Tweaker Anna Hester,2015-02-20 Good triumphs evil in every situation. Sometimes, it takes a while to recognize and realize, but it is so. You never know when an angel may approach you one day, so help those in need. Imagine another type of helpful host from heaven. Imagine a tweaker as one who tweaks happenings just enough to add more love and compassion in the future without changing the mainstream of history. Would it be a blessing having a being that would prevent you from making a wrong decision by eliminating a particular reason for having to choose? Imagine a future from which tweakers visit and do helpful things to lead people to the right path, which will add much love and compassion for their future. Imagine if you will a soul going to heaven and wishing to fight evil beside the angels in the war between good and evil. A tweaker is a being from an elite heavenly force, TSI (Tweaker Secret Intervention). Their souls and bodies are used as vessels compatible for time travel and for acceptable fixtures of mankind. Imagine tweakers with no sexual desires or jealousy, traveling to and fro through time as mates, paired for life of services, often for hundreds of years. Being telepathically in sync with their Tweaker Sentry Post and continuously monitored throughout each mission, with answers provided by higher knowledge as needed. Single or together, the missions satisfactorily completed, gives more and more love and compassion to the future. Imagine a tweaker traveling through time, stricken by lightning, thus loosing memory and tools, in only a white vinyl jumpsuit and slippers. Having all common knowledge except of personal identity and past with amnesia. A tweaker named Ja-Tabor wanders aimlessly yet feeling that he has a particular purpose. Follow him through relearning and reuniting with his mate. Imagine!

Tweaker Creatures Robert Essig,2022-01-16 What do you get when you have a town addicted to meth and creatures who feast on them? TWEAKER CREATURES, of course. The new drug induced, gory, splatterpunk novel from horror author, Robert Essig. The Southern California town of El Cajon is overrun with a drug epidemic, altering the locals into vicious meth monsters that rule the seedy streets. Searching for her missing sister, Amber dives deep into a corrupt world she was once a part of, where the townsfolk are as brutal as the mysterious creatures who dwell within the shadows. If the speed doesn't kill you, the TWEAKER CREATURES will!

**Life Or Meth** Philip C. Keeling,2008-06 Once located in rural towns and on the West Coast, meth has erupted across the United States and is now devastating countless families, children and neighborhoods. Inside you will discover the history, effects, common slang words and prices of Methamphetamine. You will find out how Meth effects our children and our loved ones. Narcotics is the worst of all crimes except murder and perhaps even more offensive to society than murder itself. In the case of murder you take away the life of a fellow human being. In the case of distributing narcotics, you take the mind of the individual and make his life intolerable for the good of his own soul. President Franklin Roosevelt - 1940 Read my book and find out the facts about Methamphetamine and what you can do to protect yourself and the ones you love.

**Methamphetamine Use** Sandra B. McPherson,Harold V. Hall,Errol Yudko,2003-06-26 A man is accused of attempted murder of a former crystal meth addict. He claims he shot in self-defense, responding to the extremely aggressive behavior the victim was exhibiting. How will this play out in court? Most likely, the prosecution and the defense will call various expert witnesses - perhaps neurologists, psychologists, pathologists - each with testimonies based on their own theoretical viewpoints, but none with a truly comprehensive knowledge of the background and effects of methamphetamine (MA) use. This will cause confusion, complexity, and their testimonies may not comply with Daubert standards. Written by a multidisciplinary team of experts, Methamphetamine Use: Clinical and Forensic Aspects examines MA use and abuse from clinical, forensic, and criminal justice perspectives. It is the first to cover virtually every aspect, reviewing the history, pharmacology, pathology, physiology, treatment, and evidentiary value of MA and its use. It addresses Daubert considerations and victim/witness credibility, competency to confess and to stand trial, criminal responsibility, extreme emotion as mitigation to murder, and dangerousness. It also details statutes and case law to represent perspectives of both the prosecution and the defense.

Growing in popularity more than any other illegal drug, methamphetamine has been shown to produce a paranoid psychotic state, which may recur months or years after use. Methamphetamine Use: Clinical and Forensic Aspects provides a comprehensive, critical survey of the current knowledge and policies regarding the use and abuse of this dangerous and ubiquitous substance.

**Beautiful Boy** David Sheff, 2008 Sheff's story tells of his teenage son's addiction to meth, in this real-time chronicle of the shocking descent into substance abuse and the family's gradual emergence into hope.

**Hollywood Moon** Joseph Wambaugh, 2009-11-24 Bestseller Wambaugh's entertaining third Hollywood Station novel (after Hollywood Crows) provides lots of laughs and gasps from all of your favorite characters. There's a saying at Hollywood station that the full moon brings out the beast -- rather than the best -- in the precinct's citizens. One moonlit night, LAPD veteran Dana Vaughn and Hollywood Nate Weiss, a struggling-actor-turned cop, get a call about a young man who's been attacking women. Meanwhile, two surfer cops known as Flotsam and Jetsam keep bumping into an odd, suspicious duo -- a smooth-talking player in dreads and a crazy-eyed, tattooed biker. No one suspects that all three dubious characters might be involved in something bigger, more high-tech, and much more illegal. After a dizzying series of twists, turns, and chases, the cops will find they've stumbled upon a complex web of crime where even the criminals can't be sure who's conning whom. Wambaugh once again masterfully gets inside the hearts and minds of the cops whose jobs have them constantly on the brink of danger. By turns heart-wrenching, exhilarating, and laugh-out-loud funny, Hollywood Moon is his most thrilling and deeply affecting ride yet through the singular streets of LA.

**Broken Allegiance** Mark Young, 2013-12-29 Police gang detective Tom Kagan sought justice for more than ten years, leaving him a broken man. His only reason for living—the woman he loves and the badge he swore to uphold. When a man is brutally killed in a vineyard on the outskirts of Santa Rosa, California, it sparks a series of events that test what's left of Kagan's resolve to protect and serve. Secrets from the past thwart Kagan's efforts to unravel a series of killings sanctioned from within the walls of California's highest security prison. From the lush vineyards of Sonoma County to the shores of beautiful Lake Tahoe, the detective must outsmart a killer who is moving in for one epic killing spree. Leaders of the notorious Nuestra Familia prison gang are fighting for power, a struggle that spills out onto the streets of California. Kagan joins forces with Special Agent Hector Garcia, a feisty supervisor of the Special Services Unit for the California Department of Corrections; Diane Phillips, a beautiful and hard-charging prosecutor; and Mikio Sanchez, a former gang member marked for death. Through the eyes of cops and gangsters, readers are able to glimpse the seldom seen workings of the gangster underworld. Broken Allegiance is about treacherous lies, broken promises, and shattered lives—about life, death and a man's honor.

**Hollywood Crows** Joseph Wambaugh, 2008-03-25 In a super follow-up to Hollywood Station, Wambaugh returns to the beat he knows best, taking readers on a darkly funny ride-along with a cast of flawed LAPD cops and eccentric lowlifes you won't forget. When LAPD cops Hollywood Nate and Bix Rumstead find themselves caught up with bombshell Margot Aziz, they think they're just having some fun. But in Hollywood, nothing is ever what it seems. To them, Margot is a harmless socialite, stuck in the middle of an ugly divorce from the nefarious nightclub-owner Ali Aziz. What Nate and Bix don't know is that Margot's no helpless victim: the femme fatale is setting them both up. But Ms. Aziz isn't the only one with a deadly plan.

**Megalomaniac** Jack Bell, 2017-07-20 In this book, you will read a wide variety of fictional stories on a number of different subjects.

**Lands of Souls: Tweaker to Believer** Benjamin Morris, 2019-01-25 Drugs and poor health leave me on the brink of death. I am so near death that my mind and soul detach from my body, ready to depart to the second life! But as I didn't die, the ability to detach from my body still stayed with me. This is a documentary of the lands I traveled to. Read this book with an open mind, and prepare for an adventure you will not believe!

**Moving Mars** Greg Bear, 2014-04-01 A galaxy-altering scientific breakthrough on Mars inspires

treachery and revolution in this Nebula Award-winning science fiction epic. The child of one of the oldest, most revered family-corporate units on colonized Mars, Casseia Majumdar has spent her entire life in the tunnels that run beneath the surface of her homeworld. As a young college student in 2171, the fifty-third year of the Martian settlement, she experiences a profound political awakening, and her embrace of radical activism only intensifies following a failed diplomatic mission to Earth. As she rises up through the political ranks back on Mars—with tensions increasing between an oppressive “Mother Earth” and her rebellious “Red Rabbit” children—Casseia soon realizes that an enlightened ideology alone will not save her planet and its people. But it is a staggering scientific discovery by Martian physicist Charles Franklin—Casseia’s mentor and former lover—that will ultimately reveal the depths of the perfidy of the “Terries,” forcing an imperiled civilization to alter forever the map of the universe. A two-time winner of the Nebula Award and a multiple Hugo and Arthur C. Clarke Award nominee, the great Greg Bear has been called “the complete master of the grand scale sf novel” (Booklist). His *Moving Mars* is a masterful extrapolation of contentious humanity’s possible future and a modern classic to be shelved alongside the acclaimed Mars novels of Ben Bova and Kim Stanley Robinson. It’s “as good as hard science fiction gets” (The Oregonian).

**House of a Thousand Lies** Cody Luke Davis, 2022-08-09 Perfect for fans of Julia Heaberlin’s *We Are All the Same in the Dark* and Megan Collins’s *The Family Plot*, Cody Luke Davis’ debut psychological thriller brings a sinister serial-killer tale to life with hair-raising twists and chilling turns. How far will some families go to protect their legacy? Diana Wolf likes to think she has it all: a rock god husband, an empty nest, a wine cellar, and a dream home in the woods. Life is good. It has to be. But when she hires a cartographer, Kerry Perkins, to survey and map her estate in rural Tennessee, she pulls back a frayed corner of the lie that is her fairytale life. On his first night at Wolf Hollow, Kerry stumbles across a young girl’s skeleton buried in the woods. But what really scares Diana is a familiar symbol carved into the girl’s skull: two wolves. A week later, the cops are digging in her backyard. Diana begins to question how good her life really is. How good of a man is her husband and how good a father? She’s not the only one with questions. Kerry Perkins can’t shake what he saw in the woods that night. He suspects that Diana recognized that symbol, that she lied to the police; that someone is watching him, and that whoever it is, they desperately want him to keep his mouth shut. His search for answers leads him to Pink, a deeply disturbed man obsessed with the Wolfs’ celebrity. Pink knows the family better than they know themselves—and he knows that the more he and Kerry dig, the more bones they will find. Told through the eyes of multiple narrators, none reliable, this is a story about parents, the lies they tell their children, and the lies they tell themselves.

**Tweakers** Frank Sanello, 2005 Crystal methamphetamine is reaching epidemic levels among gay men in the US. Tweakers - crystal addicts - get a quick cheap high, an exhilarating loss of inhibition and increased stamina at the price of permanent behaviour changes, brain damage and death. Almost a third of new cases of HIV are caused by the loss of sexual inhibition brought on by loss of mental capacity. Frank Sanello, author the acclaimed *Opium Wars*, tells the terrifying truth about this deadly drug but also shares invaluable information and resources that offer hope and help to users.

**Tweaked: A Crystal Meth Memoir** Patrick Moore, 2017-04-26 This candid memoir of addiction and recovery shares an intimate chronicle of life from Midwestern childhood to NYC’s drug-fueled underground. Patrick Moore’s account of life as a crystal meth addict combines heartbreaking honesty with rare insight and surprising humor. It chronicles a twenty-year trip stretching from Moore’s lonely childhood in Iowa to the day he sits, naked, in a Los Angeles rental, hallucinating about psycho-robbers while talking to a possum he’s sure is God. Along the way, there are acid trips at the V.F.W., Dextrim study halls, teeth-grinding nights of dancing and anonymous sex in New York City’s hottest eighties clubs. He takes pictures of Andy Warhol, loses friends and lovers, and navigates a Byzantine underworld of cooks, users, club kids, dealers, and colorful characters as

intense as the drug itself. Through Patrick's vivid retelling, you'll meet Lee, the glamorous bad boy with a taste for danger; Tony, the tweaker who likes to remove his eyebrows; Ding-Dong, the Depends-wearing, nearly blind housemate; Hisako, the artist and squatter with a fondness for hot plate cooking; Mother Judy, the tough, butch rehab counselor who takes no prisoners, and countless others on the road from crystal meth hell to eventual sobriety.

**Methamphetamine** Kevin Hillstrom, 2014-10-06 The National Institute of Health states that methamphetamine increases the amount of dopamine in the brain, a chemical that is involved in body movement, motivation, pleasure, and reward. The drug causes an intense high which fades quickly. Nearly 1.2 million people reported using the drug in the past year, while 440,000 people reported using it in the past month. This crucial edition delves into the history of methamphetamine as a recreational drug and as a big business for criminal enterprises. It also discusses the toll that methamphetamine addiction takes on its users, as well as families and communities in general. The book concludes by discussing processes and methods used to treat meth addiction and how law enforcement agencies are trying to combat the meth industry.

**Dark Days** D. Randall Blythe, 2015-07-14 Lamb of god vocalist D. Randall Blythe finally tells the whole incredible story of his arrest, incarceration, trial, and acquittal for manslaughter in the Czech Republic over the tragic and accidental death of a concertgoer in this riveting, gripping, biting, bold, and brave memoir. On June 27, 2012, the long-running, hard-touring, and world-renowned metal band lamb of god landed in Prague for their first concert there in two years. Vocalist D. Randall Randy Blythe was looking forward to a few hours off--a rare break from the touring grind--in which to explore the elegant, old city. However, a surreal scenario worthy of Kafka began to play out at the airport as Blythe was detained, arrested for manslaughter, and taken to Pankr  Prison--a notorious 123-year-old institution where the Nazis' torture units had set up camp during the German occupation of then-Czechoslovakia, and where today hundreds of prisoners are housed, awaiting trial and serving sentences in claustrophobic, sweltering, nightmare-inducing conditions. Two years prior, a 19-year-old fan died of injuries suffered at a lamb of god show in Prague, allegedly after being pushed off stage by Blythe, who had no vivid recollection of the incident. Stage-crashing and -diving being not uncommon occurrences, as any veteran of hard rock, metal, and punk shows knows, the concert that could have left him imprisoned for years was but a vague blur in Blythe's memory, just one of the hundreds of shows his band had performed over their decades-long career. At the time of his arrest Blythe had been sober for nearly two years, having finally gained the upper hand over the alcoholism that nearly killed him. But here he faced a new kind of challenge: jailed in a foreign land and facing a prison sentence of up to ten years. Worst of all, a young man was dead, and Blythe was devastated for him and his family, even as the reality of his own situation began to close in behind Pankr  Prison's glowering walls of crumbling concrete and razor wire. What transpired during Blythe's incarceration, trial, and eventual acquittal is a rock 'n' roll road story unlike any other, one that runs the gamut from tragedy to despair to hope and finally to redemption. While never losing sight of the sad gravity of his situation, Blythe relates the tale of his ordeal with one eye fixed firmly on the absurd (and at times bizarrely hilarious) circumstances he encountered along the way. Blythe is a natural storyteller and his voice drips with cutting humor, endearing empathy, and soulful insight. Much more than a tour diary or a prison memoir, Dark Days is D. Randall Blythe's own story about what went down--before, during, and after--told only as he can.

**Probable Cause** Theresa Schwegel, 2007-10-30 Rookie police officer Ray Weiss, following in his family's law enforcement legacy, confronts a brutal hazing initiation on the part of his senior officers in Chicago's District 20 and stumbles upon a corpse.
