The Thing The Book Jonn Herschend, Will Rogan, 2014-09-23 What exactly is a book? This wildly inventive and thought-provoking volume asks that question of more than 30 of today's top creative visionaries, from Ed Ruscha to Miranda July, John Baldessari to Jonathan Lethem. Each traditional element of a book—from endpapers to footnotes—is assigned to a different artist or writer invited to use the space as a creative playground. The result is a collaborative group art project like no other. A ribbon bookmark by David Shrigley, page numbers by Tauba Auerbach, endnotes by Rick Moody—each contribution surprising and brilliant. This one-of-a-kind book will entrance anyone who appreciates art, literature, and the surprising possibilities that emerge when the two collide.

Different--A Great Thing to Be! Heather Avis, 2021-06-29 NEW YORK TIMES BESTSELLER • This joyful rhyming book encourages children to value the “different” in all people, leading the way to a kinder world in which the differences in all of us are celebrated and embraced. Macy is a girl who’s a lot like you and me, but she’s also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us “different,” permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them.

Lida does not think he is entitled to any such consolations, and decides to teach him a lesson: she begins to write him, pretending to be someone else. The Almost Impossible Thing Basak Agaoglu, 2017-04-04 Nothing is so impossible that it shouldn't be tried. Even if you're a bunny hoping to fly. A tribute to teamwork, big dreams, perseverance, and those who don't listen when others say their goals are unreachable. The person who says it cannot be done should not interrupt the person doing it.--Chinese Proverb Most of us want to fly--even if we know we're rooted to the ground. Especially if we know we're rooted to the ground! So when a rabbit spots a bird soaring in beautiful, colorful loop-de-loops, a dream is born. Though her friends tell her You can't do that! our rabbit is undeterred. Through comical ski jumps, trampoline bounces, swings on the trapeze, and experiments with kites . . . somehow, some way, there must be a way to fly. And there is! Teamwork. Debut author/illustrator Basak Agaoglu delivers a story of faith, persistence, and humor--along with some of the most adorable, child-friendly art ever seen. For fans of *Extremely Cute Animals Operating Heavy Machinery*.

The 100 Thing Challenge Dave Bruno, 2010-12-28 “Reading this will lead you to a better life.” –Dean Nelson, author of *God Hides in Plain Sight* In *The 100 Thing Challenge* Dave Bruno relates how he remade his life and regained his soul by getting rid of almost everything. But *The 100 Thing Challenge* is more than just the story of how one man started a movement to unhook himself from consumerism by winnowing his life’s possessions down to 100 things in one year. It’s also an inspiring, invigorating guide to how we all can begin to live simpler, more meaningful lives.

Love Is My Favorite Thing Emma Chichester Clark, 2020-12-29 Starring an enthusiastic pooch whose joy, optimism and love know no bounds, this lively picture book is based on Emma Chichester Clark’s own dog, and joyfully celebrates unconditional love. Plum has lots of favorite things—catching sticks, her bear, her bed—but really, LOVE is her absolute favorite thing. She loves her family and all the things they do together. Sometimes, however, Plum’s exuberance causes trouble, and she just can’t help being naughty. But fortunately, love is such a great thing that even when she makes mistakes, Plum’s family still adores her.

I Am Every Good Thing Derrick Barnes, 2020-09-01 An upbeat, empowering, important picture book from the team that created the award-winning *Crown: An Ode to the Fresh Cut*. A perfect gift for any special occasion! I am a nonstop ball of energy. Powerful and full of light. I am a go-getter. A difference maker. A leader. The confident Black narrator of this book is proud of everything that makes him who he is. He's got big plans, and no doubt he'll see them through--as he's creative, adventurous, smart, funny, and a good friend. Sometimes he falls, but he always gets back up. And other times he's afraid, because he's so often misunderstood and called what he is not. So slow

down and really look and listen, when somebody tells you--and shows you--who they are. There are superheroes in our midst!

The Nature of Things Anthony M. Quinton, 2019-03-07 Originally published in 1973. In this systematic treatise, Anthony Quinton examines the concept of substance, a philosophical refinement of the everyday notion of a thing. Four distinct, but not unconnected, problems about substance are identified: what accounts for the individuality of a thing; what confers identity on a thing; what is the relation between a thing and its appearances; and what kind of thing is fundamental, in the sense that its existence is logically independent of that of any other kind of thing? In Part 1, the first two problems are discussed, while in Part 2, the third and fourth are considered. Part 3 examines four kinds of thing that have been commonly held to be in some way non-material: abstract entities; the un-observable entities of scientific theory; minds and their states; and, finally, values. The author argues that theoretical entities and mental states are, in fact, material. He gives a linguistic account of universals and necessary truths and advances a naturalistic theory of value.

Thing Explainer Randall Munroe, 2015 The creator of the popular webcomic xkcd uses line drawings and common words to provide simple explanations for how things work, including microwaves, bridges, tectonic plates, the solar system, the periodic table, helicopters, and other essential concepts.

The Lost Thing Shaun Tan, 2000 A boy discovers a bizarre-looking creature while out collecting bottle-tops at a beach. Having guessed that it is lost, he tries to find out who owns it or where it belongs, but the problem is met with indifference by everyone else, who barely notices its presence. Each is unhelpful in their own way; strangers, friends, parents are all unwilling to entertain this uninvited interruption to day-to-day life. In spite of his better judgement, the boy feels sorry for this hapless creature, and attempts to find out where it belongs.

One Small Thing Erin Watt, 2018-06-26 In this “engaging” teen romance From a #1 New York Times bestseller, “a high school senior falls for the boy who accidentally killed her sister” (Kirkus Reviews). Beth’s life hasn’t been the same since her sister died. Her parents try to lock her down, believing they can keep her safe by monitoring her every move. When Beth sneaks out to a party one night and meets the new guy in town, Chase, she’s thrilled to make a secret friend. It seems like a small thing, just for her. Only Beth doesn’t know how big her secret really is . . . Fresh out of juvie and determined to start his life over, Chase has demons to face and much to atone for, including his part in the night Beth’s sister died. Beth, who has more reason than anyone to despise him, is willing to give him a second chance. A forbidden romance is the last thing either of them planned for senior year, but the more time they spend together, the deeper their feelings get. Now Beth has a choice to make—follow the rules, or risk tearing everything apart . . . again. “Watt skillfully dissects an extremely complicated and highly improbable situation to reveal the layers of emotions experienced by Beth and other characters.” —Publishers Weekly “Erin Watt always delivers a high-octane story with plenty of twists. One Small Thing is a journey of love and forgiveness and exploring the boundaries of life. You grow with these characters as they learn how beautiful and difficult life can be.” —USA Today “Happily Ever After” Blog

Good Things to Do Rüdiger Bittner, 2023 The book is to show that the aim of thinking about what to do, of practical reason, is to find, not what we ought to do, but what is a good thing to do for us under the circumstances. So it argues, first, that neither under prudence nor under morality there are things we ought to do. There is no warrant for the idea of our being required, by natural law perhaps or by our rationality, to do either what helps us attain our ends or what is right for moral reasons. While common moral understanding is committed to there being things we ought to do and to our being guilty and deserving blame if we fail to do them, we can lay aside these notions without loss, indeed with benefit. Second, it explains what it is for something to be good for somebody to do under the circumstances and argues for understanding practical reason in these terms. What is good for somebody to do we find by experience: from what we go through we learn what helps and what hinders and figure out on this basis both what is prudentially useful and what is morally right to do - although in the end this difference itself gives way, and morality turns out to be a part of prudence--

A Most Beautiful Thing Arshay Cooper, 2020-06-30 REGIONAL BESTSELLER Now a documentary narrated by Common, produced by Grant Hill, Dwyane Wade, and 9th Wonder, from filmmaker Mary Mazzio The moving true story of a group of young men growing up on Chicago's West side who form the first all-Black high school rowing team in the nation, and in doing so not only transform a sport, but their lives. Growing up on Chicago's Westside in the 90's, Arshay Cooper knows the harder side of life. The street corners are full of gangs, the hallways of his apartment complex are haunted by drug addicts he calls “zombies” with strung out arms, clutching at him as he passes by. His mother is a recovering addict, and his three siblings all sleep in a one room apartment, a small infantry against the war zone on the street below. Arshay keeps to himself, preferring to write poetry about the girl he has a crush on, and spends his school days in the home-ec kitchen dreaming of becoming a chef. And then one day as he's walking out of school he notices a boat in the school lunchroom, and a poster that reads “Join the Crew Team”. Having no idea what the sport of crew is, Arshay decides to take a chance. This decision to join is one that will forever change his life, and those of his fellow teammates. As Arshay and his teammates begin to come together to learn how to row--many never having been in water before--the sport takes them from the mean streets of Chicago, to the hallowed halls of the Ivy League. But Arshay and his teammates face adversity at every turn, from racism, gang violence, and a sport that has never seen anyone like them before. A Most Beautiful Thing is the inspiring true story about the most unlikely band of brothers that form a family, and forever change a sport and their lives for the better.
