Screen Savers II: My Grab Bag of Classic Movies John Dileo,2015-04-19 Screen Savers II is John DiLeo's three-part grab bag of classic movies, beginning with his extensive essays about ten remarkable and underappreciated movies, as in the first Screen Savers, and representing a variety of genres and stars such as Barbara Stanwyck, James Stewart, Ginger Rogers, and DiLeo favorite Joel McCrea. Part Two collects and categorizes posts from DiLeo's classic-film blog screensaversmovies.com, containing his musings on classics revisited, sleepers and stinkers, films old and new, plus his memorial tributes to Hollywood notables. Part Three might be called a delayed bonus round to DiLeo's 1999 quiz book, with all-new matching quizzes. Enchantment Guy Kawasaki,2012-12-31 Enchantment, as defined by bestselling business guru Guy Kawasaki, is not about manipulating people. It transforms situations and relationships. It converts hostility into civility and civility into affinity. It changes skeptics and cynics into believers and the undecided into the loyal. Enchantment can happen during a retail transaction, a high-level corporate negotiation, or a Facebook update. And when done right, it's more powerful than traditional persuasion, influence, or marketing techniques. Kawasaki argues that in business and personal interactions, your goal is not merely to get what you want but to bring about a voluntary, enduring, and delightful change in other people. By enlisting their own goals and desires, by being likable and trustworthy, and by framing a cause that others can embrace, you can change hearts, minds, and actions.
