5, 6, annnnnd kindergarten all come knocking down her door. Before long, the house is a total disaster and Moira's parents are going crazy trying to figure out how to get enough pizzas and birthday cake to feed everyone. Just leave it to Moira—she'll figure it all out, and even get the house cleaned up in the process! A newly designed Classic Munsch picture book introduces this charming tale of the world's most boisterous birthday to a new generation of young readers.

Banking On America Howard Green,2013-01-15 Since its beginning, when its predecessor, the Bank of Toronto, was founded by a group of flour millers and grain dealers, TD Bank has evolved into one of the most proactive financial institutions on the planet. Today, it is a cross-border colossus. The bank's expansion into the United States could yet prove to be one of its most successful ventures, with the familiar TD logo and its green background lighting up buildings in Manhattan and other major American cities. The bank is also the largest shareholder of TD Ameritrade, a company that does more daily trades than any other online brokerage in the world, and the bank itself now has over 1,300 branches in the States—more than it has in Canada—even as other institutions continue to close in the face of the financial crisis. Howard Green, Canada's best-known interviewer of business notables, brings this Canadian bank to life through the people who

have built it into a money-spinning machine that now generates some \$19 million a day in profit. From the times of former executive Keith Gray, who kept a revolver on his desk in the rural Ontario branches of the 1950s, to today's CEO, Ed Clark, who oversees 85,000 employees, 22 million customers and more than three-quarters of a trillion dollars in assets, this iconic Canadian company has outshone its American counterparts and is now taking over their world.
