Treat! ,2017-09-26 Who's a good dog? In the tradition of bestselling photography books like Underwater Dogs and Shake comes an adorable and hilarious collection of dog photographs capturing our best friends at one of their favorite moments--treat time. Photographer Christian Vieler caught these eager dogs anticipating, catching--some more successfully than others--and enjoying a scrumptious tidbit. From a tenacious terrier to a goofy golden retriever, these often hilarious and surprisingly beautiful photographs capture each dog's unique personality in a way any dog owner will recognize and that all dog lovers will enjoy!

Treats Lara Williams,2016-02-15 Dance like nobody gives a crap. Drink like you don't have a family to go home to. Love because what else is the point. So says one of the characters in Lara Williams' extraordinary debut story collection. Treats is a break-up album of tales covering relationships, the tyranny of choice, and self navigation. This fresh, beguiling new voice paints a portrait of contemporary adulthood, balancing wry humour with a pervading sense of alienation in the digital era. Williams' characters struggle with how to negotiate intimacy within relationships and isolation when single, the pitfalls and indignities of dating, dragged down by dissatisfaction. Meanwhile the dilemmas of life play out, including abortion, depression, extra-marital affairs, infatuation, new baby anxiety, bereavement, hair loss, sexual ethics, cats, and taxidermy. Praise for Treats: 'What a wonderful collection. Very smart and VERY funny. A stunning mix of measured wisdom and raw emotion. There's also a real sense that these stories - beautiful in their own right - belong together. I loved the connection between them, and the way ideas were subtle and steadily developed from beginning to end.' Emma Jane Unsworth, author of Animals 'Maybe you meet someone. Maybe you fall in love. Maybe you break up. Maybe someone writes a book about your life.

This is that book. Brilliant stories; awesome debut.' Nicholas Royle, editor of Best British Short Stories 2015 'Funny and witty and sad and painfully self-aware.' Chris Killen, author of The Bird Room and In Real Life '[Treats] is described as a break-up album of tales covering relationships and their aftermath. So far, so Adele - but if the inescapable singer is the beige paint on a crumbling wall, this is more akin to sniffing that paint and seeing every colour in the rainbow.' The Skinny 'Each of these stories blows like a bracing wind - brilliantly written, devastating in parts but an acuity, a sense of the smallness and frailty of human relationships. Stories that make you seek shelter out of their keen urbane gaze.' Helen McClory, author of On The Edges of Vision
