Tex/Zipper Duet (Dixie Reapers MC) Jessica Coulter Smith,Harley Wylde,2019-04-02 Veteran. Biker. Father. Husband? One look and I know I'll protect her at all costs. Tex (Dixie Reapers MC 6) Tex: Fifteen years ago I signed away the rights to a child I'd never seen and joined the Army, putting my past, including the Dixie Reapers, firmly in my rearview. Now I'm back, and I'll do anything in my power to save the daughter I've never met. I just didn't count on rescuing two damsels. Kalani's got trouble written all over her. Kalani: Hillview Asylum looks presentable enough, but I know firsthand the horrors inside those walls. Now I'm faced with a man who makes me want things I shouldn't, but Tex keeps the nightmares at bay. For the first time in my life, I feel safe. Protected. But now I want more... I want to be loved. Zipper (Dixie Reapers MC 7) Delphine: Six years ago, I chased away the guy I've been in lust with ever since my hormones kicked in. Now I need help, and there's nowhere to go except straight to the Dixie Reapers. If Zipper won't help me, I'm as good as dead. Is it wrong that I hope I end up in his bed? I've never stopped wanting him, and I know I never will. Zipper: The girl who had turned my life upside down wants my help. Now she says I can have anything I want. Naughty girl. Didn't anyone ever tell her not to tempt the devil? As for the men trying to kill her, it's only a matter of time before they breathe their last. No one hurts my woman.

The Complete Walker IV Colin Fletcher,Chip Rawlins,2015-11-17 For the first time since 1984, we have a new edition of the classic book that Field & Stream called "the Hiker's Bible." For this version, the celebrated writer and hiker Colin Fletcher has taken on a coauthor, Chip Rawlins, himself an avid outdoorsman and a poet from Wyoming. Together, they have made this fourth edition of The Complete Walker the most informative, entertaining, and thorough version yet. The eighteen years since the publication of The Complete Walker III have seen revolutionary changes in hiking and camping equipment: developments in waterproofing technology, smaller and more durable stoves, lighter boots, more manageable tents, and a wider array of food options. The equipment recommendations are therefore not merely revised and tweaked, but completely revamped. During these two decades we have also seen a deepening of environmental consciousness. Not only has backpacking become

more popular, but a whole ethic of responsible outdoorsmanship has emerged. In this book the authors confidently lead us through these technological, ethical, and spiritual changes. Fletcher and Rawlins's thorough appraisal and recommendation of equipment begins with a "Ground Plan," a discussion of general hiking preparedness. How much to bring? What are the ideal clothes, food, boots, and tents for your trip? They evaluate each of these variables in detail—including open, honest critiques and endorsements of brand-name equipment. Their equipment searches are exhaustive; they talk in detail about everything from socks to freeze-dried trail curries. They end as they began, with a philosophical and literary disquisition on the reasons to walk, capped off with a delightful collection of quotes about walking and the outdoor life. After a thoughtful and painstaking analysis of hiking gear from hats to boots, from longjohns to tent flaps, they remind us that ultimately hiking is about the experience of being outdoors and seeing the green world anew. Like its predecessors, *The Complete Walker IV* is an essential purchase for anyone captivated by the outdoor life.

Beyond Design Sandra J. Keiser, Deborah A. Vandermar, Myrna B. Garner, 2022-01-01 *The Synergy of Apparel Product Development*, Fifth Edition maps the processes required to bring apparel products from concept to consumer. This full-color text takes students step-by-step through the decision-making involved in the pre-production processes of apparel product

development including business, creative, technical, and production planning. Updated chapter content reflects evolving industry practice. It demonstrates how these processes must be coordinated to get the right product to market, when consumers want it, and at a price they are willing to pay in an increasingly digital environment. The text seeks to address how functional approaches vary depending on a business's size and fashion focus. More global in scope, the fifth edition includes examples and case studies of multinational companies and incorporates global nomenclature when it differs from the US industry. This new edition also advances its discussion of how new technologies continue to shorten the product development calendar. The book is written to help students anticipate the chaotic pace of change not only in fashion trends, but also in the fashion system itself--
