

Unauthorized

Peter Hernon, Terry Ganey

Unauthorized Windows 95 Andrew Schulman,1994

This is the first look at Chicago and the effect it will have on the way people develop software. The book shows programmers how to use VxDs to their full advantage, and it includes a 3.5 high-density disk containing various utilities that allow programmers to look inside the Windows operating system.

Cocaine Dominic Streatfeild,2003-07 Examines the history of cocaine from its first medical uses to the worldwide issues it presents today.

Unauthorized Biography of Joseph Smith Norman Rothman,1997-10-01

High Growth Handbook Elad Gil,2018-07-17 High Growth Handbook is the playbook for growing your startup into a global brand. Global technology executive, serial entrepreneur, and angel investor Elad Gil has worked with high-growth tech companies including Airbnb, Twitter, Google, Stripe, and Square as they've grown from small companies into global enterprises. Across all of these breakout companies, Gil has identified a set of common patterns and created an accessible playbook for scaling high-growth startups, which he has now codified in High Growth Handbook. In this definitive guide, Gil covers key topics, including: · The role of the CEO · Managing a board · Recruiting and overseeing an executive team · Mergers and acquisitions · Initial public offerings · Late-stage funding. Informed by interviews with some of the biggest names in Silicon Valley, including Reid Hoffman (LinkedIn), Marc Andreessen (Andreessen Horowitz), and Aaron Levie (Box), High Growth Handbook presents crystal-clear guidance for navigating the most complex challenges that confront leaders and operators in high-growth startups.

Unauthorized Access Robert Sloan,Richard

Warner,2016-04-19 Going beyond current books on privacy and security, this book proposes specific solutions to public policy issues pertaining to online privacy and security. Requiring no technical or legal expertise, it provides a practical framework to address ethical and legal issues. The authors explore the well-established connection between social norms, privacy, security, and technological structure. They also discuss how rapid technological developments have created novel situations that lack relevant norms and present ways to develop these norms for protecting informational privacy and ensuring sufficient information security.

Cisco Unauthorized Jeffrey S. Young,2001 High-tech chronicler Young goes deep inside Cisco Systems, the most valuable company in the world, to uncover how it is radically changing the face of business and touching lives with its array of routers and switches through which 75 percent of all electronic data travels.

Unauthorized Portraits Edward Sorel,1997 The brilliant satirical artist Edward Sorel takes us on a hop, skip, and laugh through history. Along the way are deliciously wicked caricatures of the great and near great from the worlds of art, entertainment, and politics. Sorel includes a delightful autobiographical introduction and a pithy, informative caption with each portrait. 175 illus. 125 in color.

The NRA Frank Smyth,2020-03-31 For the first time, the definitive account of America's most powerful, most secretive, and most controversial nonprofit, and how far it has strayed from its origins. The National Rifle Association is unique in American life. Few other civic organizations are as old or as large. None is as controversial. It is largely due to the NRA that the U.S. gun policy differs so extremely — some would say so tragically — from that of every other developed nation. But, as Frank Smyth shows, the NRA has

evolved from an organization concerned above all with marksmanship — and which supported most government efforts around gun control for a hundred years — to one that resists all attempts to restrict guns in any way. At the same time, the organization has also buried its own remarkable history. Here is that story, from the NRA's surprising roots in post-Civil War New York City to the defining event that changed its culture forever — the so called “Cincinnati Revolt” of 1977 — to the present day, where President Donald Trump is the most ardent champion in the White House the NRA has ever had. For anyone who has looked at access to guns in our society and asked “Why?”, this is an unmatched account of how we got here, and who got us here.

Unauthorized Marisol Clark-Ibáñez, Richelle S. Swan, 2019-06-21 *Unauthorized: Portraits of Latino Immigrants* takes readers inside the diverse contemporary worlds of undocumented Latino immigrants in the United States, exploring the myths and realities of education, health care, work, deportation, and more. This book aims to dispel common misconceptions while introducing readers to real people behind the headlines.

Beyond the Bleep Alexandra Bruce, 2005-09-01 *What the Bleep Do We Know!?* is the biggest New Age movie phenomenon . . . EVER! This outrageous film plunges you into a world where quantum uncertainty is demonstrated—where neurological processes and perceptual shifts are engaged and lived by its protagonist—where everything is alive, and reality is changed by every thought. *What the Bleep Do We Know!?* gives voice to the modern-day radical souls of science, bringing their genius to millions. *What the Bleep Do We Know!?* says that science and spirituality are not different modes of thought, but are in fact describing the same thing.

And it brings the power back to the individual man and woman as it demonstrates creation as the god-like capacity of every individual. In *Beyond the Bleep*, Alexandra Bruce illuminates the personalities and teachings of the physicists, neurologists, anesthesiologists, physicians, spiritual teachers, mystics, and scholars in the film, as well as the filmmakers, helping the reader sort through their wilder and woollier theories with simple explanations of the cutting-edge science on which they are based. The phenomenon of the movie is only just beginning, spreading outwards from the yoga studios and health food stores of the Pacific Northwest across America and the world. There is a huge demand for more information on the topics presented in the film; *Beyond the Bleep* is the place to start.

Unauthorized Freud Frederick C. Crews, 1998 Frederick Crews's *Unauthorized Freud* surveys the growing field of revisionist Freud studies and decisively forges the case against the man and his creation.

Batman Unauthorized Dennis O'Neil, Leah Wilson, 2008-02-09 *Batman Unauthorized* explores Batman's motivations and actions, as well as those of his foes. Batman is a creature of the night, more about vengeance than justice, more plagued by doubts than full of self-assurance, and more darkness than light. He has no superpowers, just skill, drive and a really well-made suit. One of the most recognized superheroes ever created, Batman has survived through campy TV shows and films, through actors such as Adam West, Michael Keaton and Christian Bale. *Batman Unauthorized: Vigilantes, Jokers, and Heroes in Gotham City* covers expansive territory ranging from the silly to the solemn. Why is the Joker so good at pushing Batman's buttons? What does Batman's technology say about the times? Why are Batman's villains crazier than average? And why is Batman the perfect, iconic American

hero?

Living "Illegal" Marie Friedmann Marquardt, Timothy J. Steigenga, Philip J. Williams, Manuel A. Vásquez, 2013-04-02
A myth-busting account of the tragedies, trials, and successes of undocumented immigration in the United States. For decades now, America's polarizing debate over immigration revolved around a set of one-dimensional characters and unchallenged stereotypes. The resulting policies—from the creation of ICE in 2003 to Arizona's draconian law SB 1070—are dangerous and profoundly counterproductive. Based on years of research into the lives of ordinary migrants, *Living "Illegal"* offers richly textured stories of real people—working, building families, and enriching their communities even as the political climate grows more hostile. In the words of Publishers Weekly, it is a "compassionate and well-reasoned exploration of why migrants come to the U.S. and how they integrate into American society." Moving beyond conventional arguments, *Living "Illegal"* challenges our assumptions about who these people are and how they have adapted to the confusing patchwork of local immigration ordinances. This revealing narrative takes us into Southern churches (often the only organizations open to migrants), into the fields of Florida, onto the streets of major American cities during the immigrant rights marches of 2006, and across national boundaries—from Brazil to Mexico and Guatemala.

The Unauthorized Harry Potter Adam-Troy Castro, 2006
Everything you ever wanted to know about the Harry Potter series but didn't think to ask is here in this giggle-inducing and thought provoking book. Join Adam-Troy Castro as he explores the many mysteries of Harry Potter's world. Along the way he investigates such questions as : What's up with Snape ; Why would anybody follow Voldemort? ; Has Dumbledore ever once been right about anything? ; Why

don't we see Hermione's parents? ; How likely is it that Neville will turn out to be the real Chosen One? ; And will we still be reading Harry Potter one hundred years from now? - taken from cover.

Flights of Fantasy: The Unauthorized but True Story of Radio & TV's Adventures of Superman

Michael J. Hayde, Author Michael J. Hayde's definitive work about Superman on radio and television. Hayde is well-known for *My Name's Friday: The Unauthorized but True Story of Dragnet* and *The Films of Jack Webb*; and *Little Elf: A Celebration of Harry Langdon*, and this new treasure trove of information on *The Man of Steel* covers comprehensive episode logs for the radio series and the original television series, plus the complete story lines for two unproduced television series episodes, and dozens of deleted scenes taken right from the scripts. Michael J. Hayde significantly broadens our empathy for *The Man of Steel* through his profound revelations surrounding an imposing figure based on popular myth. In a meticulously researched discourse, he supplies the gaps about a character that became a mid-twentieth century hero to the nation's boys and girls. Hayde probes the backgrounds of the real-life individuals behind-the-scenes and before the microphones and cameras that intensified that aura. In breezy, comprehensive-style, he focuses on the radio and TV manifestations while interweaving timely inferences from the newspaper strip, comics, books, film, and other formats plus a prosperous merchandising trade. Lovers of the genre of juvenile adventures are rewarded by the author's efforts to expose how one man wearing a cape and bearing incredible strength could pervade an impressionable younger generation and a society that pursued his exploits intensely. -Jim Cox, author of *Radio Crime Fighters* With so many books about Superman out there, it's pleasing to know that

one book has everything you'd want to know under one cover. Trivia, background production, and numerous behind-the-scenes stories make this a must-have for everyone's shelf. An enjoyable read. –Martin Grams, Jr., author of *The Twilight Zone: Unlocking the Door to a Television Classic* 536 pages.

Penny Marshall Lawrence Crown,1999 Reveals the personal and professional characteristics and sacrifices that have propelled the talented director, actress, and comedienne to the top of her field

Under the Influence Peter Hernon,Terry Ganey,1992
Forever Barbie M. G. Lord,2004-03-01 Originally published: New York: William Morrow & Co, c1994.

Unauthorized Love Jane Lilly López,2021-11-23 A rich, narrative exploration of the ways love defies, survives, thrives, and dies as lovers contend with US immigration policy. For mixed-citizenship couples, getting married is the easy part. The US Supreme Court has confirmed the universal civil right to marry, guaranteeing every couple's ability to wed. But the Supreme Court has denied that this right to marriage includes married couples' right to life, liberty, and the pursuit of happiness on US soil, creating a challenge for mixed-citizenship couples whose individual-level rights do not translate to family-level protections. While US citizens can extend legal inclusion to their spouses through family reunification, they must prove their worthiness and the worthiness of their love before their relationship will be officially recognized by the state. In *Unauthorized Love*, Jane López offers a comprehensive, critical look at US family reunification law and its consequences as experienced by 56 mixed-citizenship American couples. These couples' stories--of integration and alienation, of opportunity and inequality, of hope and despair--make tangible the consequences of current US

immigration laws that tend to favor Whiteness, wealth, and heteronormativity, as well as the individual rather than the family unit, in awarding membership and official belonging. In examining the experiences of couples struggling to negotiate intimacy under the constraints of immigration policy, López argues for a rethinking of citizenship as a family affair.

Unauthorized Practice Source Book Stanley A. Bass, 1965

This Engaging Realm of Kindle Books: A Thorough Guide
Unveiling the Benefits of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent portability and simplicity of availability, have liberated readers from the limitations of hardcopy books. Done are the days of lugging bulky novels or meticulously searching for particular titles in shops. Kindle devices, sleek and lightweight, effortlessly store an wide library of books, allowing readers to indulge in their preferred reads whenever, anywhere. Whether traveling on a bustling train, relaxing on a sunny beach, or just cozying up in bed, Kindle books provide an exceptional level of convenience.
