**Stewart Friedman**

Total Rebecca Miller, 2022-07-12 Rebecca Miller returns to short fiction for the first time since her prodigious collection of stories, *Personal Velocity*, with the arresting, darkly prescient *Total*. From Dublin to Martha's Vineyard, from the anxious comforts of motherhood to a technologically infected near future that mirrors today with dark prescience, each of the seven stories in *Total* is a world of its own, painted with vivid strokes, whose people and questions stay with the reader long after the story has ended. Joad, one of the first characters we meet, finds onionskin pages crammed in a locked desk drawer while refurbishing a Hudson Valley farmhouse; the terrifying words on the fragile paper haunt Joad and her husband, the woman who wrote them looming over the couple like a malevolent spirit. Her words embody the power of the act of creation and the insidious, untamable force of language once it has left one's pen. The author of *The Private Lives of Pippa Lee* and *Jacob's Folly*, as well as an award-winning filmmaker, Miller has "the soaring eye of the epicist and the sly instinct of the satirist" (*The New Yorker*), and her talents are on full display in *Total*. Each voice and life captured in these haunting stories is unforgettable.

*Total Power* Vince Flynn, Kyle Mills, 2020-09-15 "One of the best thriller writers on the planet." —*The Real Book Spy* In the next thriller in the #1 New York Times bestselling Mitch Rapp series, it's a race against the clock when ISIS takes out the entire US power grid and throws the country into chaos. When Mitch Rapp captures ISIS's top technology expert, he reveals that he was on his way to meet a man who claims to have the ability to bring down America's power grid. Rapp is determined to eliminate this shadowy figure, but the CIA's trap fails. The Agency is still trying to determine what went wrong when ISIS operatives help this cyber terrorist do what he said he could—plunge the country into darkness. With no concept of how this unprecedented act was accomplished, the task of getting the

power back on could take months. Perhaps even years. Rapp and his team embark on a desperate search for the only people who know how to repair the damage—the ones responsible. But his operating environment is like nothing he's experienced before. Computers and communication networks are down, fuel can no longer be pumped from gas stations, water and sanitation systems are on the brink of collapse, and the supply of food is running out. Can Rapp get the lights back on before America descends irretrievably into chaos? This compulsive thriller proves once again that the Mitch Rapp series is "the best of the best when it comes to the world of special ops" (Booklist, starred review).

*Total Chaos* Jean-Claude Izzo, 2016-07-05 An ex-cop takes on the mafia in the blockbuster novel that kicks off the Marseilles trilogy with what "may be the most lyrical hard-boiled writing yet" (The Nation). In Jean-Claude Izzo's "Mediterranean noir" mysteries, the city of Marseilles is explosive, breathtakingly beautiful, and deadly. *Total Chaos* introduces readers to Fabio Montale, a disenchanted cop who turns his back on a police force marred by corruption and racism and, in the name of friendship, takes the fight against the mafia into his own hands. Ugo, Manu, and Fabio grew up together on the mean streets of Marseilles where friendship means everything. They promised to stay true to one another and swore that nothing would break their bond. But people and circumstances change. Ugo and Manu have been drawn into the criminal underworld of Europe's toughest and most violent city. When Manu is murdered and Ugo returns from abroad to avenge his friend's death, only to be killed himself, it is left to the third in this trio, Det. Fabio Montale, to ensure justice is done. Despite warnings from both his colleagues in law enforcement and his acquaintances in the underworld, Montale cannot forget the promise he once made Manu and Ugo. He's going to find their killer no matter the consequences. "One of the

masterpieces of modern noir.” —The Washington Post “Like the best noir writers—and make no mistake, he is among the best—Izzo not only has a keen eye for detail . . . but also digs deep into what makes men weep.” —Time Out New York “The holy grail of noir fiction . . . a fast paced and stylishly told modern tragedy.” —NB Magazine

**Total Addiction** Kate Russo,2012-08-01 Seeing a total solar eclipse is often described as a once-in-a-lifetime experience. However, for many who have experienced totality, once-in-a-lifetime is simply not enough. They want more, and are willing to go to great lengths often at great expense to repeat the experience. What is it like to experience totality? What is it about the experience that motivates these eclipse chasers? Is there an eclipse chaser personality? Can eclipse chasing actually be described as an addiction? This book describes the people who dedicate their lives to chasing their dream.
